## WENONAH 1871 - 2011

About 140 years ago in February of 1871 a town was created along the right-of-way of the West Jersey Railroad Co. and named Wenonah.

A settlement located in and part of Deptford Township; Wenonah was lovingly and carefully nurtured by several of its creators until 1883 when the first formal government was established, a Commission.

By this time there were about 50 dwellings in existence and a permanent population of about 300 people living here.

The first members of the Commission were Dr. George W. Bailey (elected President), C.B. Johnson, Isaac Stevenson, Andrew Carey (WHS members the Laders live in his house across from the park), M.H. Perry, Thomas W. Synnott and J. Frank Shull.

The Commission government continued until April of 1896 when through the efforts of Dr. George W. Bailey a bill was approved by the Legislature of the State of New Jersey awarding "Borough" status to Wenonah. Charles M. Wilkins was the first elected Mayor of Wenonah.

Coming forward in time Wenonah has had 16 individuals elected to the position of mayor, recently sworn-in Mayor Tom Lombardo becoming the 17th.

Given the major financial problems facing our towns today, our continuing existence as a separate, community will be tested.

## ABOUT FORMER WHS PRESIDENT DON RALSTON

For anyone who hasn't already heard, Don and Catherine Ralston were involved in a serious auto accident Christmas Eve afternoon on Route 45 near Woodbury Heights. Both suffered significant injuries but Catherine's were the worst. As of this writing she is in Cooper Hospital awaiting release to a rehabilitation facility. Meanwhile Don is at home.

labors here have resulted in great good to the church.

"You never miss the water till the spring runs dry" and you never know the importance of a barber shop until the establishment is closed. The tonsorial establishment at the Inn was a perfect boon to us all, the closing of the Inn deprived us of the tonsorial artist and now there is a premium offered for a good barber.

Mrs. Eliza Packer has recovered from her late illness.

Grocer Eldore Richmond was complimented with a visit from his brother George, who is a resident of Pittsburgh, Pa. Mr. Richmond holds quite a responsible position with the United States Biscuit Company.

Dr. Harry A. Stout is quite busy dispensing pills and plasters. This cold weather has caused a great deal of sickness, the prevailing disease or complaint being the common cold or la grippe.

The young people, with a goodly sprinkling of the older folks, calling themselves the Wenonah Assembly, met last Saturday night at Noblitt's Hall and indulged in the favorite winter pastime of a dance and progressive euchre.

Miss Wilson will spend the month of February at the capital of the nation, where she has quite a large circle of friends,

We regret to learn that good natured Blair Smith Is compelled to sit by the heater and nurse a very bad cold.

## WHS OFFICERS 2010

President	Barbara Capelli
Vice President.	Charles Horan
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held the second Friday of each month at the Train Station Community Center except June, July and August

## JANUARY MEETING PROGRAM

Member Paul Lader will present a slide presentation on the Civil War.

## WENONAH 137 YEARS AGO FEBRUARY, 1874

The Rev. James Burns, of the M. E. Church, has been assisting Pastor C. B. Ogden in the revival service\* now in progress in the neighboring village of Mantua, Rev. James Burns is a very forceful speaker and his

The recently organized choir in the M E church, composed of the young people of the congregation, is meeting with gratifying success. Good singing and good preaching go hand in hand.

The Rev. A. P. Botsford of the Presbyterian Church gave two very interesting discourses on Sabbath last. In the morning he spoke of "The Gospel's production of holiness" and in the evening the subject was "The antidote to fear and sorrow, or Jesus and the ruler of the synagogue."

There are quite a number of Episcopalians in our borough. If they would encourage the work in the little mission chapel of St. Barnabas, over near Mantua, by their presence it would materially help the lay reader in charge of that work.

The anniversary service\* of the society of the Y. P. S. C. E of the M. E. Church took place last Sunday and drew quite a large gathering of friends from the surrounding country. Mr. Hamilton Turner took charge of the services.

Boys and girls keep your eyes on next week's papers; there will be something in the Wenonah items that will interest you.

Woodbury Times

FROM THE INTERNET  
ACTUAL CHURCH BULLETINS

Thank God for church ladies with typewriters. These sentences (with all the BLOOPERS) actually appeared in church bulletins or were announced during church services:

- The Fasting & Prayer Conference includes meals.
- The sermon this morning: will be 'Jesus Walks on the Water.' The sermon tonight: 'Searching for Jesus.'

- Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.
- Remember in prayer the many who are sick of our community. Smile at someone who is hard to love.
- Say 'Hell' to someone who doesn't care much about you.
- Don't let worry kill you off - let the Church help.
- Miss Charlene Mason sang "I will not pass this way again," giving obvious pleasure to the congregation.
- For those of you who have children and don't know it, we have a nursery downstairs.
- Next Thursday there will be tryouts for the choir. They need all the help they can get.
- Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.
- A bean supper will be held on Tuesday evening in the church hall. Music will follow.
- At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.
- Eight new choir robes are currently needed due to the addition of several new members and to the deterioration of some older ones.
- Scouts are saving aluminum cans, bottles and other items to be recycled. Proceeds will be used to cripple children.
- Please place your donation in the envelope along with the deceased person you want remembered..

- The church will host an evening of dining, super entertainment and gracious hostility.
- Potluck supper Sunday at 5:00 PM - prayer and medication to follow.
- The ladies of the Church have cast off clothing of every kind. They may be seen in the basement on Friday afternoon.
- This evening at 7 PM there will be a hymn singing in the park across from the Church. Bring a blanket and come prepared to sin.
- Ladies Bible Study will be held Thursday morning at 10 AM. All ladies are invited to lunch in the Fellowship Hall after the B. S. is done.
- The pastor would appreciate it if the ladies of the Congregation would lend him their electric girdles for the pancake breakfast next Sunday.
- Low Self Esteem Support Group will meet Thursday at 7 PM. Please use the back door.
- The eighth-graders will be presenting Shakespeare's Hamlet in the Church basement Friday at 7 PM. The congregation is invited to attend this tragedy.
- Weight Watchers will meet at 7 PM at the First Presbyterian Church. Please use large double door at the side entrance.

# Frank Eggert Historic House Identification and Memorialization Project

Historical Society member Frank Eggert has nearly completed his long-term project to memorialize the historic older structures of Wenonah.

Andrew W. Carey 11 North Clinton Ave

Frank has spent many hours over a period of several years identifying, the oldest, most historic houses in Wenonah.

Once a residence is selected, Frank makes one or more trips to the Gloucester County Court House where he laboriously researches the birth and history of each property. Armed with this information he can recite the name of the original owner and/or builder, and the names of subsequent owners.

Henry Gilmour 7 E. Poplar

After the research and identification Frank contacts the homeowner(s) to determine if they are willing to sponsor a plaque with the builder name and date for mounting on the front wall of the structure. If so, he gives the information to Don Davis who makes the actual plaque, then to Chick Cowles who paints it.

Frank photographs the homes to illustrate the final record. He then contacts the current owner of the home and offers the information in exchange for purchase of an identifying plaque which is mounted in a prominent location on the front of the property.

Three of the selected homes are shown on this page to show what the houses with the plaques actually look like. All are prime examples of Victorian era styles.

E. A. Arnesbroug, 101 E. Poplar St

Our next objective is to create a digital slide show featuring Frank's collection that can be shown at our school, the library, or at group meetings. It may also be possible to access the collection on home computers by way of a computer "web site" we hope to create soon.

The Society owes a great debt of gratitude to Frank Eggert for the dedication and hard work he has provided to make this project a reality. Frank, a native of Wenonah, in addition to this project has been substantially responsible for the creation and maintenance of the Wenonah "nature trail" system.

Volume 9, Issue 2, February 2011

## THE PRESIDENT'S MESSAGE Charles Horan

Dear Members,

As we begin our Spring season and look forward with great anticipation to warmer and more arid weather, I wish to acknowledge and thank Barbara Capelli for her dedicated service to the WHS. As you know, Barbara recently completed a 2-year term as President. Of course...many, many thanks to Jack Sheppard who has ended his long tenure as Editor-in-Chief of our newsletter. This heavy torch has been passed to Larry Smith. Also, kudos to our team of current officers as we move forward into a successful 2011.

Before I mention a few upcoming programs, I want to say that I am always open to any ideas for future WHS presentations. For example, I thought the talk given by Rich Heritage of Heritage Winery in Richwood, NJ was an excellent example of "thinking outside the box" for new ideas. Let us put our thinking caps on and come up with some innovative and interesting programs for future meetings!!

Our February meeting on February 11<sup>th</sup> will feature a recently updated PowerPoint presentation from the Gloucester County Historical Society on its collection of a variety of military artifacts from Gloucester County. It will focus primarily on the Revolutionary War era

and Red Bank Battlefield. Also, there will be a limited number of artifacts on display.

For the March meeting on March 11<sup>th</sup>, Professor Robert A. Emmons, Jr. from Rutgers University-Camden will be our guest speaker. He is a documentary maker who will show parts of and speak about "Deluxe: The Tale of the Blue Comet." It tells the captivating story of a passenger train that, from 1929 to 1941, transported New Jersey residents from Jersey City to Atlantic City. Mr. Emmons teaches film and media studies at Rutgers. His first feature length documentary is titled "Goodwill: The Flight of Emilio Carranza." It is the story of the Mexican pilot who crashed in the Pine Barrens in 1928 on the return leg of a goodwill mission to New York. Robert is very interested in New Jersey history and we look forward to his visit. DVDs of both documentaries will be available for purchase.

Both the February and March meetings look to be interesting and "close to home." Think about inviting a friend or neighbor as a prospective member of the Wenonah Historical Society.

See you there!

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader

Dorothy Diament continues her recovery. Please send cards to her home.

Kathryn Ralston is still recovering from injuries sustained in an accident. She can have visitors at Manor Care in Washington Township. Cards can be sent to her home.

Please forward any news of a member's illness or surgery to me at [vmccallpc@comcast.net](mailto:vmccallpc@comcast.net) so we can send cards and well wishes. I will forward the information to the newsletter editor.

FEATURE HOUSE  
The Stone House Tavern

The "Old Stone House" was built before 1763 as a tavern by Samuel Moffett. It originally faced west on Bark Bridge Road (Monroe Avenue today). It was an important location as it was the only crossing available before the bridge on Kings Highway in Mount Royal, and important to commerce and stage coach travel. Taverns were nerve centers in those days and people gathered here at the Stone House Tavern to hear the news of the day. In war time, it was also a recruiting center for the militia, who met here to practice, hold meetings and elect officers.

Originally this building was part of a 1,300-acre plantation comprising most all of Wenonah, large sections of Sewell and Woodbury Heights, and four tenant farms. The

main house and out-buildings are not standing today. The property was constructed by Samuel Moffett some time between 1742 and 1763, when it was deeded to Jeffery Chew, who transferred the title to his son Jonathan Chew. He continued to procure the whole 1,300-acre plantation. Jonathan Chew was the grandson of Nathaniel Chew, one of the oldest pioneers in Gloucester County, having his homestead in Mantua Township.

The front entrance of the house now faces east and the original front door has been moved to the south end to provide a family room.

\*\*\*\*\*

In the early days of the New Jersey colony, the Mantua Creek valley was quickly found to be one of the most fertile and attractive localities in Gloucester County, and was speedily settled. The creek itself was the main avenue of transportation and communication with other settlements along the river and creeks.

The western portion of the attractive village of Wenonah stands on a farm of 180 acres, which, for a century or more, was known as the "Stone

House Farm." It remained a farm until Wenonah was plotted and successfully promoted in 1871.

Mantua Creek forms the southwestern boundary of the farm, and before the coming of the railroad, there were numerous wharves or landing places along its banks, each identified by the name of its owner. On the north side were Hennissey's Landing on the Stone House Farm, with extensive warehouses, and Chew's Landing (where the Woodbury-Mullica Hill road now crosses the bridge). On the south side were Smith's Landing near the foot of the present Norris Street, Carpenter's Landing and others, and also thriving shipyards, including Eastlack's and Norris's, where small sailing vessels called flats and shallops were built to carry to Philadelphia cordwood, produce, and glassware from the Stanger Glass Works at Glassboro, and from its successors, Heston and Carpenter, and the Whitney Glass Works.

Prior to the closing of the eighteenth century there was no bridge across the creek in the vicinity of the present Mantua and Wenonah. The nearest bridge was that of the King's Highway, near the present village of Mount Royal. Beyond that point, the creek could be crossed only by a ford located on the Stone House Farm., about a half mile southeast of the present bridge from Wenonah to Mantua.

Nathaniel Chew was one of the earliest settlers in Gloucester County. He died in 1731, and lies buried in the old Chew Burying Ground, near the late famous Mantua Oak. In his will, Nathaniel Chew left land to his sons, Richard, Jeffery and Nathaniel.

His son Jeffery Chew (1714-1774) became a large owner of additional land along Mantua Creek, which he distributed among his sons. To his son Jonathan he gave 100 acres, "being part of the land I bought of Hannah Rowlinson, along

the line of Abraham Dilks, son of James Cooper." Jonathan Chew added 80 acres to this tract. This tract of 180 acres, later known as the Stone House Farm, was purchased by Robert Sparks, for \$2,000.

On January 1, 1855, Joseph Saunders, executor of Joseph Dilks, conveyed the Stone House Farm of 180 acres in two parts: 75.5 acres to Isaac Stevenson for \$3,510.75, and the other 100.5 acres to Hiram Morgan for \$5,700.

The deed mentions "the contemplated West Jersey Railroad." There are doubtless many who may not know that the course of the railroad through Wenonah was originally much nearer to Mantua Creek than it is now. It crossed the creek at a point much closer to the present Mantua Creek Bridge, and a station, called Mantua Station was located on the south side of the creek for the convenience of that village. Extensive remains of the original embankments may be seen both north and south of Wenonah.

The railroad may have benefited some residents from Mantua, but it caused the immediate decline of the shipping and the shipbuilding business on Mantua Creek. One of the leading shipbuilders, John C. Eastlack, closed his plant soon after, and engaged in the manufacture of pumps.

The late Mr. Howard C. Hendrickson, who lived in Wenonah, and then at the ripe age of eighty-eight, told that 5 acres of ground is mentioned as being the occupation of his grandfather Jonathan Hendrickson (1784-1875) and that his father was born in the old stone house in 1825. He stated that the house was built as a tavern in 1773 by Samuel Moffett, and that it was long known as Samuel Moffett house. It was then on the main road leading to the ford, near its junction with the road leading down to Hennissey's Landing and provided

accommodations for travelers north and south.

It is possible that this 5-acre tract may have been separate from the rest of the farm at the time of its traditional occupancy by Samuel Moffett, and subsequently, reincorporated in the farm.

Henry Roe in his pension papers stated that the militia met in a field here in 1777 to practice, hold meetings and elect officers at the Stone House. The papers also stated the house was kept by a Mr. Sparks.

In later years, the house was the home of Mr. Richard C. Ballinger, from 1891 until his death in 1934, when it passed to his son Edwin. The latter sold it in 1939 to Mr. and Mrs. William E. Manners, who restored it to its original condition. It is now known as 100 South West Avenue.

\*\*\*\*\*

The following summarizes the succession of ownership of the Stone House Tavern property from 1681 to 1967:

- Samuel Groom purchased from Edward Bylling, Proprietor: November 16, 1681.
- Thomas Budd by deed: February 10, 1689.
- William Chester by deed: December 3, 1695.
- Samuel Moffett by deed: 1742.
- Jeffrey Chew by deed: 1763.
- Jonathan Chew by grant or will.
- Robert Sparks by Sheriff sale: May 2, 1779.
- Robert Sparks, Jr. and Thomas Ure Sparks by will.
- Robert Sparks, Jr. by deed: 1813.
- Joseph C. Dilks acquired 5.5 acres by deed separately: 1814.
- James Matlack acquired 5.5 acres separately

by deed: 1825.

- James Matlack by Sheriff sale: 1822.
- Joseph Dilks by deed: 1827 (180 acres bought from Sheriff sale on November 20, 1822 sold as property of Thomas S. Sparks).
- Hiram Morgan by will: 1855.
- George See by deed: 1864.
- George Manger by deed: August 4, 1864.
- Charles P. Ramsden by deed: November 26, 1864.
- Mary Cockran by deed: July 26, 1865.
- James Ramsden by deed: August 22, 1865.
- Samuel See by deed: August 28, 1866.
- Tobias A. Durney by deed: May 1, 1866.
- Mehitable Ann Ramsden by Sheriff sale: March 2, 1867.
- Daniel A. Young by deed, March 25, 1867.
- Peter Kier by deed: March 30, 1867.
- Mantua Land and Improvement Company by deed: March 24, 1871.
- Mahlon Hutchinson by deed: December 5, 1877.
- Mantua Land and Improvement Company by deed: April 17, 1888.
- Ida Leddell by deed: April 27, 1888.
- Harriet M. Ballinger by deed: August 20, 1892.
- Richard C. Ballinger and Edwin H. Ballinger by will: August 24, 1913.
- Woodbury Trust Company, Trustee, by deed: May 26, 1939.
- William E. and Rosa T. Manners by deed: December 15, 1939.
- Webster S. and Audrey Shinn by deed: July 17, 1964.
- Churchill L. and Gretchen W. Blakey by deed: November 28, 1967.

*Researched and prepared by Jean C. Ehlers, past President Wenonah Historical Society, March 1994. Provided by Frank Eggert.*

Volume 9, Issue 3, March 2011

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Once again, I want to thank Larry Smith for stepping up and taking the reins as Editor of this newsletter. Jack Sheppard got a bit "religious" in his expression of gratitude to Larry for assuming this task at the February meeting.

The topic of last month's newsletter was fabulous in its detailing of the history of the Stone House Farm and Tavern. When I first moved to Wenonah, I was surprised and confused by the juxtaposition of this structure and its date of construction (1763). Since then, I have become better versed in its background as well as the history of Wenonah and the surrounding area. The history of the Stone House is reflective of the dynamics of transportation over the years. Stage coaches and shallops for shipping goods and people were giving way to railroads just as Wenonah was being "born."

Thanks go out to Vicki McCall and Lynne Carey for the special Valentines Day themed refreshments last month especially the cascading chocolate "tower." WOW!!!

Also, kudos to Eileen Shanahan and Patty Hrynenko of the Gloucester Historical Society

for their most interesting presentation at our February meeting.

The upcoming March meeting will feature the parts of and discussion on a documentary on the Blue Comet passenger train that ran from Jersey City to Atlantic City during a bygone era. The presenter will be Rutgers professor Roberts A. Emmons, Jr. This should be especially interest to "train enthusiasts" (Lou McCall) of all ages so think about inviting a friend.

Reminder: try to keep the morning of Saturday, May 7, 2011 clear. This is Clean Communities Day and the WHS can receive a grant in the neighborhood of \$300 if we can field of team of 10 volunteers. Last year, we mulched the flower beds around the Community Center/ Train Station. Registration for all groups takes place at 8:30 AM at the Train Station.

See everyone Friday, March 11th at 7:30 PM.

2011 WHS DUES ARE DUE

Just a reminder that the 2011 WHS dues are due and are still a bargain at \$15 per family. The dues can be given to any of the WHS officers.

FEATURE HOUSE  
Samuel M. Jordan House  
by Larry Smith

Many of you know that Sue and I renovated the house at 110 South Clinton Avenue, across the street from the Wenonah Methodist Church. What you may not know ...

- On January 28, 1878, Thomas W. Synnott purchased the lot where the house now stands at the northwest corner of South Clinton Avenue and East Willow Street from the Mantua Land and Improvement Company.
- Twenty-five years later on June 19, 1903, Synnott sold the

lot to Samuel Monroe Jordan, my great-grandfather, for \$700.

- Within a year, Samuel Jordan hired Isaac Pursell, a Philadelphia architect, to design a home for the Jordan family and entered into an agreement with Charles H. Nicholson of Pitman to construct his new house in Wenonah.
- In December 1904, construction of the Samuel M. Jordan house was completed, and 17 craftsmen, suppliers, and tradesmen documented its completion by signing a final release of liens. The cost of the new house was \$3,542.
- Samuel Jordan then moved his family from Alloway Township to 110 South Clinton Avenue. The family and the first five to call the house "home" were Samuel, his wife Anna, and their three teenage daughters—Ada, Olive and Ellen. Shortly thereafter, Samuel's sister Bessie Jordan joined the five, moving from Philadelphia into a room on

the third floor.

- Ada Jordan later married a recently widowed Fred Smith. Fred and his two daughters—Anna and Irene—joined the five members of the Jordan family in Wenonah, increasing the number of occupants of the house to eight. (Samuel Jordan’s wife Anna had died prior to the marriage of Ada Jordan and Fred Smith.)
  - The two sons of Ada and Fred Smith—Frederick Laurenson (my father, Larry) and Orville Duffield Smith—were born in the house and named after pastors of the Wenonah Methodist Church.
  - Olive and Ellen Jordan later taught at Wenonah Elementary School and continued to live in the house until their deaths in 1951 and 1960, respectively.
  - Orville Smith called the house “home” for more than 80 years. All toll, members of my family have spent more than 400 years (and counting) of their lives in the house.
  - My father, Larry Smith married Helen Wilkins (my mother) of Woodbury and lived on the third floor of the South Clinton house from 1940 to after World War II.
  - Three families eventually returned to Wenonah and lived in the South Clinton house:
    - Helen Smith and her children—Larry (me), Linda and Ronald—from California after my father Larry died In 1961.
    - Linda (Smith) and her husband Kevin Todd and their children Jacquelyn, Sarah and Cassie from West Virginia in 1982.
- Sue and I from Texas in 2004.
  - Nine family members died while living in the house.
  - The renovation of the house by Sue and I took approximately 5 years to design, demolish, construct and refurbish, compared to the single year it took Samuel Jordan to design and construct the house originally.
  - In addition to the work that Sue and I did, 11 artists, craftsmen, and suppliers in Wenonah contributed to finishing the renovated house.
  - The house has been in the Jordan/Smith family since it was built by Samuel M. Jordan in 1903-1904. Sue is the 20<sup>th</sup> family member to live in the house. In addition to Sue and myself, its occupants have been:
    - My great-grandfather and great-grandmother (Samuel and Anna Jordan)
    - My grandfather and grandmother (Fred and Ada Jordan Smith)
    - Two grandaunts (Olive and Ellen Jordan)
    - A great-grandaunt (Bessie Jordan)
    - Two step-aunts (Anna and Irene Smith)
    - My father and mother (Larry and Helen Smith)
    - An uncle (Orville Smith)
    - My brother (Ronald Smith), and sister and brother-in-law (Linda Smith Todd and Kevin Todd)
    - Three nieces (Jacquelyn, Sarah and Cassie Todd)
- I wonder how many of the other wonderful houses in Wenonah have remained in the same family for over 100 years.

# Wenonah Historical Society Newsletter

Next Meeting at 7:30 P.M. on

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

I hope those members attending our March meeting enjoyed the excellent presentation by Robert Emmons of Rutgers University. He highlighted two of his documentaries about the Blue Comet and Emilio Carranza. I have both DVDs if anyone is interested. In thanks, I sent Robert a copy of Marjorie Lentz's book on the history of Wenonah and hinted that it could possibly be the subject of a future documentary. Time will tell.

This month our program features Karl Anderson, a local botanist, who will speak about the natural places of Gloucester County. He is well known in New Jersey as a field naturalist, writer and speaker with special expertise in

and Pennsylvania.

Remember to keep the morning of Saturday, May 7, 2011 clear. It is Wenonah's Clean Communities Day and the Wenonah Historical Society will receive a grant in the neighborhood of \$300 if we can field a team of 10 volunteers. Last year we mulched and planted flowers in the beds around the Train Station Community Center and our Borough Hall. Registration for all groups takes place at 8:30 AM at the Train Station.

Also, I became aware of an organization that may be of interest to the Wenonah Historical Society. It is the League of Historical Societies of New Jersey. Their web site is: [www.lhsnj.org](http://www.lhsnj.org). I will be asking if we might benefit by membership in this organization at this month's meeting.

See everyone Friday, April 8th at 7:30 PM!

botany. In the past 30 years, Karl has addressed hundreds of audiences, taught field botany on a college level, worked as a wetland delineator, and has led hundreds of field trips for general nature and botanical study in New Jersey

## KATHRYN RALSTON A WENONAH LEGEND *by Vicki McCall*

Our condolences go out to the Ralston Family. Kathryn was called home to the Lord on March 14, 2011.

We are deeply saddened by the loss of such a wonderful woman. She has been an inspiration to so many of us. She was active in the Historical Society and the American Legion.

Mrs. Ralston taught 4th grade at Wenonah Elementary School for 25 years and was recognized as Outstanding Elementary Teacher of America in 1975—the first ever from Wenonah School. She was instrumental in turning many children into upstanding citizens. She led not only by word, but by example. In 2009, she and her husband Don were recognized as “Wenonah Legends.”

Kathryn Ralston will be missed...

**FEATURE HOUSE**

7 West Mantua Avenue—Howard-Wentzell Building

The construction of “Howard’s Hall” started in December of 1872 and was completed in 1873. The third floor was laid out for a public hall. This was the site of the first public school in Wenonah. In 1877, the YMCA organized and met there. On several occasions, the Deptford Township Republican party had meetings in the public hall. One of the most significant uses of the building was the general store of Walter and Elizabeth Wentzell. The merchandise of the store included feed for horses, ice and newspapers. Abutting the building to the east, the Wentzell’s had an ice cream pavilion.

