BOROUGH OF WENONAH 2022

YOUR 2022 MAYOR AND COUNCIL

Mayor John Dominy

jdominy@boroughofwenonah.com

Dear Neighbors,

Without question, 2021 proved to be a challenging year for our community. Over the past year, our residents continued to live under the difficulties of the ongoing pandemic, which included the heartbreaking loss of friends, loved ones, and neighbors. Moreover, on September 1, 2021, our Borough experienced an unprecedented EF-3 tornado. The tornado tore a two-block wide path of destruction through Wenonah, leaving hundreds of homes impacted, some severely. In the days following the tornado, I traveled from one end of town to the other. I met and spoke with many of you. I heard your stories: what you heard, what you felt, what you saw, and what you found when you stepped outside. I was deeply moved by your experiences. As a community, we all shared the experiences of those most devastated. Despite all of this, almost immediately, the people of Wenonah rallied behind their neighbors who suffered so much. Volunteers appeared, clean-up begun, and meals delivered.

As we look to 2022, our path to recovery from the tornado will continue. Our residents will continue to rebuild and repair, and our community will continue to support those in need. Our Borough will replant and repair our damaged public spaces. As we do, I have no doubt that our residents will be there to volunteer and offer their support as they have done so generously in the past. And yes, we will plant trees. Lots of trees, both along our streets and in our Park. We will do this so our children and grandchildren can once again enjoy a canopy of green.

Wenonah is a unique and special place. We are more than a town. After what we have all shared in 2021, we are indeed one Wenonah Family. Keep volunteering and supporting one another in the coming years.

I'll see you around town.

Warm regards,
John R. Dominy, Esquire
Mayor

MANTUA TOWNSHIP POLICE DEPARTMENT

Straight to Treatment

Help is Available

- Walk in and Get Help at the Police Station
- Any Substance Use Disorder
- No questions, no stigma, completely voluntary
- No insurance - No problem

Every Thursday from 3:00 to 6:00 pm
kick off Thursday, April 22, 2021
Mantua Township Police Department
Straight to Treatment Recovery Specialist - (856) 766-8870

The Mantua Police Department is proud to be of service to the residents of Wenonah, 24 hours a day, 7 days a week, 365 days a year. However, if you have ever wondered when to call 911 versus when to call the non-emergency numbers, we offer this advice. 911 should be called to report a crime in progress, suspicious vehicles/activity, a car crash, an injured person/animal, somebody who might be in danger, or any other perceived emergency. We encourage you to call as soon as possible if you observe suspicious activity or if you believe a crime has been committed. The single most important determination of whether or not a case will be solved is the information the victim/caller supplies to the immediately responding patrol officer(s).

Please do not email us or use social media in the above-named circumstances. If you simply need information, to file a report about a crime that is not in progress, or to speak with an officer for any other non-emergent concern, please call 856.468.1900. This will call into the Gloucester County Dispatch Center.

If you need to obtain a crash report or other record, please call 856.468.1920 and follow the prompts or email records@mantuatownship.com.

Our officers are held to the highest of standards and are expected to provide a level of service that is second to none. In order to better relate to the communities we serve, we often get out and interact with residents during times when we are not taking enforcement actions. These include special events, parades, community-related meetings, or even handing out candy during Halloween. We also aim to hold several Coffee-with-a-Cop type events throughout the year. If you see us out an about, feel free to come say hi. Have kids? We'll show them the police car, let them check out the equipment, and play with the lights and siren.

Overall, it takes all of us working together to make our communities the best they can be.

Don't forget to check us out on Facebook, Twitter, and Instagram too!

Slow Down: Back to School Means Sharing the Road

School days bring congestion: School buses are picking up their passengers, kids on bikes are hurrying to get to school before the bell rings, harried parents are trying to drop their kids off before work. It's never more important for drivers to slow down and pay attention than when kids are present – especially before and after school.

Sharing the Road with School Buses

If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing. It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.

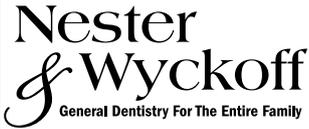

- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks

Sharing the Road with Young Pedestrians

According to research by the National Safety Council, most of the children who lose their lives in bus-related incidents are 4 to 7 years old, and they're walking. They are hit by the bus, or by a motorist illegally passing a stopped bus. A few precautions go a long way toward keeping children safe:

- Don't block the crosswalk when stopped at a red light or waiting to make a turn, forcing pedestrians to go around you; this could put them in the path of moving traffic
- In a school zone when flashers are blinking, stop and yield to pedestrians crossing the crosswalk or intersection
- Always stop for a school patrol officer or crossing guard holding up a stop sign
- Take extra care to look out for children in school zones, near playgrounds and parks, and in all residential areas
- Don't honk or rev your engine to scare a pedestrian, even if you have the right of way
- Never pass a vehicle stopped for pedestrians
- Always use extreme caution to avoid striking pedestrians wherever they may be, no matter who has the right of way
