**Therese Snyder** Shafer Henry , can you identify the other classmates? Was this 1965?

I always thought Mrs. Ralston was such a great teacher.

**Therese Snyder** Kim Miller McCallister , 🥺

That is so sad about Mike. I will call Susan. Thanks for letting me know. It was hard enough to lose Carol. Susan and I played together. I was at their house a lot. Mrs. Miller was a wonderful Brownie leader too.

**Kim Miller McCallister** Therese Snyder she was a wonderful aunt as well. I miss all three of them. Betty Jane was the same age as me so we went K-12 together in school at Wenonah and Gateway.

**Charlie Hammell** Betty Coyne my right fourth finger is permanently disfigured from a football game we played in your yard :) Also, that's where **JC Henry** once had me be quarterback and called me Ace LOL. To this day, I use Ace56 as a name in chat groups.