## FEATURE HOUSE

406 West Mantua Avenue—Tenant House on Stone House Farm

Oral history indicates and suggests that this house was a tenant building on the Stone House Farm, before it was moved from the north side of Mantua Avenue and the creek to its present location. If this is the case, the house predates 1800. It was recorded that the house was used by Daniel Brown as a carpenter and sash shop, and as an office building for the Duell and Perry Canning Factory.

## FEATURE HOUSE

111 North Lincoln Avenue—Stone House Tenant Farm

Colonel Stephen Greene of Philadelphia purchased this “Old Farmhouse” from the Mantua Land and Improvement Company in 1891. Although its actual age is unknown, the house is known to be one of the oldest farm houses here before the formation of Wenonah and a tenant farm house on the Stone House Farm “Plantation.” The house was moved to its present location when the West Jersey and Seashore Railroad was built in 1871. The deed from the Mantua Land and Improvement Company states “No malt

vinous, spiritous or intoxicating liquors shall be manufactured or sold on said premises; that no soap bone boiling, lamp black, varnish, slaughter house, piggery or other offensive trade or business be carried out on said premises.”

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Welcome Spring. Finally !!! What a joy to see all varieties of dogwoods, azaleas, iris and many other trees and plants all around town in their Spring plumage. Our program for this Friday's meeting features our very own Dean Polk. Dean and his wife Christine and their two children, Jeremy and Carly (24 and 21), have been living in Wenonah for many years. Dean is an entomologist with Rutgers Cooperative Extension. His topic will be: Blueberries and the history of their cultivation in southern New Jersey. This fruit has advanced from growing in the wild to become a major component of New Jersey agricultural production. Also, as an added attraction, the topic of our new friends the "brown marmorated stink bug" will be addressed in detail if there exists sufficient interest.

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the  
second Friday of each month  
(except June, July and August)  
at  
the Train Station Community  
Center.

Next month is our annual June Picnic. We will have a sign-up sheet at the meeting for volunteers to bring various culinary items for all to enjoy. Please remember to keep the time and date open: 5:00 PM (not 7:30 PM) Friday, June 10th.

Unfortunately neither our May meeting nor our June picnic will conflict with a Flyers playoff game.

See everyone Friday, May 13th at 7:30 PM!

## SUNSHINE NEWS

*by Vicki McCall*

Please forward any news of a member's illness or surgery to me at [vmccallpc@comcast.net](mailto:vmccallpc@comcast.net) so we can send cards and well wishes. I will forward the information to the newsletter editor.

## 2011 WHS DUES ARE DUE

Just a reminder that the 2011 WHS dues are due and are still a bargain at \$15 per family. The dues can be given to any of the WHS officers.

The following house photos and information have been provided by Frank Eggert.

FEATURE HOUSE  
201 South Clinton Avenue—Stephen Greene House

I know many of you will recognize this house, but some of you will not. Perhaps, coverage from the local newspapers on October 17, 1923 will help.

**FIRE AT WENONAH**

Fire broke out in the handsome home of the Stephen Green estate last evening about 10 o'clock. Flames were seen inside of the building from the front door, and the firemen were summoned. Good work was done and the men were about ready to leave, when the flames were again seen coming from the third story. After pumping again for a short time, the engine refused to work properly, and help from Mantua, Barnsboro and Woodbury was summoned.

The companies made a rush and soon had the fire under control, but there is a heavy damage in the way of badly soaked furniture. The house has not been occupied for two years, but there was a large quantity of valuable furniture stored, most of which is damaged beyond repair. The fire started in the living room, and is believed to be the work of an incendiary.

**WENONAH HOME  
DAMAGED BY FIRE**

Property of Stephen Greene Estate Suffers From Fire and Water—Though to be of Incendiary Origin

“Fire, thought to be of incendiary origin, was discovered last night in the the house of the Stephen Greene Estate, corner of Clinton and Marion avenues, Wenonah, and before it was

*extinguished considerable damage had been done to the house and contents by fire and water.*

*It is said to have been one of the worst that the borough has experienced.*

*The fire was discovered by Joseph Truncer before 10 o'clock, who was on his way home, and seeing a light in the house and knowing that the place had not been occupied as a dwelling for past eight years, he began an investigation and found it to be a fire at the foot of the stairway on the first floor. An alarm was sounded and the Wenonah Fire Department quickly responded and did excellent service although they were greatly handicapped by bursting hose. Students from the military*

*academy rendered service and assisted in carrying some of the furniture from the first floor to a place of safety.*

*The flames were confined to the building and swept up the winding stairway to to the third floor cupola and roof. Fearing that the fire would get beyond control of the local department and spread to nearby buildings a call went to Woodbury and Good Will's three in one and a number of firemen from our (Woodbury's) department went down and they with the Mantua fire company assisted Wenonah ...”*

\*\*\*\*\*

This is the house (or at least half of the house) as it stands today. The other half is right next door at 203 South Clinton Avenue.

Next Meeting at 6:00 P.M. on  
Friday, September 9, 2011

Volume 9, Issue 6, September 2011

## THE PRESIDENT'S MESSAGE

by Charles Horan

Greetings fellow members. I trust you have enjoyed this wet and wonderful summer and have survived recent calamities (earthquake and hurricane) in fine fashion. We now look forward to the 2011 - 2012 Wenonah Historical Society season. The October and November meeting programs are planned (details in the next newsletter). But first things first.

Our September "Meet and Greet Kickoff Classic" is scheduled for Friday, September 9 at 6:00 PM. Sue and Larry Smith have generously offered to open their home at 110 S. Clinton Ave. for this annual event. I ask that attendees bring appetizers and desserts based on the first letter of your last name:

- A through M - please bring an appetizer.
- N through Z - please bring a dessert.

Beverages will be provided.

This event is an excellent opportunity to invite a friend or neighbor who may be a prospective new member of the WHS.

I look forward to meeting again and reuniting after our "Summer Break."

See everyone on Friday, September 9th at 6.00 PM at the Smiths!!!

Thank you.

## WENONAH MEMORIES ON FACEBOOK

There are lots of nostalgic memories being shared on Facebook by the group "You know you are from Wenonah if . . ." There are more than 390 members in the group. Some nice photos have been posted, including one of Margie's, as well as interesting recollections of G. Wayne Post, The Wenonah Swim Club, Wenonah School, The Military Academy, and of course, the July 4<sup>th</sup> parade. Dave Brangan even came up with this idea for July 4, 2012:

*"OK all of you Wenonah folks still living in Wenonah, here is a project for you. At the next Fourth of July, set up a couple of tables in the park, or better yet, in front of the Fire Station, with a big sign: 'Facebook Reunion.' We can all gather there and exchange stories in person!"*

HISTORY OF POLICE AND PUBLIC SAFETY IN WENONAH  
*by Jack C. Sheppard Sr.*

During the formative years following Wenonah's creation in 1871 there was little need or funds available for a formal police department. From old newspaper reports it is apparent most residents had guns for hunting and for personal protection and did not hesitate to use them whenever a threat, perceived or real, manifested itself.

At most there was one person who acted as a law officer or constable. For many years our lawman was John Drummer who later, in 1914, was elected to serve on Borough Council. During the early years before the turn of the century there was very little crime reported in Wenonah. Gloucester County towns were fewer then, separated by considerable open space, and travel was by train, horse or on foot. What crime there was seemed to be caused by hobos arriving and departing on the numerous freight trains passing through town or just walking the rails (proposed DRPA High-Speed Line extension to Glassboro?).

Strangers were viewed with suspicion, usually being called upon to furnish an acceptable reason for being in Wenonah. One report had it that Constable Drummer didn't accept the reason provided by a stranger so he locked him in a boxcar on the rail siding in the center of town with the intent to question him further

when he had time. He apparently forgot about the man until the next day when he returned to the siding and the freight car was gone, along with his lock and the stranger.

One or two people on call seemed to provide all of the police protection necessary until sometime in the 1930's when E. J. Truncer was hired by Council with the title "Borough Marshall." About 1934/35 he was replaced by George Bowker Sr. To assist him, Council took on George Eggert (member Frank Eggert's father) as a patrolman. Patrolman Eggert was eventually replaced by Donald Fiske in that position. Then in 1954 Marshall Bowker retired and was replaced by Walter Hain with the title "Chief" thereby becoming Wenonah's first "Chief of Police". Chief Hain continued to handle Wenonah's formal policing needs utilizing assistance from volunteers when necessary.

On May 14, 1954, Borough Council approved the creation of a volunteer group with the name "Wenonah Police Reserves." State laws at the time permitted such groups to carry weapons and perform public safety functions. The Reserves were trained in the legal aspects and handling of firearms by Jim Conway (father of WHS member Barbara Conway), firearms instructor for the Gloucester County Sheriff's

office. The Police Reserves assisted the chief and his volunteers when called upon to do so, especially during special occasions such as the 4<sup>th</sup> of July and Memorial Day.

This arrangement seemingly satisfied the policing needs of the town until after WWII when the part-time patrolman James Miller was hired full-time to assist Chief Hain. When I moved into Wenonah in the early 1950's all of the policing was provided by the Chief, patrolman Jim Miller and the Reserves. The photograph below shows Chief Hain and the members of the Police Reserve organization at a meeting in Tom Synnott's barn where annual meetings of the Reserve were held.

Over the years the state Legislature imposed more rules, regulations and training requirements on the police volunteers rendering such volunteer police activity nearly impossible. More trained and licensed policemen (and ultimately women) had to be hired. By the time I stepped down as mayor after 1990 the force consisted of Chief Miller, four patrolmen and two police cars. This amount of staffing and equipment was entirely adequate for our police needs satisfying shift-staffing, illness, holidays and vacations as long as the policing was confined to Wenonah. Chief Miller issued standing orders that patrolmen were not to leave town, even disciplining one who did. It was the Chief's belief that

**Wenonah Police Reserve ca 1954.** Front row left to right: Bill Queale, Walt Hain, Charles Frederick, George Bowker Sr., Tom Synnott; back row left to right: Paul Sargent, Barney Lorence, Jerry Hammond, Donald Fiske, Porter Fay, Jim Conway, Tom Shearer, Joseph Toce, George Bowker Jr.

Wenonah's tax base was insufficient to afford the additional costs that would result from "regional" policing. I concurred. Apparently that thinking has now changed as Wenonah's force is considerably larger, routinely responding to calls for assistance from police in adjoining towns. Obviously such outside activity imposes significant additional manpower and equipment costs plus added danger to our officers and increased insurance liability exposure.

Research into past newspaper reports on Wenonah law enforcement activities provide the following items of interest and historic curiosity;

**February 1889** – "A meeting of citizens was held on Thursday night to devise means of protecting against burglars."

**June 1900** – "The question of a lockup is now agitating the public mind. Offenders when arrested at night should not be chained to a post until taken to Woodbury in the morning."

**July 1900** – "Council has taken steps toward establishing a lockup and Mrs. Lashley's barn is to be leased and refitted to that use."

**August 9, 1900** – A report in the *Woodbury Daily Times* advised the construction of a "lockup" in Wenonah saying ". . . it has had a very salutary effect as it has not yet had an occupant. But our evil doers – of which we have very few – will have to keep a sharp lookout for Drummer as he is a determined sleuth."

**June 1901** – "Officer Drummer still keeps his eye on tramps and locks them up overnight if they have any suspicious looks."

**December 1901** – *Woodbury Times* report – Watchman J. J. Drummer "was kindly remembered by the townspeople in the gift of a handsome Smith & Wesson revolver to show that his work is appreciated."

**December 1903** – "Four boys ranging in age from 10 to 14 years were discovered in town by officers Drummer and Chew begging for their supper. They were charged with vagrancy and Mayor Lorence committed them to the county jail for ten days. (Talk about tough love). They claim to have homes in New York."

**March 17, 1904** – *Woodbury Times* – "Officers Drummer and Chew received word to arrest two men who had stolen a gun near Glassboro and were walking up the railroad tracks. Drummer fired several revolver shots at two men who started to run as soon as the officers made known their business. They were arrested and taken before Mayor Lorence who bound one over for the Grand Jury and gave the other ninety days in the county jail."

**March 1904** – "Constable Drummer found a couple suspicious characters loitering around McCormick's grocery about 2 o'clock this morning. They said they were looking for work. Mr. Drummer put them in the lockup until daylight knowing they could not find much work in the dark."

**September 1904** – *Woodbury Times* – ". . . four men were seen attempting to force entrance into the R. C. Ballinger residence. Word was sent to Watchman Drummer. They saw him coming and the only thing he could do was to shoot at them as the rogues fled."

**March 1938** – A delegation of women from the local Woman's Club and the Parent-Teacher Association attended Borough Council with a plea that a daytime traffic officer be assigned to the borough to halt speeding and reckless driving.

**February 1954** – Wenonah Council took steps to provide more adequate police protection with the appointment of a second regular officer.

**November 1954** – Wenonah officials, police and police reserves joined in ceremonies Saturday when the borough’s new police car was placed in service. Attending were Thomas Synnott, president of the Police Reserves, Police Chief George Bowker, Councilman Charles Fredrick, Mayor William Conway, Roland Fay, Assistant Chief Walter Hain, Jerry Hammond, Paul Sargent, George Bowker Jr., Tom Shearer and James Conway.

**February 1958** – Councilman Charles Fredrick announced the Wenonah police headquarters has been set up in the original West Jersey RR ticket office on N. West Avenue. It was used previously as our tax office, Shuster’s Barber Shop and more recently as the Wild Iris flower shop.

\*\*\*\*\*

LETTER OF THANKS TO THE  
WENONAH POLICE FORCE

Take a close look around you...at your own home and those surrounding it.... at the beautiful woods and nature trails that surround this town. Wenonah truly represents one of the few towns that can still boast a sense of community, a spirit of camaraderie, and a commitment to the town and its people. Let us NEVER lose sight of that and let us renew our own promises to enrich this town.

It is in this spirit that I wish to express our sincere gratitude to the Wenonah Police Force. Their presence in this wonderful place we call home is as integral to its essence as the surrounding woods, trails, and homes.

In the 35 plus years we have called this place home, the police have played an integral role in shaping our town, and our children. As a child, I remember the police being not just authority figures, but our neighbors and friends. There was a sense of safety that we have taken for granted.

As parents raising our children here, we are thankful for their presence at the Easter egg hunts, the Fourth of July, at Halloween, as part of the DARE program, as educators for our scouts, and as behind the scene officers who patrol and make sure we sleep safely at night.

For anyone who is not familiar with the Haunted House fundraisers the police department did, they were truly events to be seen! These events raised over \$30,000 for programs to benefit our children.

They are the unsung heroes of our town and we thank them for all they do and trust that they will be able to continue to be an integral part not just of Wenonah’s history, but of its future.

Lou and Vicki McCall and Family

Next Meeting at 7:30 P.M. on  
Friday, October 14, 2011

Volume 9, Issue 7, October 2011

## THE PRESIDENT'S MESSAGE

by Charles Horan

Dear Members,

The hot, humid, and very wet summer season has given way to the cool, crisp autumn weather that makes living in Southern New Jersey such a joy. I would like to again thank our members Sue and Larry Smith for opening their beautiful home for our September Meet and Greet. Although I was unable to attend in person, I was certainly there in spirit.

Our program this month features local botanist Karl Anderson, who presented "Natural Places of Gloucester County" at our April 2011 meeting. Karl has prepared a new program on the history of iron mining in New Jersey will debut it at our October meeting. A glimpse of Karl Anderson's "Iron" follows:

*Iron was the Great Equalizer of the ancient world, and it formed the basis of our civilization today. Traces of the New Jersey iron industry are well known to historians and industrial archaeologists. But what led up to that? This program will present a little of the history, a little about the chemistry, and something about the production of this metal, from its earliest uses in the Near East about three thousand years ago, to the two hundred years or so when its mining and manufacture played a prominent part in the economy of New Jersey.*

There also will be a surprise donation made to the WHS of an artifact that dates back to the old Wenonah Inn. The donors, who are related to original proprietor of the Inn, will be present at our October meeting so that we may recognize and thank them.

I look forward to seeing you Friday, October 14th at 7:30 P.M.

## RECORDING THE HISTORY OF WENONAH

Wenonah is called home by current and many former residents. Two of those former residents Cara DeHart Lewis and Gerard McGarrity have been discussing plans to create a video on Wenonah's rich history as well as the people that have made it into a wonderful town. Cara owns a video production company in Florida and Gerard is a producer in Washington, D.C. for C-SPAN. This past July they interviewed Majorie Lentz about her book and her recollections of the town. On October 14<sup>th</sup>, they plan on talking with former mayor and local historian Jack Sheppard Sr. about the town.

### 2011 WHS OFFICERS

SUNSHINE NEWS  
*by Vicki McCall*

Marjorie Lentz will soon be moving from Manor Care to Pitman Manor. Her main complaints? She does not like getting old and claims she has a lot of work yet to do at home.

Please forward any news of a member's illness or surgery to me at [vmccallpc@comcast.net](mailto:vmccallpc@comcast.net) so we can send cards and well wishes. I will forward the information to the newsletter editor, Larry Smith.

WENONAH  
*Provided by Jack C. Sheppard Sr.*

This [Wenonah] is the name adopted for the new village at Mantua Station, about two and a half miles below Woodbury. The directors have gone to work and in a very short time a surprising change will be seen by those who remember the "truck patches" of that locality. We hear that about 100 acres have been laid out into building lots, 75 x 150 feet each.

The two central avenues, West Jersey and Mantua, are each 100 feet wide. On West Jersey Avenue the railroad company reserves 100 feet in the center and on each side of their reservation will be avenues for carriages and driving of 75 feet width, with sidewalks of 15 feet.

An imposing hotel is now in process of erection. It is to be 45 x 52 feet in dimensions, three stories high with back buildings 26 by 40 feet, and the whole surrounded by a verandah 12 feet wide. Each room is to contain water and gas and be furnished in elegant style.

The hotel is to be on the Doric style of architecture, and surmounted with a splendid

cupola. This hotel is contracted to be finished in June next, at a cost of \$15,000. During the summer about twelve other elegant cottages are to be completed. All the streets, except the two main avenues, are to be 66 feet wide.

The location of this piece of ground is peculiarly adapted for the building up of a suburban village, being high and healthful with pure and cool wells of water for all domestic purposes. It is 65 feet above Mantua Creek and from its summit can be seen the steeples of Swedesboro and many prominent points in the surrounding country.

The name selected for this young village is Wenonah, (Daughter of the West Wind) from Longfellow's "Hiawatha".

The prices of lots have been fixed from \$200 to \$400 and the extensive improvements contemplated by the company have already given to the place an impetus which cannot fail to make it one of the most desirable points along the West Jersey railroad.

Over 600 trees, mostly maples, have already been set out along the avenues. The creek in the vicinity affords grand water power for

manufacturing purposes, which will be at once taken advantage of and converted into use.

From *"The Constitution"* April 19, 1871.

**THE STONE POND GARDEN**  
Information and photos provided by Frank Eggert and Richard Dilks

The Stone Pond was built in 1912, as part of an extensive garden in an apple orchard owned by Dr. William H. Greene, son of Stephen Greene. The elder Greene was a prominent resident of early Wenonah and an original director of the Mantua Land and Improvement Co. The Greene estate included the land between S. Clinton Ave. and S. Marion Ave., extending south from Willow St. to then Greene's Lake along the Monongahela branch. Also included on the estate were the Greene's residence on the southeast corner of S. Clinton Ave. and E. Willow St., a caretaker's house (106 E. Willow St.), gardens, a greenhouse, a peacock walk, a pleasure lake, and a two-story boathouse.

The Stone Pond was "discovered" by the Wenonah Environmental Commission in about 2000, obscured and covered with debris. Supported by a donation from the Women's Club of Wenonah, the Environmental Commission created the first Stone Pond Garden (below) that same year. In 2010-11, the Environmental Commission, again supported by the Women's Club, further improved the pond

and garden (below) by adding a low stone wall, steps, a bench, and numerous plantings of bushes, ferns and perennial wildflowers.

Volume 9, Issue 8, November 2011

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

I hope our members found last month's presentation by Karl Anderson on the history of metals and mining interesting and informative. Our program for this month stems from an article by Bob Shryock in the Gloucester County Times on October 24, 2011

([http://www.nj.com/gloucester/voices/index.ssf/2011/10/bob\\_shryock\\_glass\\_book\\_a\\_hefty.html](http://www.nj.com/gloucester/voices/index.ssf/2011/10/bob_shryock_glass_book_a_hefty.html)). He wrote about Tom C. Haunton, a Pitman native who has written a 438-page book (800+

photos) on the Clevenger Brothers of Clayton and their unique glass

products produced from 1930 to 1999. Mr. Haunton will feature a 30-minute slide show and a "show and tell" of some unique glass artifacts. His book—*Last Links to the Past: 20th Century South Jersey Glass*—will be available for purchase (\$110 for hardbound; \$80 for softbound; plus NJ sales tax). Tom lives in Massachusetts. As luck would have it, he will be in the area next weekend for a presentation at the

Heritage Glass Museum in Glassboro and has agreed to visit our group this coming Friday evening.

I look forward to seeing you Friday, November 11th at 7:30 PM. We should have a good turnout and an interesting presentation.

## MARJORIE LENTZ AND RACHEL KNISSEL

Marjorie Lentz has joined Rachel Knissel at Pitman Manor. Their address is:

Pitman Manor  
535 N. Oak Ave.  
Pitman, NJ 08071

Marjorie is in Room #314-C. Rachel is in Room #HC-304-B.

## CHRISTMAS PARTY DECEMBER 9, 2011

Pat Sole is again organizing the WHS Christmas Party. This popular event will be held the evening of Friday, December 9th. Social hour will be from 5 to 6 PM, and dinner will start at 6 PM. As in previous years, the Telford Inn will cater and we will have an optional gift exchange. The cost remains at \$20 per person. Pat needs to know who will be attending by the middle of November. Please let her know this Friday at our November meeting or call her at 856-468-6661.

### 2011 WHS OFFICERS

If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, please let Larry Smith know at [smithlr@att.net](mailto:smithlr@att.net).

## WENONAH AND THE MILITARY ACADEMY

*By Marjorie Lentz*

It all started with a meeting of businessmen at the "New Mantua Station" of the West Jersey Railroad Company.

This station was built about 1866 when the railroad company straightened the tracks which at that time were on a track bed running past Wenonah Lake, south on what is now Jefferson Avenue, crossing the Mantua Creek on a bridge at a point now known by most kids in town as "Clay Hill".

At a meeting during 1869 in the New Mantua Station the men agreed to pool their money and buy 5 farms surrounding the station. These are the lands on which they intended to build a town. The Historical Society has a scrap of paper dated 1869 on which it is noted "we will name the town "Winona". That name is crossed out and the word "Wenonah" substituted for it. For those who may not know, Wenonah is a Santee Indian name meaning a first-born daughter.

The men formed a company named the "Mantua Land and Improvement Company" which was authorized to lay out streets and roads, build a hotel and start selling building lots.

The first building constructed was the Wenonah Inn hotel, built in 1870-71 and opened in the spring of 1872. From that time forward many people from Camden and Philadelphia came to the hotel by train and Wenonah was considered to be a summer resort.

In the interests of time I will skip ahead about 30 years to the year 1903. By this time Wenonah was able to exist on its own with a fairly sizable population, a permanent government, stores, a school, and the hotel. But the hotel was having financial trouble and was forced to close. Some said it was the automobile that allowed people to go where they wanted to, much more conveniently than on the train.

Though the automobile forced the closing of the Wenonah Inn, a new era opened in Wenonah. Major J. R. Jones, former head of the drill team sponsored by the John Wanamaker Store, Philadelphia, riding past the vacant Wenonah Inn, conceived an idea for the use of the facility. He quickly relayed his plan to owner Stephen Greene.

On September 20, 1904 the Wenonah Military Academy opened.

In the rooms that formerly accommodated hotel guests who were mainly interested in dances and fine food, the rooms now accommodated cadets interested in horsemanship and higher education. Hotel rooms were converted to classrooms, dormitories, a library, a chapel and an infirmary, although a communication to parents hinted the infirmary would rarely be used.

The first officers of the Wenonah Military Academy were Stephen Greene, President and owner, Dr. William H. Greene, Vice-President, son of Stephen Greene and known internationally as a scientist, Dr. H.A. Stout, treasurer and Major J.R. Jones, secretary. On the Board of Counsel were the Rev. Raymond H. Gage and Thomas W. Synnott. Captain Percy C. Jones was commander of the cadets.

Although Wenonah was accustomed to the social activities of the Wenonah Inn during the summer, the Wenonah Military Academy kept the town hopping during the school term. The first month the Academy was opened, there were a reception and dance for two hundred people, a skating carnival on Warner's Lake with hundreds of lighted lanterns, a minstrel show, a house party and numerous football games. This was the beginning of a social whirl that kept Wenonah spinning for the next thirty years. Wenonah residents were invited to band concerts, glee club performances, drama productions, and horsemanship exhibitions. Local girls vied for invitations to dances and on Sunday the whole town turned out for full-dress parades and cadet drill demonstrations.

