WENONAH—A religious survey of the borough will be conducted Sunday.

Initiated by the Commission on Membership and Evangelism of the Methodist Church here, the survey has been enlarged to include the participation of all the churches in the borough.

The information gathered will be used in helping churches in the area to become more effective.

Plans for the survey were developed by Mrs. Edward Budd, chairman, Dr. Leonard Grant, the Rev. J. W. Vanaman, the Rev. Raymond Turner, D. F. Rayder, James Hill, Dr. Wendell Hawthorne and Melvin Boone.
