HOPE TO BE BEST  
DRILLED IN STATE

The Sewell Guards of Battery "B," 112th F. A. N. J. N. G. are constantly working in hopes of bringing back the honors that the former Sewell Guards held back in the '80's under the present able leadership of Major M. F. Ivins, of Merchantville.

Members of the Guard are not only learning the fine points of close-order drill but are also being taught the correct ways of managing a horse.

A number of ex-service men have already joined the ranks while new applications for membership are being received daily by the membership committee composed of Privates William Slin, Joseph J. Spor and Sergeant George R. Thompson, Jr.

Any member or former member of Battery B, 112th F. A. N. J. N. G. or the Sewell Guards holding an honorable discharge or transfer from same is eligible for membership. There are two classes of membership, active and associate.

The object of the association is to uphold the best traditions laid down by its founders, to increase the esprit de corps and promote social welfare and spirit of good fellowship among its members.

It is predicted that in a short time the Sewell Guards will be the finest and best drilled organization of its kind in the State of New Jersey.