During the presidency of Dr. Charles H. Lorence, the Wenonah Military Academy reached its peak with an enrollment of 200 cadets who came from as far away as California and Cuba. Upon the death of Dr. Lorence, Major Clayton A. Snyder assumed the presidency. For 23 years Major Lloyd L. Lammert was headmaster and athletic director. Other key members of the faculty included Captain Thomas A. Clingan, instructor in mathematics and Mary Bilderback, instructor in instrumental music. Dr. Thomas J. Mulvey was director of advertising. Cadets enrolled in the classical, Latin-scientific, or English-commercial courses. Military science included instruction in rifle practice, infantry drills,

horsemanship and military discipline. Horsemanship instruction was \$100 extra, but it included the rental of the horse.

In an advertising brochure, the Wenonah Military Academy emphasized that it had “. . . established as its guiding principle the formation of moral character, the teaching of respect for authority and the strict adherence to the fundamentals of a sound academic and business education.” The brochure emphasized also that Wenonah has a “quiet seclusion” and is “sufficiently removed from the dangerous enticements of the city” and yet is “within easy reach of Camden and Philadelphia on the West Jersey and Seashore Railroad.”

Also “Wenonah is an entirely residential town with no factories. It has its own entirely independent sanitary drainage system.”

And especially directed to parents the Academy advised that “the sale of intoxicants within a mile of the Academy is absolutely prohibited by law” and “the town has a marked freedom from sickness and disease.”

In 1913 the annual charges of \$600 included “tuition, board, heat light, twelve pieces of laundry and mending of underclothing.” Tuition doubled during the years but included “table linen, pressing and use of firearms.” However this charge did not include the \$250 cost for a uniform. During the 30 years of Academy existence the uniforms changed from time to time but typically the cadet wore a uniform of grey with various kinds of adornments. The dress uniform worn by cadet Le Grand Reeves was the first style as he was in the first graduating class in 1906. Another style was worn by the school teaching staff and they were similar to U.S. Army uniforms. The cadet officers’ full dress uniform included a sword, sash and shako. By 1916 there was a waiting list as every available space is filled.”

Although military discipline soon earned the Academy the name of “The West Point of South Jersey,” athletics brought fame to the school. On Stephen Greene’s athletic field where the

grandstand held 500 spectators, cadets ran a quarter-mile cinder track, played football with prep schools like Malvern, Seton Hall and Pennington, played baseball and practiced horsemanship and military tactics. A twelve-acre field along Glassboro Road was used for polo and lacrosse. Golf was played at the Oak Valley Country Club, sometimes referred to as the Wenonah Country Club or, originally Altwald Golf Links, which was situated in a wooded area off Ogden Road. The word “ogden” is derived from the Swedish word meaning “valley of oaks.”

On the Wenonah polo field along Woodbury-Glassboro Road one polo team defeated a team from the West Point Military Academy. Many graduating cadets gained recognition on college teams and Herbert J. Pennock, who became a major league pitcher, is named in the Baseball Hall of Fame in Cooperstown, N.Y.

In addition to the former Wenonah Inn, the Wenonah Military Academy occupied the Charles H. Lorence Cottage which housed senior cadets and the Clayton A. Snyder Cottage which housed junior cadets. A drill hall was built behind the Academy

and it was claimed to have the largest floor space of any gymnasium in South Jersey. It was large enough to drill an entire battalion, and of course, to accommodate the dances. At one mid-term reception six hundred people attended and danced. A stone wall was added

fronting the academy (still there) and in 1916 the building formerly housing the Wenonah Inn’s bowling alley was converted to a science laboratory.

After the games and dances the cadets escorted their guests to the Wenonah Drug Store and to Walter Wentzell’s store for sandwiches and ice cream.

In September 1935 Dr. Charles H. Lorence announced that the Wenonah Military Academy would not be open “because of economic reasons.”

And now all we have are written records, photographs, some uniforms and swords, and many fond memories.

Next Regular Meeting at 7:30 P.M. on  
Friday, January 13, 2012

Volume 9, Issue 9, December 2011

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

Happy Holidays to all! To those who have reserved a seat at our Christmas dinner and gift exchange, I look forward to seeing you on Friday, December 9<sup>th</sup> (5:00 P.M. social hour; 6:00 P.M. dinner). To those who are not attending the dinner, I hope to see you at our first meeting of 2012, which will be on Friday, January 13<sup>th</sup> at the Train Station Community Center. Our presentation will be "Wenonah before it was Wenonah."

If you need that special holiday gift, consider one from the Wenonah Historical Society. Selections include Wenonah canvas carry-all bags, Wenonah Christmas tree ornaments, and beautiful framed photos of local landmarks such as the Train Station. Please call Pat Sole (468-6661) to purchase or inquire about an item from the WHS store.

And, if you need a New Year's resolution, why not resolve to bring a neighbor to one of our meetings in 2012. That should be a easy resolution to achieve.

## ELECTRONIC NEWSLETTER?

If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive sooner, reduce our printing and postage costs, and if there is something in color (such as the photo below), you will be able to see the colors.

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the  
second Friday of each  
month  
(except June, July and  
August)

*Charlie Horan rings the bell from the Wenonah Inn.*

## Wenonah's Water (1885–1945) *by Larry Smith*

The following chronology provide's a glimpse of the history of Wenonah's water, which began with the organization of the Wenonah Water Company in 1885. The initial water system included galvanized pipes, a single well, and an experimental fire hydrant at the corner of East Mantua Avenue and North Clinton Avenue (Marjorie K. Lentz, *Wenonah*, 2009). Water conservation was documented as early as 1891, with restrictions on lawn watering. Wenonah's first water tower---a 100-foot standpipe--- was constructed in 1894. Meters were

installed in 1909, and the "rent" on water was raised from \$15 to \$21 per year in 1913. By 1936, the water system reached all but 22 of the 368 potential customers in the Borough.

For the most part, the chronology has been compiled verbatim from newspaper articles contained in the archives of the Wenonah Historical Society and the official records of the Borough's government (Jack C. Sheppard, Sr., *Information about Wenonah*, 1991).

**April 15, 1885** – “The movement to secure a water supply for the Borough has been revived.”

**July 1, 1885** – “In the opinion of the best informed our town will before long enjoy the luxury and advantage of water works. A preliminary meeting has been held at which the matter was fully discussed. It is proposed, if sufficient ‘water takers’ can be got, to go on with the organization, buy the land and water supply, procure estimates as to cost of reservoir construction and machinery, and make the basis of business a capital stock of \$25,000.”

**July 15, 1885** – “Water works are among the early probabilities. Last Thursday the ‘Wenonah Water Company’ bought 21 acres of land included in which are the ponds from which will be drawn the water for supplying the Borough. One of the conditions of the sale was that the purchaser should carry out the project of water works.”

**August 19, 1885** – “The Wenonah Water Supply Company has organized by electing Stephen Greene, President and Dr. Geo. W. Bailey, Secretary and Treasurer. Plans and specifications have been prepared and the work will at once be proceeded with.

December 1<sup>st</sup> is the time to which the Wenonah people look forward for an unlimited supply of pure and wholesome water, which they will take plain. And yes, if Woodbury gets its water supply, as it is confident it will, our Wenonah neighbors would not be doing a bad thing to draw from a common supply.”

**June 4, 1891** – “The water company has issued a circular to our many citizens containing new rules and regulations governing the use of water. The circulars read---no lawns to be watered either with sprinklers or by hand except between the hours of 4 to 8 in the morning and from 4 to 8 in the evening.”

**March 21, 1894** – “The Wenonah Water Company intend on increasing their water supply and are erecting a stand

pipe to be 100 feet and to be situated at the north end of the borough.”

**June 5, 1894** – “The first carload of iron (plates) for the new stand pipe in Wenonah arrived last Saturday.”

**June 27, 1894** – “Nine sections of the new Wenonah Water Company stand pipe have been put up, the men not stopping even in the very hot weather of last week.”

**July 25, 1894** – “The new stand pipe of the Wenonah Water Co. has been completed and has been filled with

water. We anticipate a test on Wenonah plumbing when the water shall be turned on with the added force over the old service.”

**November 14, 1894** – “The West Jersey Railroad Co. have purchased of the Wenonah Water Co. their old tanks and are moving them to Elmer.”

**December 6, 1894** – “The Wenonah Water Company are boring several artesian wells, and erecting a large pumping and engine house in the glen near the lake.”

**June 6, 1903** – “The Water Company is drawing off the lake at the pumping station, as a precaution, that in case the drouth keeps up, and the seven 8-inch artesian wells should become insufficient to supply the demand, fresh

water could be gotten from the lake. It seems that this is very unlikely, as they never have as yet, but the precaution is a wise one.”

**January 10, 1906** – “Water superintendant Price reports that 16,000,000 gallons of water have been used here the past year, making over 200 gallons to each of the 600 inhabitants. There are now being pumped about 1500 gallons each 24 hours.”

**May 16, 1906** – “The Bond Committee, composed of the following gentlemen, T.W. Synnott, E.A. Smith, H.A. Stout, W.P. Cox, R.C. Ballinger, H.S. Leap and J.M. Colbert, appointed by Borough Council to investigate and report as to the advisability of bonding the Borough to purchase the water works and establish an electric light plant in connection therewith, met in council chamber last evening, and, the sentiment of the committee was

*Wenonah's 100-foot high standpipe.*

strongly against such action. Dr. Stout was made chairman, and stated that the matter should be thoroughly investigated as it had been brought up at different times for several years past and that he had heard several taxpayers express themselves as favoring it and several who did not, and presented figures to show the present income from the water plant.

"T.W. Synnott stated that the plant today stood the water company in \$44,000.00 but that they would sell for \$30,000.00 and as a stock holder he would be glad to dispose of his stock at those figures, but as a member of the committee, he was not in favor of the town buying.

"The probable expenses of operating the plant were found to exceed the income from it.

"R.C. Ballinger stated that he thought the purchase inadvisable unless the principal could be reduced at least five per cent, per annum, and offered the following resolution, which was carried without a dissenting vote.

"That the committee deem it inadvisable to bond the Borough for the purchase of the water plant and establishing an electric light plant in connection, at the present time."

**July 13, 1906** – "The pure artesian water which has always been an attractive feature to home seekers and residents here has been so bad for the last two weeks that it is unfit for any use, and pumps around town are having runs upon them like a bank in time of panic. Just what the trouble is seems to be a mystery to those in charge and the stand pipe is being emptied today to see if the new coat of paint recently applied to the inside is responsible. One of the most plausible theories yet advanced is, that one of the iron well pipes has a crack in it large enough to admit the sulphur water from the marl beds through which the wells are driven, as the odor of the water is identical to that of the marl taken out of the wells at the time they were dug. It is reasonable to presume that the Water Company will make every effort to speedily locate and remedy the cause, whatever it may be, as their service has always been of the best in the past, and as management has had a practical demonstration that virtue, patience, has about become exhausted on the part of several residents, an improvement may soon be expected."

**November 5, 1909** – "In order to make an equitable charge for water, the Wenonah Water Company will place water meters on the premises of all water takers, charging according to amount used upon a minimum basis. The installing of the meters will be done during the present month and the meter rates will commence January 1<sup>st</sup>, 1910."

**July 3, 1910** – "No one need go dry now as our public fountain is in order and has received a new coat of paint and looked fine on the '4th.' We also see that there is a cup placed there for all persons wishing to drink of Wenonah's cool artesian well water."

**March 31, 1911** – "The Wenonah Water Company offers to rent its plant to the Borough of Wenonah for the sum of two thousand dollars (\$2,000) per annum, payable semi-annually for the period of ninety-nine years, the Borough to operate the plant and pay all expenses, including taxes, extensions, etc."

**April 20, 1912** – "A sample of the Wenonah artesian water, can be seen in the Times window. It was drawn from a faucet in the kitchen of Postmaster English's house and has not been filtered.

"Wenonah has six wells about 128 feet deep, and the machinery is as good today as it was 17 years ago. All the wells have a splendid flow. Wenonah water has brought many people to that place as residents."

**September 3, 1912** – "Now that we own our own water plant it's right that we have an efficient one, and to get this it takes money, but it will pay in the long run. It will take at least \$10,000. We should take up all the mains less than four inches, take out all dead ends, put in a new eight inch well and change our plant so it can be run cheaper by installing an oil burning engine. This is a matter for the citizens to take up; not Council, as the citizens bought the plant. But no doubt Council will help, as they are up-to-date and will be ready and willing to have an up-to-date water plant. We regret Council is hampered by the lack of money, in making these extensions. It is also wrong for Council in making extensions by following after the old water company. If they continue to do this in later years it will take thousands of dollars to put things in shape."

**May 15, 1913** – "It is reported that an ordinance regulating the operation of the Borough's water plant has been introduced in Council and was passed first and second reading at the meeting of May 8<sup>th</sup>. It is understood that if this ordinance becomes effective the water rent will be raised from the present rate of \$15 per year minimum to \$20 per year minimum and that the allowance of 50,000 gallons per year will remain the same. In addition to this it is said that \$1 per year will be charged each year for the use of the meter, making the total rental per year \$21 in place of the old rate of \$15.

"If this ordinance is passed at the next meeting of Council it will undoubtedly become effective at once, in which case it is presumed that bills for an additional quarter will be received by the consumers this year.

"It is not thought that this increase will be extremely popular as one of the chief arguments advanced in favor of the Borough purchasing the plant was that the citizens should secure the plant themselves and thereby protect from any increase in the yearly rentals. It seems to be the general impression however that this increase cannot become effective until sanctioned by the State Board of Public Utilities Commissioners."

**August 4, 1913** – "The stand pipe, after being painted, looks much better and increases in a way the beauty of the town. The color, as it is now a dark green within five feet of the top, and the other five feet being white, harmonizes with the surroundings."

**January 6, 1916** – "The new pumping station was opened for inspection on January 1<sup>st</sup>, from 2 to 4 p.m."

**January 7, 1916** – "According to the Engineer's reports there was 20,601,440 gallons of water pumped during the year (1915), an average of 1,716,786 gallons per month and 56,442 gallons a day. Based on our census of 1915 which gives our population as 840, this would mean that the average consumption of water per capita would be 67 gallons per day or 24,455 gallons per year."

**August 13, 1916** – "The inspector from the State Department of Health was down Friday morning to inspect the new artesian well, which has a depth of two hundred and sixteen feet. He filled a bottle with water from the well, sealed it, and shipped it to Trenton."

**February 16, 1920** – "Sealed proposals for painting the stand pipe 15 feet diameter by 100 feet high at Wenonah, N.J., will be received by the Water Committee of the Council of the Borough of Wenonah, in the Council Chamber at the Fire House in said Borough on Tuesday, March 2, 1920, at 7:30 p.m."

The outside and inside of the stand pipe to be scraped and wire brushed, removing all scale and rust therefrom, after which there shall be applied one coat of paint or iron coating on the inside of the stand pipe and two coats of paint on the outside of the stand pipe."

**May 26, 1923** – "A special session of the Wenonah Borough Council was held last evening and action was taken whereby the borough will supply Mantua with water for domestic purposes. The matter will be referred to the Public Utility Commission for approval but the borough under the circumstances has anticipated their approval, and a pipe has been laid, above ground, connecting the Wenonah water service with Mantua service pipe."

**May 31, 1923** – "Until further notice water for household purpose may be used without restriction."

"Water for sprinkling and other use may be used from 7 A.M. to 12 noon daylight saving time. You are urged to use water for real need only."

**August 15, 1925** – "George S. Miller & Co., of Pitman, were awarded the contract for laying of water mains for the Borough of Wenonah by the Borough Council of that place and the solicitor was authorized to draw up the contract."

"The work to be done on Mantua avenue consists of laying 6-inch water mains from Clinton avenue to a point 75 feet west of West Jersey avenue, and from Princeton avenue to Woodbury avenue. A 4-inch main will be laid from Garfield avenue to Hayes avenue."

**May 15, 1926** – "Steps to relieve the present condition of the Wenonah water plant and the low pumpage of the artesian wells were taken at the regular meeting of the borough council last night. Council was told of the present needs of the plant by Mr. Kauffman, an expert engineer in that line."

"Mr. Kaufmann, who has made a preliminary survey of the water system in the borough, said that the most important thing to be done was to have the wells blown as they were exceedingly dirty, this being the cause of the shortage of pumping. He said that some of the wells were twenty-five years old and that they had not been cleaned, according to records for seventeen years."

"Another cause of the hard pumpage encountered is the fact that the water strata throughout the state has lowered because of the demand for artesian well water. Mr. Kaufmann said that he felt if they were properly cleaned it would solve the problem. In relation to the fact that the water is of a rather milky nature, Mr. Kaufmann said that this also was probably due to the dirty wells."

"He also recommended placing of a water meter at the water plant to measure the water pumped, as well as suggesting several minor remedies that would result in the lowering of the cost of pumping."

"Councilman Morrell reported that he had received a price from Reidpath and Potter for the blowing of the wells. The price quoted was \$3.50 an hour for two men and equipment, borough to furnish fuel and water. Minor details will raise this cost somewhat."

"A motion was then carried that the Water Committee let the contract for the blowing of the wells and to employ engineer Kaufmann to supervise the work and to make further changes."

**August 10, 1928** – "Water Committee advised Council of the serious condition of the water pumping facilities, one

steam boiler is broken down and useless, and advise in their opinion Council should replace the old steam boiler with a diesel motor and new pump."

Council authorized an emergency purchase of a 40 horsepower diesel engine and 500 gallon per minute pump.

**May 9, 1931** – "An offer of \$500 for the purchase of a privately owned water main on Maple avenue was authorized in a resolution adopted last night by Wenonah council. It was adopted on the recommendation of Councilman Knollin Cox, chairman of the committee that has been investigating the purchase.

"The four inch main is approximately 1400 feet in length and serves nine properties at the present time. It is owned by T.W. Synnott and T.W. Townsend.

"The borough desires its purchase in order to provide fire protection to residents in that section of the borough. The installation of 110 feet of main to connect with the section it is proposed to purchase was also authorized by council."

**June 10, 1933** – "The borough of Wenonah will fight against compliance with an order issued by the State Board of Health for the installation of a chlorinator at their water pumping station.

"This decision was reached last night by council, after Councilman Knollin Cox, water committee chairman, reported receipt of the state order, which requires installation of the apparatus by July 15 in order to improve the water supply.

"The order, together with all previous correspondence between the borough and the state department, was referred to Borough Solicitor Oscar B. Redrow.

"I don't know what to make of it,' Cox said. 'Their laboratory reports on samples of water taken from our system show the water to be free of contamination, and then they send us this resolution ordering a treatment for purification of the supply, declaring the water not fit for consumption. It's all d \_ \_ \_ poppycock.'

Tests of water made recently by chemists hired by the borough water department have shown the water to be free of contamination agreeing with last state analysis received by the borough.

"According to Cox, he was told last January by representatives of the state department that 85 per cent of the water supply in the state was chlorinated and that it was the department's aim to have all water given such treatment.

"Test taken at that time showed no contamination and the regular April quarterly report was also satisfactory."

**July 11, 1936** – "Only 22 water services in the entire borough are not connected and Wenonah has reached a new high in water customers with a total of 346, Councilman Knollin B. Cox, chairman of the water committee, reported at the regular meeting of council last night."

**March 5, 1945** – "Wenonah dedicated its new 12-inch well Saturday with appropriate ceremonies.

"Councilman Knollin B. Cox, chairman of the water committee, called on Rev. Carlton N. Nelson, pastor of the Wenonah Methodist Church, for the invocation. Mr. Cox then introduced A.C. Schultes, the contractor, and Charles Mickle, who did the electrical work, and called on Mr. Mickle to unlock the pumping house and turn the key over to the borough clerk, Charles M. Hobson.

"Mr. Cox then addressed the councilmen and citizens present, explaining the many steps taken from the time of the well's inception, first securing the permission of the State Water Policy Commission for the right to drill the well; then the numerous details necessary to be submitted to the State Board of Health as to plans and specifications drawn up by Borough Engineer Wm C. Cattell and County Engineer Wm H. Baum.

"Then the final approval of the State Board of Health as to equipment and careful analysis of the water supply. All of which passed the test and on February 13, 1945 the State Board of Health notified the borough of their full approval as to plans and specifications and that the water was free from contamination of any kind.

"Mr. Cox then called on Joseph E. Truncer, who started the wheels in motion of the original steam pump of the old Wenonah Water Co. on July 5, 1896, to throw the electric switch of the new electric pump controlling the 12-inch well, 320 feet deep and capable of pumping 600 gallons per minute.

"Mayor William I. Conway and ex-mayor H. Lake Gilmour then threw the electric motor controls and the citizens of Wenonah began to receive the first water from the new well.

"The borough is now in a safe position as to quality and volume of water for years to come. And the well is completely paid for from accumulated funds of the water department without any additional expense to our taxpayers."

Next Meeting at 7:30 P.M. on  
Friday, January 13, 2012

Volume 10, Issue 1, January 2012

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

I wish a Happy and Healthy 2012 to all of our members. Try to remember that resolution to invite a neighbor to one our meetings in 2012.

The program for January 13, 2012 (described below) promises to be informative, entertaining and the topic is very close to home.

I want to thank Larry Smith for producing this newsletter over the past year. He does a very nice job with a difficult task. His December article on "Wenonah Water (1885 - 1945)" may have seemed a bit "dry" to some but municipal water and sewer services are the unglamorous infrastructure vital to the existence of any town.

### **Before There Was Wenonah ...**

The community of Wenonah was founded 141 years ago and the history of this charming town is a rich and fascinating one. But, occasionally all of us have all wondered about what was here before there was a Wenonah—before the lovely Victorian homes and grid of peaceful tree-lined streets, and before the directors of the Mantua Land & Improvement Co. came and chose this place as the site for the planned community that has endured and become our home.

For our January program, Richard Dilks—a life-

long Wenonah resident—will present Before There Was Wenonah:

The past is a vast territory to explore. In Wenonah's most distant past, its land was part of a supercontinent, then the floor of a shallow sea at the end of the age of dinosaurs. When men and women first came here 12,000 years ago, our town was part of a subarctic tundra where the now extinct mega fauna grazed. For thousands of years the Lenni Lannapi people lived peacefully in our region and have left behind their trails and artifacts to remind us that they too were here. In the 17<sup>th</sup> century, European powers—Holland, Sweden and Great Britain—sought, won and eventually lost colonial empires here. The American Revolution swept through this one square mile that would become Wenonah and the men who lived here played their parts in that struggle. We will explore not only what was here in Pre-Wenonah's ancient past and

colorful history, but what was here in the final decades before 1871, and what remnants of that time still survive in our town today. Join us on this journey through time and discover what was here before there was Wenonah.

Thoughts about Leaving Wenonah  
by Marjorie Lentz

December 30, 2011

Over fifty years ago my husband Bob and I moved to Wenonah and immediately we were earmarked as an odd couple. We did not own a car. Everybody in Wenonah had one. As Bob often said that it was not that we could not afford a car, but that it was not needed in Wenonah.

It was only a hop and a skip and jump to walk up the street where squeezed together were a meat market (Tony Sacca's), a grocery store (George and Jane Bowker), a post office, a barber shop (Oram Shuster), a haberdasher (Wayne Post) and a notions store (Southard's). Every town should have a notions store and Wenonah had one. The best part of walking uptown was that you met other people walking and you were able to socialize. That was the way you met people in Wenonah.

Eventually we had two boys who attended the grammar school where they walked home for lunch. Because we probably lived the farthest distance from the school, they often had to run back before the second bell rang. The teachers were stern and that was all right. Because of the solid foundation in learning they received many students including our sons went on to secure advanced degrees.

The best part in living in Wenonah was the opportunity to share your talents. Volunteerism was a way of life. Every one had an opportunity

whether it was coaching baseball, hacking trails along the Mantua Creek, reading stories to children in the library. With all the many clubs in town there were lots of ways to volunteer.

Another of the rewarding aspects of living in Wenonah was the diverse population. People came from all parts of our country and shared their stories which enriched out knowledge.

Now at 96 years and with limited mobility I have had to adjust to a new way of living in Pitman Manor. I miss my home and the woods and the frequent deer that visited our property.

Frequently there were three deer but one

morning there were eight.

Living here has been a big step for me. However with your frequent visitations and communications you have helped me with the transition. Thank you

Jennie McQuaide gave me a book containing about three hundred pages. The book is

currently empty. Jennie suggested that every day I write something for which I am grateful. So on the first day of 2012 I will begin. First I am grateful that I spent my mature years in Wenonah where I took time out to volunteer, where I could enrich my life by contact with diverse people. With your assistance and helpful thoughts I will learn to adjust to a new way of living.

Oh, yes, we did eventually purchase a car. I forgot to mention that.

\* \* \* \* \*

*The following house photos and information have been provided by Frank Eggert.*

**FEATURE HOUSES**  
5 North Clinton Avenue and 8 West Mantua Avenue

The house at 5 North Clinton Avenue was built in 1873 by the First Presbyterian Church (now Memorial Presbyterian Church). The building at the rear of the original church, as shown in the photograph below, was moved to 8 West Mantua Avenue in 1883. It has housed various enterprises over the years, including the Lutheran Church, and is now September Rose Studio.

Next Meeting at 7:30 P.M. on  
Friday, February 10, 2012

Volume 10, Issue 2, February 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

I hope everyone is enjoying the warmer than usual weather we have been blessed with, and hope that I am not jinxing things by making such a comment.

Many thanks to Richard Dilks for his comprehensive presentation about "Wenonah Before There Was Wenonah" in January.

For this month's program, Vice President Paul Lader will be presenting the History Channel documentary on the Andersonville Prison and Trial of Captain Henry Wirz. Henry Wirz was the commandant of Andersonville prison during the War between the States and the only Civil War officer to be tried and executed for war crimes.

Please come out this Friday, February 10th at 7:30 P.M. and shake off a little of that "cabin fever."

## ELECTRONIC NEWSLETTER?

If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive sooner, reduce our printing and postage costs, and if there is something in color, you will be able to see the colors.

## UPDATE ON THE WENONAH VIDEO PROJECT

With the holidays over, work has resumed on the Wenonah Video Project. Jack Sheppard Sr. gave a wonderful presentation that was captured on video chronicling Wenonah's history. This segment is being edited and has a tentative completion date of March 31, 2012.

Cara DeHart-Lewis and Gerard McGarrity, who are coordinating the video project, had the opportunity to attend the WHS meeting in October and gathered more potential names to interview this summer. A big thank you to Lisa Flowers who sent them a videotape containing footage of the Wenonah Parade. If you have old film/video of the town or parade or questions, please contact them at: [gerard\\_mcgarrity@yahoo.com](mailto:gerard_mcgarrity@yahoo.com) or [cardehlew@yahoo.com](mailto:cardehlew@yahoo.com).

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

## REFRESHMENTS

Instead of soliciting volunteers for the entire year at one time, Jo Dominy will ask for volunteers to provide refreshments at the next meeting. If you would like to volunteer for the March meeting, please advise Jo at the meeting on Friday or give her a call. You will be reimbursed for the refreshments.

## 2012 WHS DUES ARE DUE

Just a reminder that the 2012 WHS dues are due and are still a bargain at \$15 per family. The dues can be given to any WHS officer.

*The following article was provided by Jack C. Sheppard Sr. The source of the article was the 1909-1910 Catalogue of the Academy, published by Stephen Greene just five years after the Academy opened. Greene was the founder of the Wenonah Military Academy and a successful printer in Philadelphia. His publications contained a great deal of information about the functioning of the Academy, individual cadets, and benefits to parents considering sending their sons to the Academy.*

## THE WENONAH MILITARY ACADEMY

### The Kind of Boy We Want

We are desirous of welcoming boys who are imbued with manly hopes and ambitions. Wenonah Military Academy is essentially a school for gentlemen's sons. We want only boys and young men who will work during study time; who will play, and play heartily, during play time; boys who will at all times be high-toned, courteous gentlemen. With such material it is a teacher's greatest happiness to get at the boys and instill ideals and principles that may guide them through life. The teachers enter into all the interests of the boys, and seek to develop their best potentialities on every side.

Typical Cadet Room

Self-government is, we are sure, the best of all governments in the junior republics as well as the great ones. So far as possible, then, we try to foster this expression of the principles that we inculcate. We believe that American boys need a stronger and more defined system of self-government than other boys. Often they are more indulged at home, and as a whole are rather less tractable. Hence we have adopted the military system, with its steady regularity and

impartiality, its wide room for gradation of responsibilities, its traditions of fidelity to honor, and its forcible appeal to imagination. We trace its permanent influence in the after-careers of our graduates, which proves that an *esprit de corps* in school life is of priceless value. In maintaining the hold over boys, we place the greatest dependence upon the close touch and cordial relations between teacher and pupil; the master insisting on a firm, dignified and systematic classroom discipline, the pupils showing proper obedience and deference without familiarity.

### Moral Culture

As the moral development of a Christian character is a matter of first importance, care is taken that the boys committed to the charge of the institution shall become Christian gentlemen and shall be trained to lead a godly and Christian life.

Devotional exercises, at which all must be present, are conducted daily. On Sunday, the students in a body, accompanied by the Superintendent and his associates, attend public worship once at least in some church, and as nearly as may be in accordance with the denominational preferences of the parents. Other exercises suitable for the Sabbath are held in the Academy itself, the intention being to make the home a Christian one, but free from all sectarian bias.

The moral training of the establishment is practical and corrective, and will positively arrest all practices and habits that are of an immoral character and tendency. Especially will it deal with profanity, obscenity, and the use of intoxicants and tobacco in all their forms; also any form of *hazing is positively prohibited.*

Volume 10, Issue 3, March 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

Many thanks to our VP Paul Lader for his most interesting and moving presentation at last month's meeting of the WHS. Having the main character of the documentary as a member and present that evening added to the appeal of the presentation. Terrific acting job Jeff Rodriguez!! Kudos also to Vicki (and Lou) McCall for the wonderful Valentine's Day themed refreshments / "wedding reception" for Barbara and me. It was very much appreciated.

The presenter this month will also feature a WHS member, Karen Heller. Her topic will focus on the life and times of Ann Whitall who resided in the James and Ann Whitall House located at Red Bank Battleground Park. We look forward to Karen's program as we are always interested in local history.

Also, please remember that your 2012 WHS dues are due and are still a bargain at \$15 per family. The dues can be given to any WHS officer.

Hope to see you this Friday March 9th at 7:30 P.M.

## ELECTRONIC NEWSLETTER?

If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive

sooner, reduce our printing and postage costs, and if there is something in color, you will be able to see the colors.

## REFRESHMENTS

Instead of soliciting volunteers for the entire year at one time, Jo Dominy will ask for volunteers to provide refreshments at the next meeting. If you would like to volunteer for the April meeting, please advise Jo at the meeting on Friday or give her a call. You will be reimbursed for the refreshments.

### 2011 WHS OFFICERS

His publications contained a great deal of information about the functioning of the Academy, individual cadets, and benefits to parents considering sending their sons to the Academy.*

## THE WENONAH MILITARY ACADEMY

### Location

The location of Wenonah Military Academy is in the choicest section of south and west New Jersey, possessing pre-eminently the advantages of healthfulness, beauty, accessibility and quiet seclusion—sufficiently removed from the dangerous enticements of the city, and yet within easy reach of city patrons.

The conditions desirable for an institution of this character have been fully realized in the selection of its site. The sale of intoxicants within a mile of the Academy is absolutely prohibited by law.

It is about twelve miles distant from Philadelphia, with which it is in communication by frequent trains over the West Jersey and Seashore Railroad.

Wenonah being situated on high grounds, the natural drainage is as perfect as possible, and the Academy has an entirely independent sanitary drainage system, designed and constructed under the personal supervision of one of the most accomplished and experienced engineers of the country; it is believed to be as nearly perfect as expert skill can make it.

Wenonah is an entirely residential town; there are no factories, and the charter of the town absolutely prohibits saloons, a clause to this effect being incorporated in every original land title deed.

The Academy building is a handsome structure of attractive modern architecture. It stands on an apex of the highlands in the midst of spacious grounds that are ornamented with stately oaks, balsams and maples, attractive evergreens, well-trimmed hedges of acacia and ornamental shrubs in abundance. Indeed, so complete and admirable are these premises for the purposes to which they are now devoted, that, with the supplemental improvements, made with special reference to that use, they constitute a model establishment not excelled in the particulars named by any similar educational institution in the country.

### Buildings

The Academy building is only a few minutes' walk from the railroad station, telegraph office and churches; it has three stories, and has comfortable rooms for all students under one roof. The rooms are heated by steam, and lighted by electricity and gas and furnished with an ample supply of pure water from the plant of the borough, in addition to which the Academy has a separate and entirely independent supply from an artesian well 351 feet in depth. Careful analysis has demonstrated this water to be of absolute hygienic purity, and this purity is assured for all time, as the water cannot become contaminated by organic matter from surface drainage.

The Academy main building is the home of the cadets. In the opinion of those best qualified to judge, this building is one of the best-adapted school edifices in the East. Its unique plan affords peculiar advantages for a school home for boys.

A description of the building follows: On a central angle of 50 feet three wings of 100 feet extend, with a massive tower rising 80 feet over the central angle; consequently the building has abundance of light all day long. The lower floor is occupied by the store-rooms, boiler-room, laboratory, lavatories and laundry. On the main floor are rooms for the superintendent and masters. The general assembly room is in the south wing, the lower school in the east wing. In the central angle are the reception-rooms, the library and reading-room. From this diverge the assembly, class and dining rooms. The second and third floors each contain 30 sleeping-rooms, besides lavatories. An 8-foot hallway extends the full length of each wing. The sleeping-rooms are warmed by steam, regulated to keep an even temperature. Danger from fire is at a minimum, for the reason that no stoves nor heating apparatus other than the steam heat are allowed in the building. Two exits for each hallway, one by a short stairway of only twelve feet, the other by an enclosed stairway, furnish immediate access to the main entrance. Extreme caution has been taken in providing for the general care and safety of the students. The students' rooms are large, heated by steam and nicely furnished with first-class furniture, the beds having re-enforced woven-wire springs and hair mattresses. These rooms are all outside rooms and are so situated as to receive light all day long; they are 12 x 16 feet, and all open into halls that have light and ventilation at both ends. Each room is furnished with one bed for each occupant, a five-drawer chiffonier with a mirror, a wardrobe 7 x 3 feet, and two chairs. They are arranged for cadets wishing to room alone, or for two cadets. The furnishings have been selected carefully, and with a view not only to convenience and comfort, but also to attractive appearance. Bath and toilet rooms are on each floor, supplied with hot and cold water, the plumbing being constructed in the most modern and improved manner.

The classrooms are provided with every convenience for the work of instruction. They are ample in size and number, and convenient in arrangement.

The library, 43 by 50 feet in size, is lighted by large windows opening upon the great piazza, beyond which may be seen the beautiful park and Academy campus. The library is always open to the booklovers among the cadets. Among the periodicals on file are Harper's Magazine, The Century, Scribner's, The Cosmopolitan, McClure's, Munsey's, Review of Reviews, World's Work, Outing, St. Nicholas, The American Boy, Harper's Weekly, Collier's Weekly, Country Life, The Churchman, The Church Standard, The Outlook, The Army and Navy Register and Army and Navy Journal.

# Wenonah Historical Society Newsletter

Next Meeting at 7:30 P.M. on  
Friday, April 13, 2012

Volume 10, Issue 4, April 2012

## THE PRESIDENT'S MESSAGE

by Charles Horan

Dear Members,

Greetings to all. I hope everyone is enjoying that Spring Has Sprung (as has the pollen count!!). April 28 th, the last Saturday of April, is the annual Borough-wide yard sale. If you are on the prowl for bargains, keep your eyes open for any Wenonah historic artifacts (4th of July mugs excluded).

We are happy to partner with the Gloucester County Historical Society at our April meeting in mutual efforts and interest in local history. The presentation is titled "Colonel G. G. Green Laboratory Buildings."

One name of a prominent Gloucester County resident that has been in the news quite often lately is that of

George Gill Green, Gloucester County's first multi-millionaire. The city of Woodbury is indeed indebted to the industry and vision of Colonel G. G. Green,

who was known primarily as Woodbury's and the country's patent medicine king from 1872 until his death in 1925. The city's name of Woodbury and the products *August Flower*, *Dr. Boschee's German Syrup* and *Ague Conqueror* were world-renowned.

Phenomenal sales and unprecedented profits realized during Green's first seven years running the company forced him to build a second

structure to replace his 1873 factory. *Green's Laboratories and Offices*, located on Green Street, was completed in 1879 at a cost of \$35,000-\$40,000. In 2001, much of what remained of the factory and laboratory was used in the renovation and additional construction of the Woodbury Mews complex.

The presentation features biographical information about G. G. Green and his family, early pictures and drawings that were used in his sales promotions, the

Green family connection to Pasadena, CA, and an inside look at the factory and laboratory before and after renovations of what is now the Woodbury Mews.

Hope to see you this Friday, April 13th (uh-oh, Friday the 13th) at 7:30 P.M.

## UPDATE ON MARJORIE LENTZ

Marjorie is recovering in the nursing care section of Pitman Manor, Room 308. She is conversing with visitors, eating, taking brief walks in the hallway and receiving limited physical therapy. It appears she is back near the level of health she enjoyed before her recent illness and time in the hospital.

*The following article was provided by Jack C. Sheppard Sr. The source of the article was the 1909-1910 Catalogue of the Academy, published by Stephen Greene just five years after the Academy opened. Greene was the founder of the Wenonah Military Academy and a successful printer in Philadelphia. His publications contained a great deal of information about the functioning of the Academy, individual cadets, and benefits to parents considering sending their sons to the Academy.*

## THE WENONAH MILITARY ACADEMY

### Facilities for Physical Training

On the south campus is the new drill hall and gymnasium, well equipped with modern apparatus. Adjoining the main buildings is the "Annex," equipped with a pair of excellent bowling alleys, shuffleboards, billiard and pool tables furnishing abundant facilities for recreation and healthful exercises in winter and summer.

Physical culture is of so much importance that in addition to the methodical exercise of the military drill, a generous provision is made for indoor athletic sports and gymnastic training.

A large new gymnasium and drill-hall has been constructed and in addition to the fine campus, a new and spacious enclosed athletic field has been provided, including a quarter-mile cinder-track; with all the facilities for foot-ball, base-ball, track athletics and all the usual field sports.

On the north end is situated the covered pavilion with seating capacity for five hundred spectators.

### New Drill Hall and Gymnasium

The new Drill Hall and Gymnasium completed recently is situated on the south campus.

The main room is seventy feet wide, one hundred and twenty feet long and thirty-three feet high, containing eight thousand four hundred square feet of floor space, with a large stage on the west end. It is constructed of concrete blocks with gothic roof.

It is lighted by electricity and gas, heated by steam, perfectly ventilated and fully equipped with gymnastic apparatus.

Few military schools or even colleges can boast of a more spacious, attractive or better equipped drill hall and gymnasium.

It not only serves its legitimate purpose as a place for indoor military work, for daily gymnastic exercises, as a basketball and tennis court, and an indoor baseball diamond, but also is especially serviceable as a lecture room and social hall. Here will be held frequent official functions and informal dances.

Adjoining the Drill Hall is a well-rolled and equipped tennis court.

A competent instructor will supervise and direct all physical exercises.

## Military Department

For centuries, the military organization has been recognized as the most effective in controlling men in the enforcement of obedience to lawful authority. The military department of this Academy is one of its most prominent and effective features. The feeling of loyalty to the school is one of the conspicuous traits of our graduates. There is a feeling in the air not only of devotion to the flag but also of devotion to the welfare of the particular group to which one belongs and esprit de corps.

A young man who has made little progress in his studies, who dislikes school and his classmates and teachers, will often come to take an entirely different view of life after he has lived in the atmosphere of a military school. It has been found by experience that to be beneficial and enjoyable, the military system must be enforced with thoroughness in execution of detail. To this end, the Superintendent, a military officer of wide experience and great enthusiasm, who has had special training in his work, assumes command of this department. Under his direction the orders are issued, and the cheerful compliance therewith is evidence that the performance of military duty is a fascinating pleasure rather than an irksome punishment.

Next Meeting at 7:30 P.M. on  
Friday, May 11, 2012

Volume 10, Issue 5, May 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

Hello to all. May 11th will be our last formal meeting of the season. Our program will feature the abbreviated finale of Richard Dilks' "Wenonah Before it Was Wenonah" (described below). Richard, a life-long resident of Wenonah, talked at our January meeting about the land that would become Wenonah before there were inhabitants and then of the land when the first inhabitants arrived some 12,000 years ago, taking us to the 19<sup>th</sup> century. This Friday, Richard concludes his presentation with a tour through the place that was here in those mid-19<sup>th</sup> century decades that immediately preceded the founding of Wenonah in 1871. He will explore those buildings still standing and other elements still visible that continue to link us to the time and place before there was Wenonah.

Mark June 8th on your calendar as it is the date of our annual picnic. The picnic will start at 5:00 P.M. and the main course will be catered. On Friday, Jean Cowles will be asking for volunteers to provide appetizers and desserts.

I want to thank Jo Dominy for taking on the lion's share of the wonderful post meeting refreshment duties at our meetings this year, as well as all others who

generously contributed. I hope you will agree with me that this has been another good year for the WHS with insightful and interesting programs. Please feel free to put on your thinking cap and give me ideas for next year's programs. Our Kick-off Classic will be on September 14th. Details will follow.

I hope to see you this Friday, May 11th at 7:30 P.M. Don't forget our New Year's resolution to bring a neighbor to a WHS meeting. This Friday would be a great opportunity to do so.

### **Before There Was Wenonah: Gentle Fields and Country Lanes...**

Imagine it is 150 years ago, maybe a little bit more. You find yourself in the rural fields and farmlands of Southern New Jersey, a prime agricultural area close to the markets of bustling, urban Philadelphia. The first thing you notice is how open the place is. The land

is high and well drained and surprisingly rolling and hilly in places. There are almost no trees, just fields filled with a variety of vegetables. Sweet potatoes are a common crop but there are other things too, and they are destined for the dinner tables of Philadelphia and surrounding communities. The fields had been cleared in the early 18<sup>th</sup> century and farmed for generations. There are a few trees, perhaps a hedgerow here or there and small clusters of shade trees near the scattered farmhouses. The most imposing farmhouse

has thick stone walls and is the oldest building in the area. Built in the mid-18<sup>th</sup>

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

century, it was a tavern in colonial and revolutionary times. There are a few other farm houses, barns and out buildings. One dates from the 1770's and others from a bit later. A couple are the sturdy homes of tenant farmers and one is the home of a tanner. All these structures are connected by a lacework of unpaved country lanes, usually intersecting at odd angles. One lane leads to a grist mill with the mill pond and miller's home nearby. Another leads to the banks of a navigable creek, the busiest place around

with wharves, warehouses and barges shipping goods to and from Philadelphia.

This could have been one of innumerable places in our region in 1850. But it was here. Before the railroads came and changed everything, before a group of businessmen and investors (mostly railroad men) formed themselves into the Mantua Land & Improvement Co., proposing a venture to turn these fields into a most remarkable community, this was the place that became Wenonah.

\*\*\*\*\*

THE WENONAH MILITARY ACADEMY  
by Herbert R. Rambo of the *Times* Staff  
July 12, 1967

WENONAH—All that remains of the Wenonah Military Academy is a few yellowed catalogues, portions of a brick wall and memories. But to the men who called WMA their alma mater, it will always exist.

Officially the academy closed its doors for the last time in 1935 at the height of the Great Depression. The main building was razed as a fire hazard in 1937, not because it was unsafe, but simply because it was unoccupied.

At one time the campus included two athletic fields and the educational complex. The huge, main building, five stories in one place, dominated the community of Wenonah.

Originally the Academy had been the Wenonah Inn, a fashionable place for Philadelphia society to retreat in the 1880s and 1890s. In the days of horses and carriages, city people would drive out to savor the pleasures of country life.

But as trains and automobiles made their appearance, the shore resorts began to

siphon off the vacationers. The big inn was closed in 1900.

One Captain Jones—whose first name has been lost to history—got the idea for a military school while riding past the old inn on his way to Philadelphia, where he headed the now-defunct Wanamaker Cadets. The cadets were a drill team sponsored by the department store.

He approached the Stephen Greene family, Philadelphians who owned the inn, who agreed and the academy was opened in 1904. Financial backing was provided by the Greens.

In 1912, Doctor Charles H. Lorence, of Wenonah, assumed the presidency and the academy experience its greatest growth. At its peak, WMA enrolled over 200 young men.

The Depression, the opening of Valley Forge Military Academy and other private schools and other factors contributed to the closing of the once-renowned school. The institution went bankrupt.

David Knight, the last living member of the WMA faculty, lives at the site of the old academy. He taught there from 1920-25 as a mechanical drawing teacher. In 1925 he joined the county public school system as a teacher, but still taught at Wenonah as a relief officer, or substitute.

He purchased part of the academy property at a tax sale a number of years ago. He built a home there where he and his wife, Kathryn, live, often playing hosts to visiting alumni and answering the few letters that WMA still receives.

"Every once in awhile, I get a letter from somebody asking the rates for sending a boy to the school. I answer every letter that comes here," Knight said, "telling them the school is no longer operating."

A few years ago the alumni association was going to start a new military academy. It was their hope to carry on the "Wenonah tradition." Among the graduates are State Sen. Frank S. Farley, of Atlantic County, and former NY Yankee pitcher Herb Pennock (now a Cooperstown NY Baseball Hall of Fame member). But alumni were unable to obtain the rights to the name Wenonah Military Academy and gave up the plan.

The association still meets each year in Atlantic City and every year the aging grads talk about starting a new academy. But Knight feels it is just talk.

"We're getting too old now to start all over again, it just wouldn't work. But we can always hope," he said with a smile.

Getting the money wouldn't be too much trouble. Many of the WMA grads have fared well in their respective professions. They're all willing to put money into it.

Back in the days When WMA was one of the leading schools in the East, it was noted

for its athletic prowess and academic excellence. The school was frequently called "The West Point of New Jersey."

The school offered four courses of instruction: science, English, commercial and Latin scientific. Instead of honor rolls, the academy used four classifications: distinguished, honor, proficient and unclassified.

On the playing fields, WMA was known for its polo and football teams. Once the cadets beat a championship polo squad from West Point.

The only reminder of where the Academy once stood is a rampart-like stone wall that once was reinforced by two brass cannon maintained in their pristine glory by countless number of cadets whose errant ways earned them demerits, each representing two hours of extra duty.

"Gone are the barracks, the gym and drill halls where in pre-World War days the corps entertained as its guests at the mid-year dances with a drill of the "Butts Manual of Arms" done in cadence to some of the best bugling this side of taps."

Perhaps someday there may be a new WMA, but until that time, the alumni must content themselves with the only thing left to commemorate: a plaque imbedded in the old stone wall that once surrounded the academy.

It reads "Lest We Forget—on this site was located the Wenonah Military Academy — 1902-1935. Fond memories, the Alumni Association."

*Gloucester County Times*

Friday, September 14, 2012

Volume 10, Issue 6, September 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

Greetings fellow Wenonah Historical Society members. It has been a long, brutally hot Summer. Hopefully we can look forward to relief with a beautiful Autumn season and our usual WHS camaraderie. It seems as though our annual picnic (June 8, 2012) was just a few weeks ago. We now look forward to the 2012-2013 Wenonah Historical Society season.

Our September "Meet and Greet / Kickoff Classic" is scheduled for Friday, September 14th at 6:00 PM. Sue and Larry Smith have once again generously offered to open their home at 110 S. Clinton Ave. for this annual event. I ask that attendees bring appetizers and desserts based on the first letter of your last name:

- A through M - please bring a dessert.
- N through Z - please bring an appetizer.

Please note that we are reversing the usual order (Larry's idea) to mix things up a bit.

Beverages will be provided.

This event is always an excellent opportunity to invite a friend or neighbor who may be a prospective new member of the WHS.

I look forward to meeting again and reuniting after our "Long Hot Summer."

## WENONAH MEMORIES ON FACEBOOK

Dave Brangan's idea of a "Facebook Reunion" came to fruition on July 4, 2012. A card table and sign marked the spot, just outside the Firehouse festivities, and folks stopped by to share memories of growing up in Wenonah. Marjorie Lentz's "Wenonah" was in demand and Marjorie spent time reminiscing with the crowd. Cara DeHart Lewis and Gerard McGarrity also returned to their hometown and said that their video of Wenonah is slowly progressing. They reminded us that any old film or video of Wenonah or the parade would be a welcome addition to the production. Please contact Cara at

[cardehlew@yahoo.com](mailto:cardehlew@yahoo.com) if you have any questions.

Friday, October 12, 2012

Volume 10, Issue 7, October 2012

## THE PRESIDENT'S MESSAGE by Charles Horan

Dear Members,

I hope that all those who attended the September 2012 Meet and Greet had an enjoyable evening. It certainly seemed like that was the case. Again, many thanks to our hosts, Sue and Larry Smith. Now we move into our "regular" meetings that feature programs of a historical nature. As always, I am open to any ideas or suggestions for future program topics.

Our guest speaker for the evening will be Barbara Solem-Stull, author of *Ghost Towns and Other Quirky Places in the New Jersey Pine Barrens*. Barbara will speak about the towns that rose up around the iron furnaces, glass factories, paper mills, cranberry farms and brick making establishments of the 18<sup>th</sup>, 19<sup>th</sup> and early 20<sup>th</sup> centuries. Her book provides directions and walking tours of many of the Pine Barrens historic sites and ruins. Copies of her book will be available for sale and signing. Barbara was once a resident of Wenonah.

I have recently read this book and it is a fascinating history as well as a practical modern guide for those intrepid souls who wish to drive to the "Pines" and visit some of the sights detailed in Barbara's most interesting book.

Hope to see you Friday evening, October 12th at 7:30 at the Train Station Community Center. Bring a guest or two along.

## SUGGESTION BOX

Please send me an email ([smithlr@att.net](mailto:smithlr@att.net)) or a letter (110 S Clinton Ave, Wenonah, NJ 08090), or give me a call (856-468-3480) should you have any thoughts on future programs for our meetings or ideas for feature stories or enhancements to the newsletter. President Horan and I would greatly appreciate your suggestions.

## A Little More about our Guest Speaker -- Barbara Solem-Stull

Barbara Solem-Stull has an undergraduate degree in psychology from The College of New Jersey (formerly known as Trenton State

College). She has completed graduate work in education administration and has been a special education teacher, a trainer, a principal, and an administrator. Barbara retired from the State of New Jersey Department of Human Services, Office of Education, in 2002, having worked as an education administrator for 15 years. Barbara is the author of *The Forks: A Brief History of the Area* (2002) and *Ghost Towns and Other Quirky Places in the New Jersey Pine Barrens* (2005),

both published by Plexus Publishing Inc. of Medford, New Jersey. Barbara may be contacted at [BarbSolem@aol.com](mailto:BarbSolem@aol.com).

Next Meeting at 7.30 P.M. on  
Friday, November 9, 2012

Volume 10, Issue 8, November 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

It seems as though our Borough has endured Hurricane Sandy and emerged relatively unscathed save for a few fallen trees and a relatively short power outage. Hopefully the weather will cooperate this coming Friday for our November 9<sup>th</sup> meeting. Let our hearts and prayers go out to those who were impacted much more severely by the hurricane than we were here in Wenonah and Gloucester County.

Our November program will feature Dr. Kenneth J. Lacovara who is an Associate Professor at Drexel University in the Department of Biodiversity, Earth and Environmental Science. Dr. Lacovara holds a PhD in Geology from the University of Delaware and is an elected fellow of the prestigious Explorers Club.

He has traveled the world in pursuit of dinosaur fossils, appeared on several national news outlets, authored books on related topics, and guided viewers through a tour of the earth's history on a two-hour documentary on the Discovery Channel.

Dr. Lacovara has been excavating at the Inversand site located behind the Lowes store on Woodbury-Glassboro Road in Mantua. There will be a pre-lecture site visit available on Friday from 2-4 PM. (Access is

via a left turn into the driveway past the Lowes entrance). Our regular evening program will feature a summary of the progress and discoveries that Dr. Lacovara and his paleontology students have made at the site "in our backyard." I hope to see a good turn out for what promises to be a very interesting presentation as evidenced from the following headlines from our local papers:

### **Mantua Township's Inversand site may be of national**

#### **importance to paleontologists**

*Gloucester County Times, June 28, 2012*

### **Fossils from the Cretaceous Period unearthed at Inversand in Mantua, June 26, 2012**

*Gloucester County Times, June 27, 2012*

### **Heavy lifting in N.J.: A 65 million-year-old sea turtle**

*Philadelphia Inquirer, June 9, 2011*

#### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

## WENONAH HISTORICAL SOCIETY CHRISTMAS DINNER

Our annual Christmas Dinner will be on Friday, December 14<sup>th</sup>. The cost is \$20 per person. Please bring your check (payable to Wenonah Historical Society) to our meeting on Friday or mail it to Jean Cowles at 304 N Stockton Ave, Wenonah, NJ 08090. This is always a great affair so please make plans to kick off the holiday season close to home.

**JOSEPH NOBLIT'S HALL, 6 NORTH MARION AVENUE**  
*by Milton Webb (research by Jack C. Sheppard Sr.)*

On March 19, 1878, in three public places in Wenonah, the newly formed School District 54 posted the following notice: *"The annual Wenonah school meeting will be held in the school room in the Wenonah House Hotel on the Tuesday of the week following the town meeting at which meeting will be submitted the question of voting a tax to maintain a free public school, the amount thought to be three hundred dollars. The question of building a schoolhouse will also be considered with the matters related thereto. The amount thought to be necessary for this purpose is twenty five hundred dollars. George Bailey District Clerk."* The meeting was a public forum where the question of building a schoolhouse was thoroughly talked over and a free expression of opinion given. It was agreed that the Board of Trustees be authorized to build a school

not to cost over \$2,500 exclusive of well, out buildings and fences. There was one vote in the negative. The Mantua Land and Improvement Company donated the land and Dr Fithian purchased the entire bond issue. The contract for the erection of the building was let out to Daniel Brown, a local builder and developer, for \$2,245.95. Other contracted items were to Sam Chew, digging a well \$15; Henry Frederick, well pump \$13.50; William Allen, bell and lightning rods \$9.00; Sam Dilks, carting \$3.00; Isaac Stevenson, grading and digging cellar hole \$38.00; and Ed Ward, plans and specifications \$30.50. The building was completed in the early months of 1879 and classes were

immediately started in the new schoolhouse. This building, as a schoolhouse, was to serve the community until 1894 when it was replaced by the Stone School House on North Clinton Avenue.

Several expenditures were significant during this period: Ella English to be employed as teacher at a salary not to exceed \$35 dollars a month; Sam Chew coal for the year \$31; and May Clark to assist Tracy Waddington at a salary of \$1 a day.

During the period of use as a schoolhouse, the trustees rented out the building for other purposes. The most significant was the Mantua Grange #39, Patrons of Husbandry. It might be noted that the Grange movement was a powerful political force and this chapter was large, numbering over two hundred

members. Lectures were held and auctions of produce and grain held in the building. Also the tradition of this building as a polling place started and continued for over one hundred years.

In June of 1894, the Trustees of the school district sold the building at auction to Joseph Noblit for \$1,500. He was a well-known citizen of the community and farmer by trade. He also was the Deptford Township clerk. Wenonah was still a part of Deptford Township at this time. Known as "The Old War Horse," he was a veteran of the Civil War having served with the 138th Pennsylvania Volunteers. He was an active member of the Grand Army of the Republic, a Civil War veteran's organization.

Every up-and-coming community during this period had what was known as an "Opera House" and this building would fall into the category. On several occasions an advertisement would mention that an event would be held at Noblit's Opera House. He leased out the building for a number of varied social affairs. The Mantua Grange continued to use the hall as well as several political organizations. In 1989, the Wenonah Field Club, which was the forerunner of our modern Wenonah Athletic Association, was formed and the club used the building for a number of years.

In 1913, the YMCA reconstituted their organization and rented the hall with a long-term lease. They had the backing of several wealthy citizens who provided funds for extensive renovations to the building. It then became known in Wenonah as the YMCA Hall. Unfortunately during this period Joe Noblit's sight failed and he moved to Oregon with his grandson where he died in 1915. The YMCA took title to the building and started a large undertaking of activities. Shuffleboard tournaments were held and there were dances and socials for the teenagers. This was the beginning of the ongoing concern for the youth of the town through providing recreation. Outstanding were the Saturday night movies when it was advertised there was seating capacity for 250 people. Stars at the time were Charles Chaplin, Mary Pickford, Pearl White, Buster Keaton and others of the silent screen.

Interest in the local chapter of the YMCA waned and the building went into disuse. Probably the greatest reason for this was the growing interest in the scouting movement under the leadership of Dr. Gage. In 1922, the newly organized Arthur J. Holeton Post 192, American Legion purchased the Hall from the YMCA. Previous to this, the Legion was meeting at what is now the Wild Iris Floral Shop, formerly the offices of the Wenonah Realty Company. Now the building became known as the "Legion Hall," the name lasting for over half a century. It became the center of social activity in the town. Saturday movies were started again for the children as well as teen-age dances, travel lectures, potluck dinners, strawberry festivals, band concerts and public forums. Voting was still held there. The American Legion Rifle and Pistol Club, the oldest NRA sponsored club in New Jersey built an indoor pistol range in the basement. On the second floor were recreational facilities including a fine old slate pool table.

In 1984, the Legion sold the building to a private owner after they began using the newly renovated train depot for their meetings ... a new era emerged in the history of the hall.

Regardless of what you call it, Public School House, Grange Hall, YMCA Building, Legion Hall or my house, it is still a grand building. Basically it still retains its exterior architectural integrity and if treated kindly should exist another one hundred and thirty years.

Volume 10, Issue 9, December 2012

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

Happy Holidays everyone! Our Holiday Dinner is this Friday, December 14th at 5 PM. It will be catered by the Telford Inn as usual and promises to be an enjoyable and festive occasion. To those who are unable to attend, I look forward to seeing you on Friday January 11th at 7:30 P.M. at our first regular meeting of 2013. Our presenter will be an interesting local author from Pitman who has co-authored a book about "New Jersey Firsts" (details to follow). Please save the date.

Have a wonderful and safe holiday season and I wish you good health and prosperity in the new year.

## WENONAH 100 YEARS AGO – 1912 *Woodbury Daily Times (research by Jack C. Sheppard Sr.)*

### Section 1

A report received from Mr. Joseph Truncer, chief of the Wenonah Fire Company, showed that in the last year the company had been called to four different fires: boat house of R.H. Comey stables of the Telford Inn, stables

of Mr. Kircher, Mantua, and stables of H.B. Coles. The chief also reported that the apparatus was in first-class condition and ready for instant use. *January 7 1912*

8-inch ice is being harvested here, the best for years. *January 16 1912*

John F. Madera of Clayton, who purchased R.J. Clark's grocery store, will take charge

March 1. Mr. Clark has been in business here for the past 17 years and during that time has had nine different competitors in that line. Mr. Clark will leave the business with the good wishes of all, as yet he has not determined what business he will engage in. *January 17 1912*

On Friday afternoon, Frank Peddle broke through the ice on Synnott's pond where the water was over his head and was rescued by Hugh Mehorter and Richard

Stockton. *January 29 1912*

The school here was closed last Thursday on account of scarlet fever and was opened yesterday morning, but the trustees decided not to reopen the school and the scholars were sent home for the week. *January 30 1912*

Mr. Edward Pyle, chairman of the fire and lighting committee, addressed council stating that the committee had heard nothing but

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

good concerning the sample lights placed in the park and moved that council enter into a contract with the Welsbach Company for 57 street lights at \$30.00 each per year for a term of five years. *February 2 1912*

Scoutmaster Benjamin Cloud took ten of our boy scouts to Philadelphia last evening to meet General Baden-Powell. *February 14 1912*

No doubt all of our citizens are more or less interested in the building of the proposed tunnel under the Delaware River and it is certainly the duty of every citizen residing in South Jersey to give to this movement his or her hearty support. We may not all be financiers but the moral and physical support that each and every one of us can give to those who can finance such an undertaking is a powerful adjunct to further this much needed improvement. *February 16 1912*

John Williams who lives near the pumping station has had as high as 35 chickens a day killed by electric trains. *February 22 1912*

Daniel W. Brown of Wenonah died at Palm Springs, Florida this morning. Mr. Brown went to Palm Springs last year for his health. He was about 68 years old. Mr. Brown leaves a widow, son George, and four daughters, Nellie, Melvina, Bertha and Olive. Mr. Brown was a well known contractor and builder. He was president of the Wenonah Fire Company. *February 26 1912*

Earle Wentzell, son of A. W. Wentzell who has been seriously ill for several days and who was at the point of death for 6 days, is getting along very nicely and has been down stairs. *February 29 1912*

There is a scarcity of milk occasioned by Mr. Berg discontinuing his route. For some years past Mr. Berg has rented R.H. Comey's stock farm and carried on the dairy business. Mr. Comey has been interested in maintaining a high class herd with fancy Jersey stock and high grades. Mr. Berg's lease expired February 29th and as many

of his customers have been unable to arrange for a supply of milk. Mr. Comey intends to supply Mr. Berg's old customers as far as possible for a few days until his cow sale without regard to cost. Mr. Comey has always kept his herd free from tuberculosis by annual inspector's tests and he declares that the present herd is entirely free from it. *March 2 1912*

The borough council reports the taking out of a building permit for Mr. J.A. Viereck for a dwelling on the lot adjoining the N.W. corner of Jefferson Avenue and Willow Street. *March 8 1912*

The fire company has kindly given permission to the Poultry Association the use of the fire house for their future meetings which is greatly appreciated by the association. *March 20 1912*

A sad drowning. On Saturday afternoon Robert Rebar aged 3 years, son of Mr. and Mrs. Robert Rebar, was accidentally drowned in the first culvert just below the academy field. The little fellow had wandered away from home with his sister and another little playmate. They took a long walk and finally wound up just where the bridge built by Battery B crosses the stream. While his companions amused themselves by throwing chips in the water little Robert lay on the bridge watching the make believe boats flout in the water. In endeavoring to note their progress, he leaned too far forward, lost his balance and fell in the stream. He came up two or three times but his companions were too little to render him any aid. Frightened beyond means they hastened home meeting several people on the way but too scared to say anything. The mother of the little fellow saw them coming and questioned where Robert was. She finally got from them that Robert had fallen in the water. When help was finally secured in the person of Mr. Wm. Cattell, he secured other volunteers and hurried to the spot where the lad had gone under. With the help of a ten foot boat hook, the little body was brought to the surface by Mr. Charles Fisher. The father of the boy carried him in his arms to the office of Dr. Harry Stout but life was extinct. His parents could not give up hope and for hours everything they knew was tried to bring the boy back. Robert was

a beautiful bright boy and loved by everyone who knew him. His parents have the heartfelt sympathy of the entire community.

A 40 hp Apperson touring car in splendid condition, just overhauled was repainted last spring. A great change to purchase a really good car at a reasonable price For further details apply to F.W. Benson, Wenonah, New Jersey. *March 26 1912*

Thomas J. Mulvey PhD will deliver the first of his series of lectures at the academy gymnasium Saturday March 30 at 8 P.M. His subject will be "Paris the beautiful" admission free. *March 28 1912*

## **Section 2**

Chairman Ogden of the street and sidewalk committee recommended that council purchase gravel for resurfacing of Mantua Avenue from Clinton to Princeton Avenues. *April 12 1912*

The mayor, clerk and collector signed Wenonah's first municipal bond last evening \$35,000. This was a water bond. *April 13 1912*

A sample of the Wenonah artesian well water can be seen in the Times window. It was drawn from a faucet in the kitchen of postmaster English's house and has not been filtered. Wenonah has six wells about 128 feet deep and the machinery is as good today as it was 17 years ago. All the wells have a splendid flow. Wenonah water has brought many people to that place as residents. *April 20 1912*

The minstrel show by the Wenonah Athletic Club Saturday night was a grand success. The boys looked great in their make-up and everything was done with vigor and vim. *April 30 1912*

There is someone rumoring among my customers that I am going out of the milk business in about two months. This rumor is untrue and I will continue to serve my customers as heretofore with the best grade of milk and hope for a continuance of business and your favors. C.P. Lyons.

Mr. Pyle moved that council instruct the clerk to write Welsbach Co. requesting that they give

their lamp posts another coat of aluminum paint. *May 5 1912*

J. Williams has a gobbler that weighs 38 lbs and expects it to weigh 50 by Thanksgiving. *May 7 1912*

Captain Abraham B. Miller died Monday May 13 at his home in Wenonah. Captain Miller was born at Cooper's Point Camden in 1822. Left at the age of 14 to care for his widowed mother he worked on the ship "Marlette Tiltan" for four years and was put in as captain at the age of 18. He followed the water for 15 years. During the civil war he was taken from his ship by President Lincoln and placed on the Minnesota as fleet pilot at the time of the sinking of the Merrimac. After the war he went into the service of the Philadelphia and Reading Company where he remained for 20 years. *May 15 1912*

Colonel Roosevelt will be here tomorrow evening about 6 o'clock. The meeting will be held in the park if the weather is fair. Should it be stormy it will be held in the drill hall of the academy. Let everybody turn out and greet the colonel. *May 24 1912*

For good three ply rubber garden hose (not 3-ply canvas hose) inquire of John A. Viereck before going elsewhere. *June 7 1912*

David Thomas contractor is now building the concrete curbs and gutters around the park. *June 7 1912*

Borough council: The borough clerk reported the issuance of a building permit to the Chase Lumber Company for the erection of office buildings sheds etc.

Mr. Charles requested permission to place 10 or 12 benches in the park for the convenience of the public at no expense to the borough by voluntary contribution.

Resolved that bathing or swimming in the lower lake or pond situated on the property of the borough water works also the throwing of stones sticks brush paper or other rubbish in said pond or lake is hereby prohibited by law.

That bathing or swimming in the upper lake known as Warner's pond situated on the property of the borough water works in the nude state is prohibited under the penalty of law Those desiring to avail themselves of the bathing privilege must be provided with suitable clothing and avoid indecent or unseemly exposure of person.

Elwood Price, the borough engineer at the water works was sworn in as a special officer.

Moved that the clerk be instructed to communicate with the fish and game commission of the state with reference to having Warner's Lake stocked with fish. *June 8 1912*

Council has given consent for benches to be placed in the park and the Improvement Association with the aid of the citizens are undertaking to supply them standard five foot park benches with iron frames and oak slats seats and backs with the promise they will be in place before the 4th of July. Some of our people oppose this move on the grounds they will be abused, that they will harbor "loafers," that the grass will suffer, that the boys will move them about and break them up. They say that all these things have happened before and they expect them to happen again. *June 21 1912*

Chase Lumber Company Lumber and Millwork of every description and hardware. Mantua Avenue at the bridge *July 1 1912*

The 4th of July Committee on the parade route requests those living along the line of march to water the streets as well as may be so as to lay the dust. The men who are going to do the marching will appreciate it not to speak of the auto owners and the children who will ride in the machines. *July 4 1912*

Borough Council: The borough Clerk reported issuing a pool license as per instructions of borough council to Albert Fisher for the operation of two pool tables at the barber shop.

Council authorized the borough engineer to run grades on North Clinton Avenue Elm to Maple Street so that proper calculations could be made

for the extension of water mains into this section. *July 8, 1912*

There was never a much prettier sight than that presented at the lawn fete on the grounds of Mrs. Ira Burdsall Tuesday evening. The occasion was an ice cream sale for the benefit of the building fund of the Episcopal Church. Chinese lanterns were hung from one end of the lawn to the other and little tables with white covers and bouquets dotted the greens. A fine Graphophone loaned by Mr. Edward Knight did its part in attracting and entertaining the people. *July 25 1912*

The Boy Scouts of Wenonah and Woodbury Heights under Mr. Gage and Mr. Davenport visited League Island yesterday taking in all the points of interest on the Battleship Idaho. *July 28 1912*

Harold Urian, a boy scout saved a colored boy from drowning in Warner's pond. The boy in attempting to swim across the pond had become exhausted and had gone down twice when Harold reached his side and took him safely to shore. *July 31 1912*

If you want to see the beauty and elite of Wenonah come out tonight to the ice cream sale for the benefit of the Wenonah Athletic Association. There will be good music all evening. *August 2 1912*

### Section 3

Mr. Pyle moved that fire and lighting committee be authorized to lay about 90 feet of 3 inch pipe to reach the property now being constructed on Princeton Avenue by Mr. Charles Keeler. *August 3 1912*

Miss Myrtle Blackwood will not return to her position as principal of the Wenonah Public School but will be head of the Latin department of Kent's Hill Seminary in Maine the coming year. *August 7 1912*

Tom Murray is thinking of purchasing a White Steamer to chase burglars with. *August 9 1912*

Miss Alice Farr gave an automobile party to a number of her friends Friday afternoon. They had

a delightful ride to Salem and after partaking of supper returned in the early evening. *August 12 1912*

Mr. R. H. Comey is having alterations made to the store property adjoining the post office which he bought of Mrs. Lashly and a cement sidewalk laid. *August 25 1912*

An academy horse attached to a wagon ran away throwing the wagon into the middle of the creek.

C. Fowler Cline will give us a good business administration if elected mayor; a voter *September 25 1912*

Young Arthur Holeyton is on his way to California where he will attend the 7th day Adventist school at Loma Linda. His purpose is to prepare himself for medical missionary work in some foreign country. The chestnuts are falling fast. *September 30 1912*

The moving of the realty office is rapidly forging ahead. *October 16 1912*

Mr. Charles Keeler's house which is made of fire proof brick is rapidly nearing completion. *October 17 1912*

Mrs. Lloyd's grocery store is now opened and everything is of the very best.

The digging of the cellar of the former realty office site is nearing completion.

"Battleship" Toomey is open to meet anyone for the pool championship of the town. *October 27 1912*

Someone tried to burn an opossum out of a tree in Warner's wood and as a consequence the woods were set afire. *November 8 1912*

Vague reports are floating around concerning a bank which will be built.

The newly opened drug store on Mantua Avenue next to the Post Office owned by Mr. Cozens has a complete and thorough equipment. *November 10 1912*

Mr. Pyle and the borough council gave a dinner last night at Mr. Pyles bungalow in honor of Mr. Charles Lorence, the retiring mayor. There were

fifteen guests present including C. Fowler Cline, the mayor elect. *December 6 1912*

The family store, Wenonah where quality counts and prices are right a full line of shoes and rubbers always in stock. All kinds of repairing done at short notice Charles Broes Wenonah. *December 16 1912*

It is reported there are 20 cases of chicken pox in town.

One of the prettiest sights in Wenonah is George Baylies' greenhouses. *November 1 1912*

After the publication in this paper of Mayor Lorence's declination to accept the nomination for mayor, Mr. Charles Fowler Cline was selected by a number of taxpayers who are acquainted with Mr. Cline's ability as a businessman fully qualified to fill any public office in this state. Mr. Cline after due consideration signed his nomination papers which were signed by twenty-five legal voters mostly heavy taxpayers of our borough. *November 4 1912*

The following is the way the election in Wenonah turned out President Taft and Sherman 36 Roosevelt and Johnson 101 Chafin and Watkins 3 Debs and Seidel 1 Wilson and Marshall 57. *November 6 1912*

Died suddenly in Rome, Italy November 4th Mrs. Hannah B. Farr of Philadelphia widow of Lincoln D. Farr aged 71 years. Services at the home of her son Edward L. Farr Wenonah, New Jersey Thursday evening November 7th at 8:15. Conveyances will meet train leaving Market Street Ferry Philadelphia at 6:30. *November 6, 1912*

The Wenonah Public Library will be closed tonight in respect to the memory of Mrs. Hannah Farr. *November 7 1912*

Volume 11, Issue 1, January 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

A heartfelt wish to all for a Happy and Healthy New Year 2013. I feel our 2012 Holiday Party was another resounding success. The unanticipated visit by the Presbyterian Church Carolers that evening was most enjoyable and really helped kick off the festive Christmas season. Our thanks have been conveyed to them. I also want to thank again Jean Cowles for her diligent efforts in planning this annual event.

This month marks the end of a two-year term for myself and Paul Lader as President and Vice President, respectively. Elections will be held this Friday evening during our January 2013 Business Meeting. The current slate of WHS Officers are willing to serve another two-year term subject, of course, to member approval. Nominations from the floor will be accepted per Roberts Rules of Order.

Our presenter this month will be Tom Wilk, a resident of Pitman. Tom has worked as a reporter and copy editor for the Gloucester County Times (now SJ Times) and the Courier-Post between 1975 and 2012. He is the co-author of "New Jersey Firsts: The Famous, Infamous and Quirky of The Garden State" (Camino Books) and "Tales of South Jersey: Profiles and

Personalities" (Rutgers University Press). He also has written for New Jersey Monthly, Inside Jersey magazine, Atlantic City Magazine and Atlantic City Weekly, among other publications. Tom has had a longtime interest in New Jersey history and we look forward to his presentation.

I look forward to seeing you this coming Friday evening. Invite a friend.

## 2013 WHS DUES ARE DUE

Dues for 2013 are now due and are still a bargain at \$15 per family. The dues can be given to any WHS officer or mailed using the membership application on the last page of this newsletter.

## ODDS AND ENDS

If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive sooner, reduce our printing costs, and if there is something in color, you will be able to see the colors.

Cara DeHart Lewis and Gerard McGarrity are currently working out the schedule for completing their video on Wenonah's rich history as well as the people that have made it into a wonderful town.

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

The following article was provided by Jack C. Sheppard Sr. Sources of information for the article were "The Business Encyclopedia of Pennsylvania" by John Woolf Jordan, et al., and the book "Wenonah 2009" by Marjorie K. Lentz.

**STEPHEN GREENE: A FOUNDER AND PIONEER IN WENONAH**  
*by Jack C. Sheppard Sr.*

Stephen Greene  
1831 - 1908

In the interests of learning more about the founders and the bygone days of Wenonah, I rented a time machine at a nearby rental agency, had it delivered to the center of Wenonah park, and set the date-dial for September 20, 1904, the day the Wenonah Military Academy opened. A short time later I opened the door and stepped into the Park, the former front yard of the hotel that had been deeded to the town in perpetuity by the Mantua Land and Improvement Company. It was a beautiful, warm Fall day. The park didn't look that different but as I looked toward the train station, a steam locomotive pulling passenger cars came into view with steam and smoke belching from it. On Mantua Avenue, which was still a dirt road, I saw a mixture of horse drawn wagons and automobiles. I walked toward the converted former hotel and standing on the veranda was Stephen Greene, there to cut the ribbon and welcome the first cadets to the school. He was an extremely distinguished looking man with white hair and beard. I introduced myself and asked if I could interview him

for an article I was writing. I decided to refrain from telling him I was from 108 years in the future as I thought it would focus attention on me and possibly thwart my reason for being there, to interview him.

Mr. Greene graciously agreed to be interviewed. We sat in cane-backed rocking chairs on the front porch of the former Wenonah Inn hotel, now an aspiring military/academic school, while activity swirled all around us on this the opening day.

This picturesque little town named Wenonah had only been here for 33 years, created by the West Jersey Railroad Company in 1871 to stimulate its passenger and freight business. The beautiful station located just a few hundred feet from the academy was a center of activity as trains arrived at the station disgorging a number of excited young men, anxious to get started on their higher education and careers. They were met by instructors and professors, many wearing military uniforms. They welcomed the youngsters and immediately commenced instilling in them the military discipline that was the backbone of the military style educational system.

The excitement was infectious and it was a great time to be in this wonderful small town named Wenonah.

I started the interview with Stephen Greene:

**Question:** When and where were you born?

**Stephen Greene** I was born in Bainbridge, New York on September 25, 1831. At age three my family moved to Columbia, Lancaster County Pennsylvania where I spent my young years and received my formal education.

**Question:** After your early years in Columbia where did you go next?

**Stephen Greene:** In 1846, I left home for Hellam Township, York County, Pennsylvania where I taught briefly in a district school. Although I eventually decided against a teaching career, throughout my life my interest in the education of young people was intense. I became friendly with the Dean and higher-ups at the University of Pennsylvania and assisted many young people in obtaining an education there.

**Question:** Tell me about your marriage and family.

**Stephen Greene:** In 1853, I married Martha Houston and started a family that eventually included a son and five daughters.

**Question:** You said you were a teacher but decided against that as your life's work. What did you do next?

**Stephen Greene:** After my brief teaching experience, I decided to take up a career in printing. I entered the printing field in 1847 working my way up the business ladder through employment with several printing companies, learning the printing business from the bottom up. By 1881, I felt I had enough skill and experience to succeed on my own in the printing business so I started the Stephen Greene Co., Printers, with myself as President.

**Question:** You were in the printing business in Philadelphia. Why and how did you become involved in the creation of a small town in New Jersey?

**Stephen Greene:** Earlier in my career, in 1870 while working for the Liesenring Printing Company in Philadelphia, I invented a method for printing a new type of railroad tickets with consecutive numbering, the first ever used in the railroad industry in this region. While doing research for this purpose I met with several railroad owners and operators including Civil War General William Sewell who was vice-president of the West Jersey Railroad Company. The West Jersey had recently realigned its rail system south of Camden, NJ making it a much more attractive and profitable freight and people mover. Following the track realignment, General Sewell and his Chief Engineer William F. Allen conceived the idea of creating a new town along the tracks, the chief objective being to stimulate business for the railroad. They were advertising a virtual Eden along the tracks offering fresh air and water, a new station, easy commutation to and from Philadelphia, all prerequisites for a "new suburban town." It sounded like a grand idea to me so I joined the General and several other businessmen in the venture. So on March 15, 1871, I joined Samuel A. Whitney, General William J. Sewell, George Wood, Horatio J. Mulford, George Harris, John Starr, Edward Warne, Samuel Hopkins, Thomas P. Carpenter, and Thomas Jones Yorke, president of the West Jersey Railroad, as the first Board of Directors of the Mantua Land and Improvement Company. The Company was authorized to lay out building lots as well as boulevards, alleys and parks. It was directed to build a hotel and erect residences. In short, a town was born and they named it "Wenonah." I saw this place as a good business venture.

**Question:** I can understand the business investment attraction for you but you were in the printing

business in Philadelphia. Why did you become personally involved in the creation of a town where nothing existed except for fields of sweet potatoes and a few farm houses?

**Stephen Greene:** Philadelphia where I lived at this time and had my business was not only crowded but hotter than Hades in summer. I listened to the vision of Wenonah as expressed by General Sewell and his engineer William Allen and believed this would be an ideal place not only as an investment, but also as a cool and refreshing retreat for my family in the summer.

**Comment:** My interview was interrupted at this time by the arrival on the porch of Mayor Charles Lorence and Councilmen Thomas Synnott, Henry Peddle, James Carey, John Holeton, Charles Yost and Daniel W. Brown. The group proceeded to welcome Stephen Greene and the Military Academy to Wenonah. Mayor Lorence made some brief remarks in which he commended Stephen Greene for his devotion to Wenonah commencing in 1870 when Mr. Greene was one of the original founders of Wenonah. He pointed out that Mr. Greene's investment in Wenonah of both money and time was to a substantial extent the reason for the town's success and reputation as a wonderful place to reside and raise a family. Councilman John Holeton mentioned that he had an 8-year old son Arthur J. Holeton, who he hoped would attend the Academy when he was old enough.<sup>1</sup>

**Sheppard:** I'm glad I was here when the Mayor and Council arrived as I already knew a lot about them having studied the history of the Borough Council, but it was great to have been able to meet them in person. Now, back to our interview:

**Question:** As Mayor Lorence mentioned, in 1870 you participated in the creation of Wenonah as an original member of the Mantua Land and Improvement Company. Having done your part to get the town started you could have resumed a typical investor role by returning to Philadelphia and leaving the start-up work to the locals. Why did you stay around and get involved?

**Stephen Greene:** It was because of the new people I met during the start-up activities. In addition to General Sewell, there were Sam Whitney and Tom Synnott in the glass business, builder Dan Brown, Tom Carpenter in the boat-building and shipping business (Carpenter's Landing on Mantua Creek), and local farmers Isaac C. Stevenson and Charles Starns. They all seemed to have the same motivation as I did. They were self-made business successes with the American entrepreneurial spirit seeking to play a part in the growth of the railroads that were transforming the country. Remember, this region, so close to Philadelphia, still relied on horses on dirt roads and barges in the Mantua Creek to transport farm-products, goods and people to and from the cities.

**Question:** Well I can certainly understand your wanting to stay involved with the people involved in the creation of the town but you went further, you bought more building lots than any other investor. Why was that?

**Stephen Greene:** Mainly because I had a vision of what Wenonah could become and I wanted to play a part in it. Once it was decided to build the Wenonah House Hotel in the southeast quadrant of town, I could foresee that this section would grow the fastest, and not only provide the most housing sales opportunities, but would also be the most enjoyable to live in. I envisioned a large

---

<sup>1</sup> In fact, Arthur J. Holeton did attend the Academy graduating in 1916. He lost his life in France during World War I. Wenonah American Legion Post 192 is named for him.

summer residence that my family could enjoy in the heat of the summer. I pictured one or more churches nearby to help with the religious needs of my family, and I hoped to build houses that would attract homebuyers having the same principles and objectives as I held.

And above all, it was a great experience starting a town from scratch and being involved with people such as Daniel Brown, Horatio J. Mulford, A. McFarland and Thomas W. Synnott. Double cottages were built facing the railroad tracks and a row of houses on West Willow Street was named "Brown Town" for Daniel Brown, the builder. The east side of the tracks where I took up residence was nicknamed "Greene Town" after me. Some builders used the identical plans on various lots and they can still be identified throughout Wenonah.

I built my home on the corner of South Clinton and East Willow streets and kind of got carried away with it. It became very large and part of a block-sized complex including a dwelling for my caretaker John Truncer, a coachman's dwelling, a laundry and living quarters for our cook and laundress, and a barn and stables. I also built a gazebo for my Dutch garden and a peacock house with a brick wall mortared with flecks of oyster shells bordering the peacock run. I even hired a Japanese gardener to care for the gardens and greenhouse. Once I got started it seemed as though I couldn't stop.

Stephen Greene's Home in Wenonah

So after completing my "residence" block, I developed South Marion Avenue at my own expense, lined the street with pine trees, laid many yards of flagstone, built a dam at the foot of Marion Ave. and developed Lake Cornelia, naming it for Cornelia Truncer, the wife of my caretaker. To aid in making the Wenonah House Hotel an even-more attractive destination I added a two-storied boathouse and a Japanese-designed bridge beside the lake. I built arbor-covered walks from rose gardens leading to a glen known as the Hermitage near my lake. I also built the town's first sanitary sewer system to serve the hotel and my various properties. I even built a sports complex at Cedar and Clinton streets for various sports including a grandstand seating 300 spectators. These were the predominant amusements at the time and were so successful I eventually expanded the grandstand to a capacity of 500. The sports attracted a lot of people to Wenonah, many of whom stayed and/or ate at the hotel. I did all this while running a successful printing business in Philadelphia. I was a busy guy.

*\*\*\* Jack Sheppard's interview of Stephen Greene will continued in the February newsletter. \*\*\**

# Wenonah Historical Society Newsletter

Next Meeting at 7:30 P.M. on  
Friday, February 8, 2013

Volume 11, Issue 2, February 2013

## THE PRESIDENT'S MESSAGE *by Charles Horan*

Dear Members,

I hope those in attendance enjoyed the presentation (verbal and photo) given in January by local author Tom Wilk. His presentation highlighted the history that surrounds us here in southern New Jersey. While it may not always be on a grand scale of national events (although some of it is), often it may be overlooked or taken for granted. I am drawn to it partly because it is close-by and easily accessible. Our own Wenonah Library has a nice selection of books that cover topics related to local history. Examples: New Jersey from Colony to State by legendary Rutgers history professor Richard McCormick. John Cunningham is a notorious New Jersey author of several books on local history topics. The library has available a number of his publications as well as various other authors.

Our program for February 8, 2013 will be given by Patricia A. Waltman Hrynenko, the Museum Collections Coordinator of the Gloucester County Historical Society. Her PowerPoint presentation will feature Sibyl Tatum Jones: Her family genealogy, history, heirlooms and dedication to the Gloucester County Historical Society. Patricia will expand on a current exhibit at the GCHS Museum

entitled "Stitched Through Time: A Legacy of Quilts, Part II."

I look forward to seeing you this coming Friday evening. Please bring a guest along.

## 2013 WHS DUES ARE DUE

Dues for 2013 are now due and are still a bargain at \$15 per family. The dues can be given to any WHS officer or mailed using the membership application on the last page of this newsletter.

## ODDS AND ENDS

➤ If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive sooner, reduce our printing costs, and if there is something in color, you will be able to see the colors.

➤ President Horan and I would greatly appreciate your ideas, thoughts and suggestions on the following:

- Programs for future meetings
- Feature stories or enhancements to the newsletter
- Ways to attract new members

Please send me an email or letter (110 S. Clinton Ave., Wenonah, NJ 08090), or give me a call (856-468-3480).

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

The following article was provided by Jack C. Sheppard, Sr. Sources of information for the article were "The Business Encyclopedia of Pennsylvania" by John Woolf Jordan, et al., and the book "Wenonah 2009" by Marjorie K. Lentz.

This part of the article concludes Jack's return to September 20, 1904 by time machine and interview of Stephen Greene on the front porch of Wenonah Military Academy. (The first part of the interview appeared in the January newsletter.)

## STEPHEN GREENE: A FOUNDER AND PIONEER IN WENONAH (PART 2)

by Jack C. Sheppard, Sr.

Stephen Greene  
1831 - 1908

**Question:** You mentioned the construction of churches in your grand plan for Wenonah, what was that all about?

**Stephen Greene:** Wenonah started out as a very Christian community. Not only was Tom Synnott a devout Presbyterian, he had the financial means to build our beautiful church and donate it to the town. My parents raised me as an Episcopalian and I served as a vestryman and rector's warden of the St. Peters Episcopal Church near where we lived in the Germantown section of Philadelphia. Also my wife was a devoted member of the Methodist Episcopal faith. I wanted the same access for our family when away from home. So I provided the ground for the Methodist Episcopal Church across the street from my home.

We laid the cornerstone of the Church on August 15, 1883 with Bishop Matthew Simpson presiding. Simpson had preached at Abraham Lincoln's funeral service. The silver trowel used in the cornerstone ceremony was presented to the Bishop and is now

in the Smithsonian Institution in Washington D.C. The day was stormy so the services were held on the front porch of our home across the street.

In 1884 I awarded a contract for \$5,300 to build the church. Work on the building progressed slowly and it was soon discovered the builder wasn't trustworthy and hadn't paid his suppliers. To resolve the problem I bought the building and obtained a new builder who finished the church. I then donated the church to the parishioners. My wife also donated an oak book case with 250 books for use by the Sunday School.

And speaking of "Sunday Schools" let me tell you about another of Wenonah's pioneers, Dr. George W. Bailey, who practically invented Sunday Schools. He started one in Wenonah and in time was responsible for the creation of many others throughout the state, the country and overseas. He eventually became the president and driving force for a world-wide Sunday School Association. A wonderful person, a credit to Wenonah.

**Question:** It has been 35 years since the founding of Wenonah and you and your partners in the Land & Improvement Company spent a lot of serious time getting the town to the status it now

enjoys. Was it all business during that time or did you take some time to have a little fun and enjoyment time?

**Stephen Greene:** Glad you asked. Yes, we did have many good times while creating our beautiful Wenonah. There were many memorable events such as the time we had orange blossoms shipped into Wenonah for the wedding of Fanonda Lorence. At a reception in Thomas W. Synnott's home every room was decorated with a different color with flowers from his conservatory. Bob Comey's boathouse on his lake at "Camelback" and my boathouse on Lake Cornelia were both the scene of many weekend festivities. Dinners were catered, orchestras were imported from Philadelphia, our naphtha powered boats provided rides on the lake and on one occasion Enrico Caruso sang. I occasionally invited members of the Philadelphia Opera Company to give impromptu concerts on my front porch and fifty singers under the direction of Dr. H. Lake Gilmour presented Gounod's Faust at the Wenonah Inn. One visitor while visiting his sister's home joined a group of local masqueraders at Halloween. He wore no mask and a resident said to him, "You look just like Groucho Marx." It was Groucho Marx. I was told Groucho Marx treated all the boys to ice cream at the Wenonah Drug Store whenever he came to Wenonah.

To provide outdoor sports the Wenonah Field Club was started in 1890 using my athletic park, which was completely enclosed by a high board fence and included a grandstand that held 300 visitors. I even had space prepared under the grandstand for storing the carriages and bikes of those who rode to the grounds to witness the athletic events. I had a bicycle track, baseball diamond, tennis courts and even held horse shows there. You asked if we had any fun along the way, I think you will agree that we certainly did.

**Question:** We are sitting here on the front porch of a military academy that until just a few years ago was the Wenonah Inn, a fine country hotel. What happened to the hotel and what caused it to become a military school?

**Stephen Greene:** Toward the end of the century the hotel business started experiencing hard times. Due to the advent of the automobile people were no longer restricted to going only where the railroad took them, they could make use of the "horseless carriage," as the automobile was first called, to go wherever they pleased. Also the building was old and lacked amenities such as improved plumbing facilities and electric lighting. The hotel was sold a couple of times but it seemed no one could make a go of it. The building remained empty. The *Constitution* newspaper noted "the Wenonah House is of no advantage to the owner or to the Borough." In 1891, an attempt at a public sale was a disaster. Only the furniture was sold. I saw what was happening and understood the reason for it. However, in 1892 the building was advertised for sale for \$5,000. At that price I couldn't resist it. I figured I would buy it and find a use for it later. In hindsight my purchase of the building at that time and eventually turning it into a Military Academy probably assisted the town in surviving the great depression of the late 1920s and early 1930s.

Following the purchase, I immediately organized a syndicate named the Wenonah Company. It was composed of myself as president, Thomas W. Synnott, who was then the president of the Whitney Glass Works in Glassboro, Dr. George W. Bailey, owner of a coal business, J. Frank Shull, the owner of a wholesale grocery firm, Charles M. Wilkins, owner of a company that manufactured electrical supplies, my son Dr. William H. Greene, and Isaac C. Stevenson.

We promptly demolished the old original Wenonah House hotel. On the same site we built a new

hotel to accommodate 150 guests, three times as many as the original hotel. It included a barber shop, a laundry, a 30-foot by 60-foot amusement hall and an engine-dynamo room to make electricity. In a separate building there was a ten pin (bowling) alley and a billiard room. It was a big improvement and immediately attracted new guests along with many of the old visitors. In May 1894 the hotel opened as the Wenonah Inn and it again resumed its whirl of concerts, hops, nightly entertainments and daily parade of turnouts. Several trains were put on railroad sidings for dances and other special events for the convenience of the hotel guests.

Other improvements followed such as servants' quarters and an ice house as well as stables for horses and sheds for carriages. A sewage system was installed for use of the hotel and some homes in the hotel area. Flagstone walks were installed replacing the wooden walks and there was even a small golf

course. The hotel staff was increased including a manager, chief clerk, night clerk, chef, head waiter, head cook, head engineer, head porter, master-of-ceremonies, bell boys and waiters.

Wenonah Military Academy  
1904 - 1935

Business was excellent for the next several

years, but nearing the turn of the century it became noticeable that more guests were arriving by automobile than by train, and by the early 1900s there were not enough guests to justify keeping the hotel open, so it closed. The automobile had presented people with a choice of locations for events and vacations not determined solely by the railroad destinations.

My business skills, although adequate for most purposes, couldn't buck this nationwide trend of the automobile replacing the horse and the train for moving people. But I got lucky. Major J. R. Jones, former head of a drill team sponsored by the John Wanamaker Store in Philadelphia, while riding past our vacant hotel conceived an idea for the use of the building. He immediately met with me and presented the idea for a military school. Because of my lifelong interest in the education of young people, I thought it a great idea and started almost immediately on the conversion.

And that brings us to this day, September 20, 1904, the opening day for the Wenonah Military Academy.

The people that I have been introducing you to during the course of this interview are the first

officers of the Wenonah Military Academy. Over there is my son, Dr. William H. Greene, who I am proud to say is an internationally known scientist. He is vice-president. Local, Dr. Harry A. Stout, is treasurer and Major J. R. Jones is the secretary. On the Board of Counsel are local Presbyterian Rev. Raymond H. Gage and my long-time friend Thomas W. Synnott. That handsome uniformed gentleman over there is Captain Percy C. Jones, commander of the cadets.

**Sheppard:** There being no further reason for my presence, I walked down the steps and into the park where I had parked my time machine and reluctantly dialed in my return to the future. I hated to leave. I intend to use the machine again soon to visit Wenonah on the day the Wenonah House Hotel opened in 1871 and for other important occasions.

**End Note by Sheppard:**

During its thirty years of existence the Wenonah Military Academy gained renown throughout the country and had many students from foreign countries. Its student cadets excelled in academics and sports. Much of its success can be attributed to the educational and moral standards of its founder Stephen Greene.

In September 1935, Dr. Charles H. Lorence announced that the Wenonah Military Academy would not reopen "because of economic reasons." Just as the doors of the Wenonah Inn closed an era, so did the doors of the Wenonah Military Academy close an era. Wenonah had gained strength from both institutions. As dogwood trees in the park were maturing into full grown beautiful trees, so was the Borough maturing.

After a useful life and career, a considerable amount of which was spent in and around Wenonah, Stephen Greene died at the age of 77 on May 21, 1908. In his eulogy it was noted "Stephen Greene needs no monument of marble to perpetuate his memory, the recollection of his life of honor and usefulness and of his kind and charitable nature being his most fitting memorial. His life should prove an inspiration to every ambitious young man showing, as it does, what can be accomplished by a clean living boy and man with a high purpose."

Next Meeting at 7:30 P.M. on  
Friday, March 8, 2013

Volume 11, Issue 3, March 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Due to the threatening weather forecast last month and after consulting with other members, I felt it was prudent to cancel our February meeting. Although the actual weather on the evening of the scheduled meeting was not quite as bad as predicted, I would rather err on the side of caution and safety in such matters. I hope everyone received notice in a timely fashion. Many thanks to Larry Smith and Jennie McQuade for helping to spread the word at the 11<sup>th</sup> hour.

The Wenonah Lions Club program coordinator, Jonathan Funk (Frank & Calie Magin's son-in-law) asked me if I could address their meeting on February 26th and talk about the Wenonah Historical Society. I gave a brief overview of the 1982 formation and mission statement of our organization as well as examples of recent presentations at our monthly meetings. Richard Dilks accompanied me and gave an abbreviated, but very interesting, reprise of what was here just prior to 1871 at the inception of Wenonah.

Patricia A. Waltman Hrynenko, the Museum Collections Coordinator of the Gloucester County Historical Society, has been so kind

to accommodate our group and give her presentation entitled "Stitched Through Time: A Legacy of Quilts, Part II" at our meeting on Friday, March 8<sup>th</sup>.

As always, I look forward to seeing you this Friday evening. Please bring a guest along who might be interested in this month's presentation.

## 2013 WHS DUES ARE DUE

Dues for 2013 are now due and are still a bargain at \$15 per family. The dues can be given to any WHS officer or mailed using the membership application on the last page of this newsletter.

## ODDS AND ENDS

➤ If you would like to receive an electronic version of the newsletter instead of a copy delivered by the U.S. Postal Service, let me know at [smithlr@att.net](mailto:smithlr@att.net). The newsletter will arrive sooner, reduce our printing costs, and if there is something in color, you will be able to see the colors.

➤ President Horan and I would greatly appreciate your ideas, thoughts and suggestions on the following:

- Programs for future meetings
- Feature stories or enhancements to the newsletter
- Ways to attract new members

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

*The following article was provided by Jack C. Sheppard, Sr.*

**WENONAH MILITARY ACADEMY  
1904-1935**

The Academy grounds are large and ample, overlooking a charming park in the foreground. The building is only a few minutes' walk from the railroad station, telegraph office and churches; it is three stories high, and has comfortable rooms for 130 students under one roof; it is heated by steam, lighted by electricity and gas, and furnished with an ample supply of pure water from the plant of the borough, in addition to which the Academy has a separate and entirely independent supply from an artesian well 351 feet in depth. Careful analysis has demonstrated this water to be of absolute hygienic purity, and this purity is assured for all time, as the water cannot become contaminated by any organic matter from surface drainage. The entire drainage system, designed and constructed under the personal supervision of one of the most accomplished and experienced engineers of the country, is believed to be as nearly perfect as expert skill can make it.

The Academy building is the home of the cadets. In the opinion of those best qualified to judge, the building is considered one of the best-adapted school edifices in the East. Its unique plan affords peculiar advantages for a school home for boys.

A description of the building follows. On a central angle of 50 feet, three wings of 100 feet extend, with a massive tower rising to 70 feet over the central angle; consequently the building has abundance of light all day long. The lower floor, or basement, is occupied by the spacious drill-room, containing 2000 square feet, amusement-rooms, boiler-room, lavatories and laundry. On the main floor are rooms for the superintendent and masters. The general assembly room is in the south wing. In the central angle are the reception-room, the library and reading-room. From this diverge the assembly, class and dining-rooms.

Wenonah Military Academy  
1904 - 1935

The second, and third floor also, contains 30 sleeping-rooms and lavatories. An 8-foot hallway extends the full

length of each wing. The sleeping-rooms are warmed by steam, regulated to keep an even temperature. Danger from fire is at a minimum, for the reason that no stoves or heating apparatus other than the steam heat are allowed in the building. Two exits for each hallway, one by a short stairway of only 12 feet, the other by an enclosed stairway, furnish immediate access to the main entrance. Altogether there is not another building where such extreme caution has been taken in providing for the general care and safety of the student.

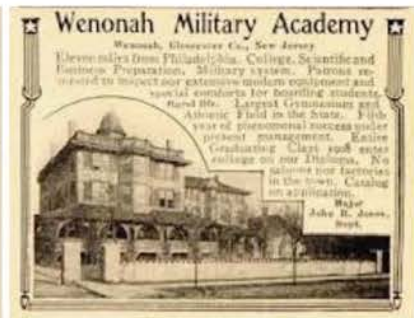

The students' rooms are large, heated by steam and nicely furnished with first-class furniture, the beds having woven-wire springs, hair mattresses and the best sheeting and woolen blankets. The rooms on all floors are 10 by 16 feet and 14 by 16 feet in size, and are arranged for cadets wishing to room alone, or for two cadets. Eight bath and toilet rooms are on each floor, constructed in the most modern and improved manner.

The class-rooms are provided with every convenience for the work of instruction. They are ample in size and number, and convenient in arrangement.

Typical Cadet Room

The library, 43 by 50 feet in size, is lighted by large windows opening upon the great piazza, beyond which may be seen the beautiful Academy grounds. The library is always open to the booklovers among the cadets. Among the periodicals on file are Harper's Magazine, The Century, Scribner's, The Forum, The Cosmopolitan, McClure's, Munsey's, Review of Reviews, World's Work, Outing, St. Nicholas, The Youth's Companion, Harper's Weekly, Collier's Weekly, Country Life in America, The Scientific American, The Critic, The Churchman, The Church Standard, The Evangelist, The Outlook, The Independent, and many other standard publications.

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

I predict that by Friday at 7:30 PM it will be 70 degrees and still bright outside. Unlike Punxsutawney Phil, I hope no legal action is brought against me if am wrong.

Regardless, better weather is definitely in the forecast. I

thought last month's presentation on Sibyl Tatum Jones by our partners at the Gloucester County Historical Society was interesting local history. Although sometimes mundane, the real stories of those who lived in this region in the past hold a special fascination for me. We thank the GCHS for their presentation.

This month's presenter is David M. Boone — Marine Artist. David grew up in the Fairview section of Camden close to the north branch of Newton Creek. David developed an interest in tugboats and shipping along the Delaware River from an early age. He worked as a local tugboat dispatcher for 28 years. He will be speaking of the legacy of shipping and tugboats in this region. David's art has been displayed at the Independence Seaport Museum in Philadelphia for "Tugboats: The Art of Dave

Boone" exhibit. We look forward to an informative talk on this topic so vital to the growth and history of the Delaware Valley.

As always, I look forward to seeing you this Friday evening. Please bring a guest along who might be interested in this month's presentation.

## **WENONAH MILITARY ACADEMY "TAUGHT BOYS HOW TO LIVE"**

by Elm McCormick – *Salem County Sunbeam* – January 7, 1977

Wenonah Military Academy. To the youngster of this day the name means nothing.

But to those who attended the institution in Gloucester County a few miles south of Woodbury, it's another world.

It still brings to mind days of warm friendships, studies under strict but pleasant conditions, parties, military balls, and of course, athletics, and everything else which went with a well operated educational institution.

Railroad tracks toward the shore still pass the remaining part of the immense athletic grounds. Here Academy teams strove against other private school groups and some of the better high school teams.

The period: in the early fall of 1904 to 1935. To attend Wenonah Military was the dream of many a youth.

To don the military blue of the Academy, to march with newly made friends, to play on the athletic squads or just to be part of what was one of the best military complexes of its time — that was something to be desired.

Many a boy reached that stage, where his entry wish was fulfilled. And he was the better for it. Faculty members were learned in their subjects. Coaches knew thoroughly they sports they taught.

One of their games was polo. Edgar W. Holton, class of 1924, recalled "we were so good that one year we beat the championship team at West Point Military Academy."

Holton, now retired and an active member of the Woodstown Rotary Club, is president of the alumni association which meets twice a year.

Herb Pennock, one-time famed pitcher for the Athletics and the New York Yankees, did his school day hurling at Wenonah. Dozens of others who had their beginning at the Academy went on to greater recognition in college or with independent athletic groups. It was at a time, however, when only a small percentage of scholastic graduates sought higher education.

Holton played with the semi-pro Penns Grove Red Devil footballers. Under an assumed name, of course; he was still with the Academy team other Salem County boys were there.

Brought to mind by Holton were the Shuman boys (they were hot in the three main sports, football, basketball, baseball), and Jim Goslin, brother of the late big league diamond star, Goose Goslin. There were a number from this county over the years who were athletically inclined in a fiercely competitive athletic world. Some of them did not flash to the extent of drawing the headlines.

It wasn't just the athletic life of the Academy community which concerns Holton now. He's interested in keeping track of the many living grads who make up the alumni rolls.

"Many of our boys were from this area," he said, "New Jersey, Pennsylvania and nearby, and yet we had them from all over.

"Florida, California, Maryland, Washington, Connecticut, Idaho and places even outside the country. The students came from everywhere."

He recalled two Mexicans who were at Wenonah in the 20s. And several boys living in the town of Wenonah found the private school so to their liking that they transferred from the public classes.

Hap Farley, long-time political leader in Atlantic City, rarely misses one of the alumni gatherings. Several others come long distances to be with their classmates of 50 and more years ago.

Holton recalled that when their spring meeting was held at the shore last year, Bill Woodburn came from Riverside, Cal. So that the business of association can be carried on more readily, all officers are from this area.

Bill Graupner is secretary. One of the better athletes at the Academy, he had been just as good at Collingswood High School. He continued his athletic participation after leaving Wenonah.

Michael S. Cetti (right away you think of the Salem Community College) was in the '34 class. Roy Bloomingdale, active in Pitman sports, kept up his playing field participation. So did Nick Caterina at Vineland.

A.W. Chandler is now retired as a rear admiral in the U.S. Navy. Another who entered the service Kenneth E. Dilks, '31, lieutenant colonel, retired, has his home in Thailand.

Athletics continued to be a part of Roy Coble (Woodbury) after he departed the Academy. Retired at the DuPont Chambers Works, Nicholas V. DeLucia, Penns Grove, '35, now lives in Runnemede.

Bill Graupner, Collingswood, in the '28 class, went in for officiating after a brilliant career in sports. A Swedesboro Higher, Cleveland Sholders, was a grid performer after entering in '34. Another in the field of athletics was Carl

Tripician, '26 of Margate.

All-rounder (any sport you wanted to name) Maurice P. Shuman (they called him Kid) went to Peddle Institute at Hightstown, became a coach there and finally head master. He was a Salem boy. Footballer William B. Vanneman, '17, now living in Wilmington, recently published his first book.

Some of the earlier meetings of the old grads were devoted to the possibility of restoring the Academy to the stature of former days. But, no buildings remained. The cost of construction was prohibitive.

Holton recalled how officials would tell of the school's catalogue being sent far and wide. It included a thought, "We teach boys how to live." Remembered, too, on the front wall of the study hall was the inscription, "He conquers who conquers himself".

While the Wenonah Military Academy as the oldsters remember it is no more, there's still a plaque to note the passing of the once famous institution. "Lest we Forget", it reads. The dates, "1902-1935," are followed by "Fond Memories, the Alumni Association."

In recent years a display of Academy memorabilia was set up in

the Gloucester County Historical Society building in Woodbury. Graduates provided most of the material which they had treasured for years.

The alumni members have something to look forward to. Holton has sent out word that the annual spring gathering will be held on May 14. It'll be at the accustomed shore point, the Port-O-Call.

Next Meeting at 7:30 P.M. on  
Friday, May 10, 2013

Volume 11, Issue 5, May 2013

## THE PRESIDENT'S MESSAGE

by Charles Horan

Dear Members,

This month will be the last regular monthly meeting before "Summer Break". We have a nice program to be presented by local author Lee Ireland. It is described below. Also noted is information on our November 2012 presenter, Dr. Ken Lacovara. He will be in Wenonah this coming Thursday evening. As always I look forward to a good turn out Friday night for an informative and social evening.

Why are there so many places with the word "Egg" and "May" in their name? Isn't it obvious that Atlantic City's Boardwalk was named for the boards that you walk on? What other reason could there be? Did the developer of Vineland and Sea Isle City really try to create a county named for him? Where is the "Harbor" in "Egg Harbor City?"

Lee Ireland's latest book, *Place Names of the Jersey Shore-Why Did They Name it That?* answers these questions and reveals that today's "Shore Road" in Atlantic County was built on an Indian trail and during Colonial times was named "The King's Highway." In Cape May County, it was named the "Queen's Highway." These examples provide just a small taste of the more than 300 place names described.

"Place Names of the Jersey Shore" is an authentic, local title, written by a life-long resident of the area whose family in America goes back to at least the 1700s (Grandfather was a conductor on the Shore Fast Line). All of Atlantic County is covered, as well as, all of Cape May County.

Dr. Ken Lacovara will be addressing the Gloucester County Nature Club (GCNC) on Thursday evening. Members of the Wenonah Historical Society are invited to attend.

Dr. Lacovara's program, "The Fossils at Inversand and the KT Boundary Mass Extinction" will be on Thursday, May 9th at 7:00 P.M at the Holy Nativity Lutheran Church at 3 Lenape Trail, Wenonah. All GCNC programs are free and open to the public. The nature club's is also having its annual plant sale at the church that evening at 6: 00 P.M. Anyone who comes a bit early can check that out too.

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

Our annual WHS Picnic is scheduled for June 14th. Try to keep that evening open. Details to follow.

## 2013 WHS DUES ARE DUE

Dues for 2013 are now due and are still a bargain at \$15 per family. The dues can be given to any WHS officer or mailed using the membership application on the last page of this newsletter.

*The following article was researched and written by Jack C. Sheppard, Sr. Source materials were from Milton H. Webb and Marjorie K. Lentz.*

**DR. GEORGE WASHINGTON BAILEY**  
**DECEMBER 5, 1840 – DECEMBER 10, 1916**  
**Pioneer of Wenonah Elementary School and Sunday Schools Worldwide**  
by Jack C. Sheppard, Sr.

**Dr. George Washington Bailey**

Following my "time-travel" voyage to Wenonah in 1904 on the opening day of the Military Academy I was so pleased with my Stephen Greene interview I decided on another trip. This time I wanted to go all the way back to the earliest days of our town to meet Dr. Bailey, another of the handful of men who were its founders, movers and shakers. I had already done some preliminary research before making my trip back in time and learned the following:

George Washington Bailey, son of William and Lydia (Densten) Bailey, was born on his father's farm near Clarksboro, Gloucester County, New Jersey, December 5, 1840. His early education was in the public schools of Gloucester County and the State Normal School in Glassboro. In his early years he carried a musket in the Civil War serving on the Union side loyally and faithfully as a sergeant in Company E, Twenty-fourth New Jersey Volunteers with distinguished service at Fredericksburg and Chancellorsville. After the Civil War he entered the medical school of the University of Pennsylvania from which he graduated in 1868 with the degree of M. D. He then engaged in the general practice of his profession in

Philadelphia. In 1872 his health began to fail under the strenuous labor in which he was engaged, and he was compelled to abandon his practice. He then for a time engaged in the real estate business in Camden, New Jersey, and after this in the wholesale coal business in Philadelphia. Finally he entered into the business of mining and shipping coal. As a result of his business activity he was for many years an influential member of the boards of directors of a number of business corporations. He was one of the prominent organizers of the Camden National Bank and served on the Boards of the Bridgeton and Glassboro National Banks. The latter brought him into Gloucester County.

I set the time machine dial for September, 1871 and the location as the front yard of the Wenonah House Hotel which was under construction and only partially completed. The intended opening date was to be the following year on Independence Day July 4, 1872. I went there to interview Dr. George Washington Bailey whose accomplishments in the early days of Wenonah, especially its scholastic and religious activities are legendary.

I opened the time machine door and found myself in front of the hotel, surrounded by construction materials and workmen hurrying to take advantage of good construction weather. The partly constructed hotel appeared to be less than half the size of the Military Academy building that it later became. I looked beyond the park limits to see what the town looked like and all I could see were a few houses in the process of being constructed and a railroad station a short distance from the park. Everywhere else was just farm fields and a few isolated farm houses. Horses and wagons passed by on Mantua Ave., a dirt road.

The park in front of the hotel was just raw earth and was split in two with a street (to be Park Avenue) running through it to Clinton Avenue (also under construction). I asked one of the workmen where I could find Dr. Bailey and he pointed toward a very dignified, bearded gentleman standing nearby, observing the construction. He looked to be in his early thirties. In response to my request to speak privately with him he nodded agreement, led me to a pair of rocking chairs away from the construction and that is where the interview took place.

I introduced myself and said to him "Please don't ask me to explain how I know, but I already know you are a native of Gloucester County born on your father's farm near Clarksboro. I know of your early education and that you served honorably in the Civil War. I know you are a medical doctor but that you left that profession and are now in the business of coal mining and shipping with an office in Philadelphia. But what I want to learn more about is why you are here, in a tiny town to be, surrounded by sweet potato fields, and with an uncertain future. What do you have in mind?"

**Dr. Bailey:** For some time now I have had a business relationship with Sam Whitney, who owns and operates the Whitney Glass Works in Glassboro. He told me of his relationship with the West Jersey Railroad Co. which he makes use of to improve the delivery of his glass products to the Camden and Philadelphia markets. It was Sam who told me the railroad company was starting a town called Wenonah to stimulate passenger travel along its new rail line and asked if I would be interested in investing in it.

During my life thus far I have been extremely interested in education, especially religious education. I believe a good education is going to be necessary for success in our fast-growing young country. I also believe strongly in the teaching of religion for moral development of American youth and this can best be achieved in Sunday schools. What better opportunity could I ever have to start one of each kind of school that hopefully will grow as the town grows. I am so enthused about the prospect I am investing in Wenonah by buying land and building a home here. If you look over your shoulder the house being constructed on the corner (southeast corner of S. Clinton and E. Mantua Aves) is mine. Although I have a home and an office in Philadelphia I intend to commute frequently by train to and from Philadelphia and live full-time in Wenonah during the summer months.

I am already heavily involved in Sunday school related activity as president of the New Jersey State Sunday School Association and chairman of its executive committee. I also serve as treasurer of the International Sunday School Association, and member of the executive committee of the World's Sunday School Association.

**Question:** Do you mind my asking what is your religious faith?

**Dr. Bailey:** Not at all. I am a Presbyterian by birth and by choice and have for several years been a member of the board of trustees of the general assembly of that denomination as well as vice-president of the general assembly's board of education. I'm a member of the board of trustees of the Presbyterian Hospital and vice-chairman of the West Jersey Orphanage for Destitute Colored Children. I am also conferring with two other Wenonah founders, Thomas Synnott and Andrew Carey, about starting a Presbyterian church here in Wenonah. To get started we plan on bringing Glassboro's Presbyterian Pastor up the tracks on a "hand-car" and holding services in the train station. We even have plans for a Presbyterian Chapel to be built up Clinton Avenue near Andy Carey's house. This is all very exciting for me.

**Question:** You make it sound as if Wenonah is going to be a great family town. Any prospects for marriage and family in your future?

**Dr. Bailey:** Yet another reason for my building a residence here in Wenonah. My marriage date is already set for December 8, of next year 1872. My intended is Rebecca (Hyder) Hurff, daughter of Thomas W. Hurff of Hurffville, Gloucester County. Mr. Hurff is a farmer who at one time served in the house of the New Jersey legislature.

**Question:** Is it just you, Stephen Greene, and the other fellow you mentioned, Andrew Carey that are leading the development of this new town?

**Dr. Bailey:** No, there are a few others. In fact we have organized a company, the Mantua Land and Improvement Company to further our objectives and sell building lots. We incorporated it by an Act of the New Jersey Legislature in February of this year. In addition to Steve Greene and Andy Carey there are Thomas Yorke and Gen. William Sewell who are the President and Vice-President of the West Jersey Railroad Company, Horatio Mulford, John Starr, Edward Warne, Samuel Hopkins and Thomas Carr.

The two homes under construction over there, and there (pointing to two other construction sites a short distance away) are for Tom W. Synnott from Glassboro, a nephew of Sam Whitney, also of Whitney Glass Co., and Andy. Carey, general manager of a dental manufacturing firm in Philadelphia. I wasn't aware of the town creation project in February nor was Andy Carey so we are not directors of the Land Company. We are however maybe even more enthused about the prospects for Wenonah than the Directors themselves. That is why Andy and I intend to be the first Wenonah residents.

**Question:** Dr. Bailey, I am sorry to say I have to leave now. But your information about the role you have played in the creation of Wenonah and the people involved in it so far has been interesting and helpful to me. May I return at a later date and talk with you to learn more about the status of the town and your part in its development?

**Dr. Bailey;** You certainly may and let me say it has been a pleasure talking to you about what we hope will happen on this very small part of a large and great country. Come back any time.

**Editor Comment:** Of course I know about the growth of the town in the years following my interview with Dr. Bailey, mostly based on historical information compiled by local historians Milton Webb and Marjorie Lentz and a few other research resources. But I wanted to know more from him about some of the more important details.

So I returned to the Time Machine and dialed in a new date, 1910, the year where in Washington D.C. Dr. Bailey was elected president of the World Sunday School Association. Truly the lifetime achievement he had sought and worked so hard for.

This time instead of meeting him at the hotel, now in its sixth year as the Wenonah Military Academy, I simply walked across the park to his house on Mantua Avenue across from the Wenonah Free Public Library. I found him sitting on his porch. He seemed startled to see me and said "why you don't seem to have aged a day since I last saw you 39-years ago. Please sit down and we can resume our conversation about the early days of Wenonah".

**Question:** When last we spoke you had retired from your career as a physician and appeared to be doing very well in the coal business. Are you still in that business?

**Dr. Bailey:** No I am not. In fact I did so well in business it enabled me to retire early and devote full-time to my Sunday School work. My Sunday School activity began here in Wenonah where on September 15, 1872 at my request citizens of Wenonah and guests of the Wenonah House met in Dr. Garrison's office to create a

Dr. George W. Bailey Residence — 1 South Clinton Avenue  
circa 1872

Sunday School. Twenty adults and twenty-one children arrived the first day. At the meeting I was elected superintendent, Andrew W. Carey became secretary-treasurer and Thomas W. Synnott was made librarian.

I immediately sought out scholars and arranged for classes to be held. I rounded up everyone in town who had any capacity to act as teachers. We held classes in my house but soon had to move to the train station where there was more room. Preaching was held at irregular intervals, sometimes in the afternoon following Sunday School. Curiously, although I and the Presbyterians organized the Sunday School, the first sermon preached in Wenonah was by William S. Cattell, a Methodist. However as a community we were of one mind, no friction, each willing to work, no one seeking preferment. We were indeed a happy family."

**Question:** With all your obvious talents for teaching religion and general education were you also in charge of musical education?

**Dr. Bailey:** I could have probably taken care of that too but we were blessed by having several individuals with greater talent in that regard than mine.

The singing for the Sunday vespers services was often led by Dr. Henry L. Gilmour of Wenonah, a song leader who was in such demand that he led conventions and camp meetings as far away as Chicago, and by Methodist Church Rev. Henry J. Zelle also a popular song leader. They were so capable and enthusiastic it was rumored the singing in Wenonah park was so spirited it could be heard as far away as Mantua. While in Wenonah the two of them wrote literally hundreds of gospel songs and edited innumerable gospel song books. Among their works which gained nationwide recognition were the gospel songs, "Heavenly Sunlight" and "I've Anchored My Soul to the Haven of Rest." All of this out of little Wenonah. It was just amazing.

**Question:** You obviously had the religious education well in hand. What about primary general education for the youth of Wenonah?

**Dr. Bailey:** With regard to general education, children of some of the new residents in Wenonah attended boarding schools in Philadelphia while other children walked to the Mantua School even though it was not in Deptford Township. However in 1875 the parents hired Charles Buckman to drive our school-aged children to the one-room Monongahela School where my sister Sallie Bailey was the teacher. This school was three miles east of Wenonah down a lane that passed the former Benjamin Clark brick farm house.

However Wenonah was growing quickly so in 1876 I proposed a school for Wenonah. I sent a letter to William Milligan, Gloucester County Superintendent of Public Instruction, outlining a plan. I said we are holding classes in a private dwelling. On October 31st we expect to occupy a part of the Wenonah House hotel. Please send us books and blanks which as I understand the matter are furnished by the state. We then began holding classes in Joseph Noblitt's building on North Clinton Avenue commonly called Noblitt's Hall, and in the winter classes met in the dining room of the hotel. I remember our school budget for the first year was \$605 which included my sister Sallie Bailey's annual salary of \$360.

Two years later in 1878 we built the two-storied school on the edge of the town plot just behind the Presbyterian Chapel where it is now. By the end of the first year 55 of our children were registered. The one complaint of the new school is recorded when a neighbor declared the school bell a real nuisance and pleaded it be torn down.

*\*\*\* Jack Sheppard's interview of Dr. George Washington Bailey will continued in the next newsletter. \*\*\**

Next Meeting at 7:30 P.M. on  
Friday, September 13, 2013

Volume 11, Issue 6, June 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Memorial Day Greetings - let us remember those who have and continue to serve this great nation.

At an executive meeting held on Wednesday, May 22nd, one topic on the agenda was the 2013 WHS picnic scheduled for Friday June 14th. Due to mitigating circumstances and logistics, we have decided to forego the picnic for this year. Next year it will be held on the second Friday of May. Other issues of importance to our fine organization were discussed. They will be detailed and presented at the October regular meeting.

I hope you will agree that despite the weather related cancellation of the February meeting, it has been another interesting year for the Wenonah Historical Society. The executive committee has some proposed changes planned that will hopefully enhance the vitality of the WHS going forward.

Please have a safe and enjoyable summer. Mark your calendars for our "Meet and Greet" to be held on September 13th. Details to follow.

## 2013 WHS DUES ARE DUE

Dues for 2013 are now due and are still a bargain at \$15 per family. The dues can be given to any WHS officer or mailed using the membership application on the last page of this newsletter.

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

.....  
*The following article was researched and written by Jack C. Sheppard, Sr. Source materials were from Milton H. Webb and Marjorie K. Lentz. Jack's research suggests that Dr. George Washington Bailey was the founder of Wenonah's school system.*

*This part of the article concludes Jack's return by time machine to interview of Dr. Bailey. (The first part of the interview appeared in the May newsletter.)*

**DR. GEORGE WASHINGTON BAILEY**  
**December 5, 1840 – December 10, 1916**  
**Pioneer of Wenonah Elementary School**  
**and Sunday Schools Worldwide**  
**by Jack C. Sheppard, Sr.**

**Question:** When I interviewed you in 1871 you told me you were to marry Rebecca Hurff the following year. How did that work out? Is she still your wife?

**Dr. Bailey:** No I am sorry to say, and may God rest her soul, my Rebecca died in 1888. Although we had 16 great years together we

were not fortunate to have any children. After a few years I married again, a Wenonah girl, Annie McGill. She is the daughter of George S. McGill of Wenonah who is a molasses merchant in Philadelphia. We have two lovely daughters, Grace and Anna who were born here in Wenonah.

**Question:** Obviously Wenonah was growing rapidly in the care and control of you “volunteers”. When did you decide a more formal organization was necessary to run the town?

**Dr. Bailey:** When by the early 1880’s Wenonah had grown to fifty “cottages” and a population of three hundred we polled the residents and they agreed it was time for us to establish our town as a separate entity from Deptford Township. We put it to a vote and on March 8, 1883 our residents chose to be incorporated as a Borough Commission. Those elected to office were me as President, Isaac C. Stevenson, treasurer, Thomas W. Synnott, Andrew W. Carey, M. H. Perry, J. Frank Shull and Cunningham B. Johnston.

**Dr. George Washington Bailey**

The “Commission” structure enabled us to act independently from Deptford Township in many ways. However we were still part of the Township and paying taxes to them. In 1896 we again polled Wenonah’s residents asking for permission to adopt a newly created form of government in New Jersey, the Borough form. The residents approved the change. This new arrangement fully separated us from Deptford, created a Mayor and Council and provided authority to use all of the ensuing property taxes for Wenonah purposes only.

**Question:** I know you are a busy man and this interview is taking a lot of your valuable time so I will make my remaining questions as brief as I can. Will you summarize for me the other important activities you either initiated or participated in?

**Dr. Bailey:** Yes indeed, and I should say I and all of the other original activists that started Wenonah continued almost as a team in providing the facilities and functions necessary for a successful community.

In addition to the changes in the form of government resulting in our separation from Deptford we also found the time to create the school system, the Presbyterian and Methodists churches, the rebuilt Wenonah Inn that became the Military Academy the Wenonah Water Works and others of small but useful and necessary function. Both the Wenonah Inn and the Military Academy aided in creating an attraction in Wenonah that resulted in additional growth, support for Wenonah’s business, and a reputation for excellence that extended far beyond our corporate boundaries. During my national and worldwide travels I frequently meet people who have heard of our town and hold it in high regard.

**Question:** You mention your worldwide travels and I assume you mean those connected with your Sunday School activity. Can you tell me more about how you went from a Sunday School in Wenonah to heading up similar activity worldwide?

**Dr. Bailey:** I’ll be glad to. Following the creation of Wenonah’s Sunday School I began spreading the message of the benefits of such schools throughout the region and the state. These activities resulted in my being elected to the state “Sunday School Association” becoming its president, a position I held for twenty-seven years. Then while in that position I was elected to an international Sunday School committee to represent New Jersey. The following year I was put in charge of the finances of the entire American Sunday School

Association. And most recently, in 1910 I was entrusted the arrangements for the great World Sunday School Convention at Washington, D. C. And finally, later in 1910 I was elected president of the World's Sunday school Association. In that position I attended and presided over an international convention in Zurich, Switzerland in 1912. Didn't take long to describe those activities but they were important and they started right here in our beloved Wenonah.

**Question:** Dr. Bailey, you have apparently decided to dedicate the rest of your life to creating Sunday Schools, not only here in Wenonah and America, but around the world as well. Can you tell me why Sunday Schools are so important to you that they have become your life's goal?

**Dr. Bailey:** I certainly can and I'm glad you asked. As the worldwide population expands it is vitally important to provide our youth with a knowledge base that includes moral teachings. How else are they to learn about good and evil, right and wrong, moral versus immoral activities and the like. Since Sunday Schools are attached to our churches we can provide the biblical "Ten Commandments" and other similar Bible-based teachings. And for those choosing to go through life without benefit of religious teachings we can repackage the Commandments as "Ten Good Ideas" and teach them in our elementary schools. I consider it mandatory that citizens here and worldwide be taught how to live in peace and harmony with one another so we need to establish basic rules on how to accomplish this. Sunday Schools are an excellent means of getting these messages across to current and future populations.

**By Questioner:** Thank you Dr. Bailey. The way you describe it I can readily understand your prodigious drive and ambition. I wish you all success for the future.

I have to leave now but before going I want to tell you how much I enjoyed this visit with you and learning more about your life's work, aims and ambitions. As I mentioned to you earlier, I can't tell you how I know, but you can be assured your activities will have a positive impact on future generations and that this town will be a success. Thank you for giving us Wenonah.

**Author's Comments:** While researching the lives of Wenonah's founders I learned much about them and what it was like to function at their level in our society in the period 1870 through the early 1930's. I was impressed. These people were self-made, intelligent; religious, and very much involved in their community, state and nation. They worked hard, created substantial wealth, and were very generous with contributions to those less fortunate. It was a time that I wish would return but I doubt ever will. It was a unique era in the history of our country.

Dr. George Washington Bailey died December 10, 1916 and is buried at the Eglinton Cemetery. In a eulogy it was said of him "Generous to a fault, kind hearted and true, with a personality that won the respect and admiration of rich and poor alike, he filled a big place in the social and religious uplift movement of his generation. He was one of God's noblemen."

A monument commemorating his work with the World's Sunday School Association, which preceded the World Council of Churches, has been erected at an entrance to the Cemetery.

Next Meeting at 6:00 P.M. on  
Friday, September 13, 2013

Volume 11, Issue 6, September 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Greetings fellow members of the Wenonah Historical Society. After a long hiatus, I am preparing and looking forward to a new and different 2013-14 season of interesting historical presentations and social affairs. I hope everyone survived and enjoyed the wet and wild summer and the firing of Phillies skipper Charlie Manuel!

Of course it would not be the second Friday of September if we were not attending our annual "Meet and Greet End of Summer Throwdown." This year's kickoff will be held at the Community Center / Train Station. Please make plans to attend and bring a friend on Friday, September 13th at 6:00 P.M. This is not a bad luck date but a Good Luck soiree where we see each other again after a long break and share stories of the summer.

I ask that attendees bring appetizers and desserts based on the first letter of your last name.

- A through M, please bring an appetizer.
- N through Z, please bring a dessert.

Beverages will be provided.

I look forward to a good turn out and a good time.

## HELP WANTED

There is need for one or more persons to assume responsibility for the future of the Wenonah Museum (located on the second floor of the Community Center). Such person(s) need not be professionals of any sort, nor computer geeks, nor highly trained museum experts. All that is necessary is an interest in preserving the history of one of the best small towns in the County, bar none. One or more Wenonahians willing to take on the challenge can meet with Julie Ream and Jack Sheppard to discuss the current status of the museum and to consider

needs to finalize the facility and render its contents available to Wenonah residents. This is an opportunity to participate in a venture that will greatly benefit Wenonah residents, especially our children, for a lifetime and more. Let's get together and talk about it.

*Jack Sheppard Sr.*

## ANOTHER POSSIBILITY

If someone would like to take over the newsletter, I would be able and willing to take over the museum venture.

*Larry Smith*

### 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

*The following article was researched and written by Jack C. Sheppard, Sr. Information for the article was provided by Marjorie K. Lentz.*

**DR. HENRY LAKE GILMOUR, SR.**  
**(1836-1920)**  
*by Jack C. Sheppard, Sr.*

Henry Lake Gilmour was born in Londerry, Ireland on January 19, 1836. His father was a tanner in Ireland and was a very strict disciplinarian.

At 16, Henry, according to the traditions of his community went to sea to learn the skills of navigation. He sailed on a vessel and found himself in port in Philadelphia and was very impressed, although he was offered a position as navigator by the captain of the ship, he decided to remain in America. He settled in Cape May, NJ and began a career as a house painter. It was in Cape May he met Miss Letitia Pauline Howard and they were married in 1858.

Very soon after the beginning of the Civil War, Henry left his wife and, then, two year old son to enlist in the First New Jersey Cavalry. He served a total of 4 four and a half years in the Union Army and held the rank of Major at the time of the Confederate surrender. His memories of his service were permanently etched in his mind. He had been captured by Confederate forces and held as a prisoner-of-war in the "Libbey Prison," a converted furniture factory, just outside of Richmond, VA. He was released in a prisoner exchange after being held for three months. During his imprisonment he developed an interest in dentistry and took care of his fellow prisoners teeth. Upon his release and discharge from the Army he enrolled in classes at the Philadelphia College of Dentistry. He opened an office in Cape May and later in Philadelphia. On the train commute between offices he began to notice and became impressed with the beautiful little community of Wenonah, NJ. Dr. Gilmour moved his family to Wenonah in 1869 into a house on Mantua Ave., the main street in Wenonah.

***Dr. Henry Lake Gilmour, Sr.***

While living in Cape May, Dr. and Mrs. Gilmour were very active members of the Cape May Methodist Church, but when they arrived in Wenonah there was no Methodist church so they began attending Memorial Presbyterian Church where he took an active leadership role. Dr. Gilmour became chorus director for the Pitman Camp Meeting Association, a position he held for more than 40 years, and worked at camp meetings and revivals in Mountain Lake Park, Maryland and Ridgeview Park, Pennsylvania.

In 1885, Dr. Gilmour headed-up, along with an ardent group of Methodists, the formation of the Wenonah Methodist Episcopal Church. Not only did they organize the society, but they built the Church building, which is still in use today as the Wenonah United Methodist Church. Dr. Gilmour served as a trustee, steward, Sunday School superintendent, class leader and chorister at his little Wenonah church and in spite of very attractive offers from several large city churches in Philadelphia, Dr. Gilmour remained faithful to his beloved Wenonah Church.

Dr. Gilmour was a man of rugged frame and a strikingly strong bearing. On Monday, May 17, 1920, he was taken ill with uremic poisoning and did not realize or admit that it was any more than a minor ailment. He went home to be with the Lord on Thursday, May 20, 1920. His funeral service was held at the home of his son, Dr. H. Lake Gilmour on May 24, 1920. Brief addresses were made by Rev. R. H. Gage of the Memorial Presbyterian Church and Rev. F. B. Morley, pastor of the Wenonah Methodist Church. Dr. Gilmour was interred in the Wenonah Cemetery. At the time of his death Dr. Gilmour was survived by his wife, two sons; L. D. H. Gilmour, of Newark, NJ, and Dr. H. Lake Gilmour Jr. of Wenonah, and a daughter, Mrs. Mary P. Hatch, of Delair, NJ.

A memorial service was held at the Wenonah Methodist Episcopal Church on Sunday, June 6, 1920 at 4:00 P.M. Dr. Gilmour's hymns were sung and there remarks by Prof. William J. Kirkpatrick and Rev. DeWitt C. Cobb. An appreciation of Dr. Gilmour was read by Dr. H. J. Zelly and resolutions adopted by the Official Board of the local church were read by Dr. David Schoch. C. Austin Miles of

Pitman was also in attendance and spoke about his long time friendship with Dr. Gilmour.

Throughout his life, Dr. Gilmour never lost his love of the sea and many of his hymns echoed that love. His constant memory of his time spent as a prisoner-of-war is also seen in his writings.

Some of his hymns are:

- He Brought Me Out
- Jesus, I Go Through With Thee
- Like A Mighty Sea
- Saved From The Wreck
- Watchman, Blow the Gospel Trumpet When Israel Out Of Bondage Came

Note: Son Dr. H. Lake Gilmour Jr. served as mayor of Wenonah for 14 years from 1931 through 1944. He was succeeded as mayor by William I. Conway, grandfather of WHS member Barbara Conway Horan, who served from 1945 through 1959.

Volume 11, Issue 8, October 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

I hope everyone enjoyed our annual "Meet and Greet End of Summer Throwdown."

Jennie McQuaide's family recipe for Zucchini Cornbread Casserole is included in this newsletter. I know it was a favorite at the gathering. Thank you for sharing it with us, Jennie.

Robert Catando will be the speaker at our meeting on October 11<sup>th</sup>. He will provide a brief history of battleships and then talk specifically about the Battleship New Jersey, concluding with a virtual tour of the ship and "all of its parts."

Robert earned a bachelor's degree from Juniata College (History and Political Science) and a master's degree from Temple University (Secondary Education and Administration). His 38-year career in education included positions in Paulsboro, as High School Principal (1974-1983) and Elementary Principal (1984-1989), and in Alloway Township as Superintendent of Schools (1989-2001).

Since retiring in 2001, Robert has worked on Battleship New Jersey – both in restoration and as a tour guide. Robert serves on the speaker's bureau for the Battleship and works on the Cruiser Olympia in Penns Landing. Robert also works with homeless veterans and is chairman of a scholarship

fund at his church, which awards scholarships to worthy church members interested in pursuing a post-secondary education.

In his spare time, Robert is an avid bicyclist, having ridden 8,500 miles last year and 5,600 miles thus far in 2013.

I look forward to seeing you this Friday at the Train Station Community Center!

## ZUCCHINI CORNBREAD CASSEROLE *from Jennie McQuaide*

3 c. grated zucchini (about 1 pound)  
1 med. onion, diced  
2 eggs, beaten  
2 c. Pepperidge Farm Corn Bread Stuffing  
1 stick melted butter/margarine  
Grated Locatelli cheese

Mix first five ingredients together. Place in 1 ½ quart greased casserole. (I use Pam® olive oil cooking spray.) Top with grated cheese.

Bake at 350° for 45 minutes – until golden brown on top. If necessary, raise temperature to 375° for last 10 to 15 minutes to achieve nice color.

Notes:

For a double recipe, I use a 9" x 13" pan.

I've reduced the butter to 6 tbsps. with good results and fewer calories.

Sometimes I add a grated carrot for color.

Be sure to use a good quality cheese for best flavor. Kraft just doesn't measure up.

## 2011 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader

Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

*The following article was furnished by Jack C. Sheppard, Sr.*

## **WENONAH 96 YEARS AGO – NOVEMBER 1917**

The Biddle Men's Bible Class of the M.E. Church meets at 8:00 PM in the church. There was a debate by six men on "Resolved, that Palestine should be given over to the Jews to govern by themselves."

There will be a delightful lecture by Miss Mortie Stokes on "The beauties of Yellowstone Park" on Friday in the M.E. Church. Beautiful stereopticon pictures will be shown and as Miss Stokes has recently viewed this wonderful place, her talk on the subject will be worth hearing.

Offer of Mr. Geo. E. Fredrick to Automobile Owners. Starting November 26th and continuing the balance of 1917, all profits on gasoline will be turned over to the Wenonah Branch of the American Red Cross. Mr. Fredrick's new gasoline tank holding 500 gallons is now in operation, ready to serve you promptly.

A letter (to council) was received from the Home and School League, addressed to the Superintendent of the West Jersey and Seashore Railroad Company requesting that a foot bridge be placed over the railroad tracks at Elm Street and West Jersey Avenue, and the members requested that council approve of the letter and that they adopt a suitable resolution to that effect. While the council heartily agreed with the sentiments expressed in the letter, it was decided to have the borough engineer prepare plans and specifications for such a structure and to secure estimates of the probable cost so that the matter could be more intelligently taken up with the railroad officials. (It was finally erected in 1924).

The Fire Company was authorized to burn off vacant lots where it was deemed necessary for the prevention of fires. (This was a practice for many years.)

The Superintendent of the Water Works reported having experienced serious difficulty in obtaining sufficient coal to keep the water plant in operation, but that he had finally succeeded in getting in touch with a party in Pittsburgh who was able to fill the borough's requirements in this line, and that one car of the coal had arrived just about as the available supply in the bins had been almost exhausted.

The Park Committee (of council) reported that the park was in good condition and that the tulip bulbs had already been placed in the circular bed. (This was the original purpose of putting the concrete circle in the middle of the park)

Sealed proposals for a new motor driven fire apparatus: "The equipment should be first class in every detail and painted and lettered with the words "Wenonah Fire Company" all complete in good workmanlike manner. It must contain at least a complete chemical equipment and a body to carry at least 500 feet of water fire hose and also the usual accessories accompanying a fire apparatus above described. The chemical equipment must consist of two 35 gallon copper chemical tanks of standard thickness with necessary attachments together with 300 feet of chemical hose and basket or reel to carry same. The truck or chassis must be of at least 1 1/2 tons capacity and be of standard make. (The result was the purchase of a Ford Model "C" Auto Fire Truck, the first motorized apparatus in Wenonah.)

The Needlework Guild held an interesting exhibit of over 400 garments and bed linen donated by members in the recreation room of the M.E.Church. These 400 items have been sent to the Deaconess Home in Camden, The Children's Home in Trenton and the Seamen's Mission for Wrecked Sailors.

Sergeant M. Patton of Wenonah is not a deserter. He enlisted in the Quartermaster Department of the

Federal Government in May 1917 and is still with his company.

The regular midmonth meeting of the Women's Christian Temperance Union was held yesterday the home of Mrs. Ella Sargent, superintendent of Scientific Temperance Instruction, and a pleasant time was spent in the discussion of that subject. Mrs. Sargent conducted a "Quiz". Mrs. Poff read a paper and Mrs. Sarah Johnson read a portion of the State report on the subject. (Undoubtedly, the women had a ball.)

Mr. Conover's theme on Sunday in the union service in the Presbyterian Church will be "Putting Wenonah on the Map."

Offer of Mr. Walter Wentzell; On Saturday the entire profits of the ice cream, oyster and sandwich business will be turned over to the War Fund of the Y.M.C.A. Mr. Wentzell made this offer without any solicitation and in addition to his personal cash contribution. Our citizens should remember his generosity and give him due patronage.

AT IT AGAIN; Chicken thieving has become quite popular again in the vicinity of Wenonah and Sewell and some arrests will probably be made if the practice is continued, as it is said the authorities can place their hands on the guilty parties at short notice. About 50 were gently lifted from their roosts of Howard Hurff's hennery and 65 from a place near Wenonah. Six or seven places were visited last week and good hauls made. Chickens are not all that are being confiscated either, as a barrel of potatoes and a barrel of apples were taken from John Weimer's place near Tyler's Mill.

On an emergency call the Wenonah branch of the Red Cross sent to Woodbury headquarters: 2 dozen triangular bandages, 1 1/2 T bandages, 2 dozen many tailed bandages, 250 four tailed bandages, 36 muslin rolled bandages, 180 gauze compresses and 168 oakum pads.

Former President William Howard Taft will speak in the Court House (Woodbury) on Friday afternoon in support of the \$35,000 Y.M.C.A. campaign for work among the soldiers. Judge Starr will preside and Hon. J. Boyd Avis will also speak. Mr. Charles A. Whitall, who recently visited the battlefields of Europe will also tell of his experiences. All men and women of Gloucester County are invited to attend.

The Wenonah Military Academy has 100 fine young men enrolled this season.

The yearly community supper will be held in the M.E. Church dining room on Thursday evening.

A call has been sent out by the N.J.S.F. of Women's Clubs for musical instruments, sheet music, and Victrola records to be sent to the boys at Camp Dix. Music inspires the soldier, cheers the homesick and is a tremendous power for good in the camps.

The Camp Fire Girls held a masquerade party at the home of their guardian, Mrs. William Potter on Tuesday evening. A merry time was passed by the girls with all the games in keeping with the Halloween time.

WENONAH GARAGE; Allen Dealer

Store your car in a warm garage this winter, cheaper than non-freezing fluid. Two old cars \$100 each for sale

The United Church's' two week campaign closed Sunday evening with a large attendance in the Presbyterian Church. Rev. E.M. Conover preached one of his real gospel sermons, leaving no loophole for the sinner to escape, so plain he made the two roads; the narrow one leading up to life and the broad one leading to destruction. (He also built a house on the Northeast corner of South Marion Ave. and East Willow Street – the John Schad home)

Friday, November 8, 2013

Volume 11, Issue 9, November 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

I hope those in attendance last month enjoyed the Battleship New Jersey presentation by Bob Catando. Bob is a retired teacher/administrator and has direct ties to Gateway High School. He recognized a few members as fellow educators at the beginning of his excellent presentation.

With Veterans Day close at hand, we are continuing this Friday with another military-related topic as well as having an educator as our presenter. Lt. Col. Beth Ann Lumpkin (USAF retired) is currently the Aerospace Science Instructor at nearby Washington Township High School. While serving in the Air Force, Lt. Col. Lumpkin received the Meritorious Service Medal, AF Commendation Medal, and Combat Readiness Medal. Her topic will be "Women in the Military, Past and Present".

Hopefully many of you are planning to attend our annual Christmas Dinner on December 13. The event is always a most enjoyable evening of good food and friends and serves as a nice start to the holiday season. As noted below, your payment must be received by Jean Cowles by this Wednesday.

I hope to see you this Friday evening at the Train Station Community Center.

## CHRISTMAS DINNER

Our WHS Christmas Dinner is scheduled for 5:00 PM on December 13. It will be catered by the Telford Inn.

However, we must have enough members (and guests) attend to make it worthwhile for the Telford. So far the response has been poor. If we do not have more commit, we will have to cancel.

If you are interested in attending, please get your payment (\$22/person) to Jean Cowles no later then this Wednesday (November 6). Jean's address is 304 N. Stockton Ave. Her phone number is 856-468-6031. Please make your check payable to "Wenonah Historical Society".

## CHANGE OF NEWSLETTER EDITORS

Barbara Price has offered to take over as your newsletter editor, allowing me to switch

my focus to our museum. I will work with Jack Sheppard, Sr. and Julie Ream to finalize the facility so its contents can be made available to all Wenonahians.

Barbara has been a resident of Wenonah for 32 years. She has been the Librarian at the Gloucester County Historical Society and the editor of its newsletter since 1998. Barbara can be reached at [b.price111@comcast.net](mailto:b.price111@comcast.net).

Our current plan is for Barbara to take over with the January 2014 newsletter.

### 2013 WHS OFFICERS

President	Charles Horan
Vice President	Paul Lader
Secretary	Vicki McCall
Treasurer	Carol Wiltsee
Trustee	Betty MacLeod
Trustee	Louis McCall

Meetings are held on the second Friday of each month (except June, July and August) at the Train Station Community Center.

## **WENONAH 106 YEARS AGO – DECEMBER 1907**

Mrs. Lummis is selling fresh dairy butter.

Mantua Avenue speedway is in fine condition. (The people were outraged at cars going through town at 20 miles per hour.)

Almost all the little men and women are having the chicken-pox.

Both Sunday Schools are beginning preparations for Christmas and from all indications their little folks will have a good time.

The Needlework Guild gives a very gratifying report of its work for the current year. Over three hundred and fifty new garments were contributed which will be distributed among the needy poor.

The W.C.T.U. held its regular monthly meeting yesterday. The barrel which was to be sent to Ellis Island is by no means full. You surely have some discarded clothing which will keep some child warm. Infant's clothing will be greatly appreciated. Little stockings are needed. Safety pins, picture books and toys that can be easily packed. Do try to give something to help this worthy cause.

Tonight is prayer meeting in both churches. Why don't you come out? You need to be a faithful attendant and don't you remember how much good it did you.

We are certainly long suffering patient people. For two weeks or more the little folks have had no convenience at school. Part of that time the basement floor was covered with water, now the water is turned off and there is actual physical suffering among the children and yet we try to be good and submit: for we know that everything comes to him who waits.

A beautiful flag has been presented to the Public School by the Board of Education, at the assembly of pupils, a few impromptu but appropriate exercises were rendered and a unanimous vote of thanks was expressed to the Board of Education for the gift.

The Wenonah Building and Loan Association which organized so successfully last month will hold its second meeting next Saturday evening. A large number of shares have been subscribed guaranteeing the success of the organization and promising well for the future.

Our young students are returning home for the holidays and everything points to a happy Christmas. The chicken pox is almost over and the grip is abating so we will be able to enjoy our turkey without first wiping one weeping eye and then the other and then our nose.

The "Tourist Club" will have another meeting this Saturday evening. Anyone with a desire to advance intellectually is invited to become a member. Come to the library and talk it over.

Miss Rose Holt, Miss Dorothy Holt and Miss Florence Spidden took in the Christmas sights yesterday in the city.

For Sale MILK 6 cents a quart Geo. Kean.

There were several interesting looking couples in church last night and it looks as if there will be more wedding bells soon.

Judging for the crowds going up in the trains and the number of packages delivered, "Christmaticus" has struck our borough hard.

Boys Brigade tonight.

The Teddy Bears meet tonight at the home of Miss Rose Holt.

We do not understand why it takes a letter that is mailed here at 9 a.m. to not reach Woodbury until 1:30 (They didn't have computers.)

The Christmas music in both churches was delightful. They may say what they please, but when it comes to singing, Wenonah is hard to beat.

Academy students take notice: You will want to take something nice home to mother or sister or somebody else for Thanksgiving or Christmas. The ladies of the borough are making the daintiest things imaginable for the bazaar on Tuesday in Noblitt's Hall. Home made candy a specialty.

Photographic calendars. Views of Wenonah at the Post Office.

The Christmas entertainment by the Methodist Sunday School last night was very enjoyable. Nine young ladies dressed as gypsies rendered the cantata "The Gypsies Christmas" in a very creditable manner. The Primary Department received, besides their candy and oranges, dolls for the little girls, penknives for the boys, and balls for the babies. Rev. and Mrs. Duffield were generously remembered by the Ladies Aid Society.

The Christmas entertainment at the Presbyterian Church Sunday School was very enjoyable.

In one-corner of the large room stood a beautifully decorated Christmas tree and at its base were grouped candy and gifts for the children. Just back of the tree was a fireplace through which a real live Santa Claus came at the close of the exercises and gave the children their gifts. Rev. Gage read Dickens Christmas story while Rev. Duffield used lantern slides to illustrate the story.

Next Meeting at 5:00 P.M. on  
Friday, December 13, 2013

Volume 11, Issue 10, December 2013

## THE PRESIDENT'S MESSAGE

*by Charles Horan*

Dear Members,

Seasons Greetings to all! We are looking forward to our WHS Holiday Dinner this Friday (December 13) at 5:00 P.M. It is an excellent festive start to the Yuletide Season as we share fellowship and good times. For those of you who have reserved a spot, we will have the gift exchange this year. If you intend to participate, please limit the value of your gift to approximately \$10. Participation is optional.

In looking forward to our first two programs in 2014, I want to try something different at our January and February meetings.

Considering the possibility of inclement weather and having an outside

presenter travel to Wenonah, I propose the following: WHS members will put on their thinking caps during December and give a short summary (on January 10) on "How I came to live in Wenonah" or any related topic that you feel would be of interest to our group. Think of your "back story" to share informally with our group. Even a short anecdote will be well received.

## CHANGE OF NEWSLETTER EDITORS

As a reminder, Barbara Price will be taking over as newsletter editor, beginning with the January 2014 edition. I will work with Jack Sheppard, Sr. and Julie Ream to advance our museum to a point where its contents can be enjoyed by all Wenonahians.

*Larry*

## WENONAH 106 YEARS AGO – MARCH 1907

The Boston Laundry horse got into a hole here Saturday and was considerably bruised up.

The military hop given by the cadets Saturday night was one of the prettiest social functions ever given by the cadets. The young ladies were the prettiest ever seen at a cadet dance. About 150 were present. The next event will be a minstrel show which promises to eclipse all former efforts in this line.

Report of the Wenonah Public School: 7th & 8th grade pupils 21, 5th & 6th grade pupils 21, 3rd & 4th grade pupils 31. 1st & 2nd grade pupils 33.

Contractor John Drummer is sending some of his friends pictures of his cabin in the midst of the red wood trees in San Diego County, California. They have a gold mine located but the Indians are very troublesome, and will not work themselves nor will they let others work. Mr. Drummer says that if he had a Galling gun he would fix them. He expects to return home soon but will go back in the fall when he will take an arsenal with him. (John Drummer was one of the most remarkable people to have lived in our Wenonah. He was borough Marshall, a charter member of the fire company and a builder. More about him in future editions.

Mr. Loomis has rented the old ice house attached to Baylies' barn. (At the site of the present post office.) He put 60 tons of ice in it yesterday, which is as much as it will hold. Billy Stevenson did the job.

An Italian by the name of Nune is the new day watchman at the railroad crossing.

Our milkman got his milk delivered nearly on time this morning, but he had to put on two wagons to do it. The sled-coasting is still very good.

Mrs. Morogue has lost her dog Sam and, if anyone sees him, she will be pleased if they would notify her. (Her son William was the first and only combat casualty from Wenonah in the First World War.

Mantua Grange took in four new members last night. The Grange now numbers 201 members. (They meet in Wenonah at Noblit's Hall on North Marion Avenue. The majority of the officers were from Wenonah. The Grange, at this time, was a strong political force and their endorsement was a prerequisite to winning an election.)

The Wesley Brotherhood met last evening and had a debate, the title of which was "Should Capital Punishment be Abolished?" The negative side won.

Oscar B. Redrow, who was struck by an electric train at Woodbury last Saturday is not able to leave the house yet. (He lived in the house on the northeast corner of W. Buttonwood and N. Jefferson streets. He was the County Prosecutor.)

Captain Percy Jones and Cadets Fox, Martin, Updike and Cormany went to Washington to witness and take part in the unveiling of the General McClellan monument. The cadets will take the part of buglers.

The fireman will clear about \$100 on their supper, which was held Saturday evening. It was a decided success and everybody went home too full for utterance.

Charles Kirkbride left Clark's store Saturday night and started work at Baylies' store this morning. (The two stores were competitors, both general stores within a stones throw of each other, one where Mary Kaye is today and the other at the former location of the One Stop Shop. )

Mud, mud everywhere.

Captain Miller's goose bone prophesy of the winter came true. (Lost in the annals of history is what a "goose bone prophesy" is.)

Assemblyman William C. Cattell stood up nobly for the women at Trenton yesterday. One of the legislators said that women were not educated up to the point of voting intelligently. Mr. Cattell replied that many women are more intelligent than men and all knew how to vote on the liquor question and he is right. (This assured Uncle Billie that he would be warmly welcomed by the women of Wenonah when he came home.)

Mrs. John Holeton entertained a number of her friends at her home last evening. The evening was a great success. The dining room was prettily decorated. Long ribbons of red crepe paper were draped from the comers and sides of the room to the electrolier. The lights were shaded in red and the table had a border of the same material. Two large bouquets of red carnations decorating the table finished the color scheme. The guests enjoyed themselves immensely. One of the features of the evenings entertainment was a game in which everybody took the name of some animal and it was very interesting to see the baboon making love to the hyena; the jack-ass (he brayed long and loud) did not forget to keep an eye on the muskrat. The porcupine was pinched by the lobster, while the giraffe stretched her neck this way and that, looking for trouble. The rhinoceros appeared to be troubled and the gorilla and ape enjoyed things immensely. We hope to meet again in the near future.

William Stevenson was kicked on the shin by one of his horses.
